

Pickering Honors Teen Diving 'Sweetheart' Beverley Boys

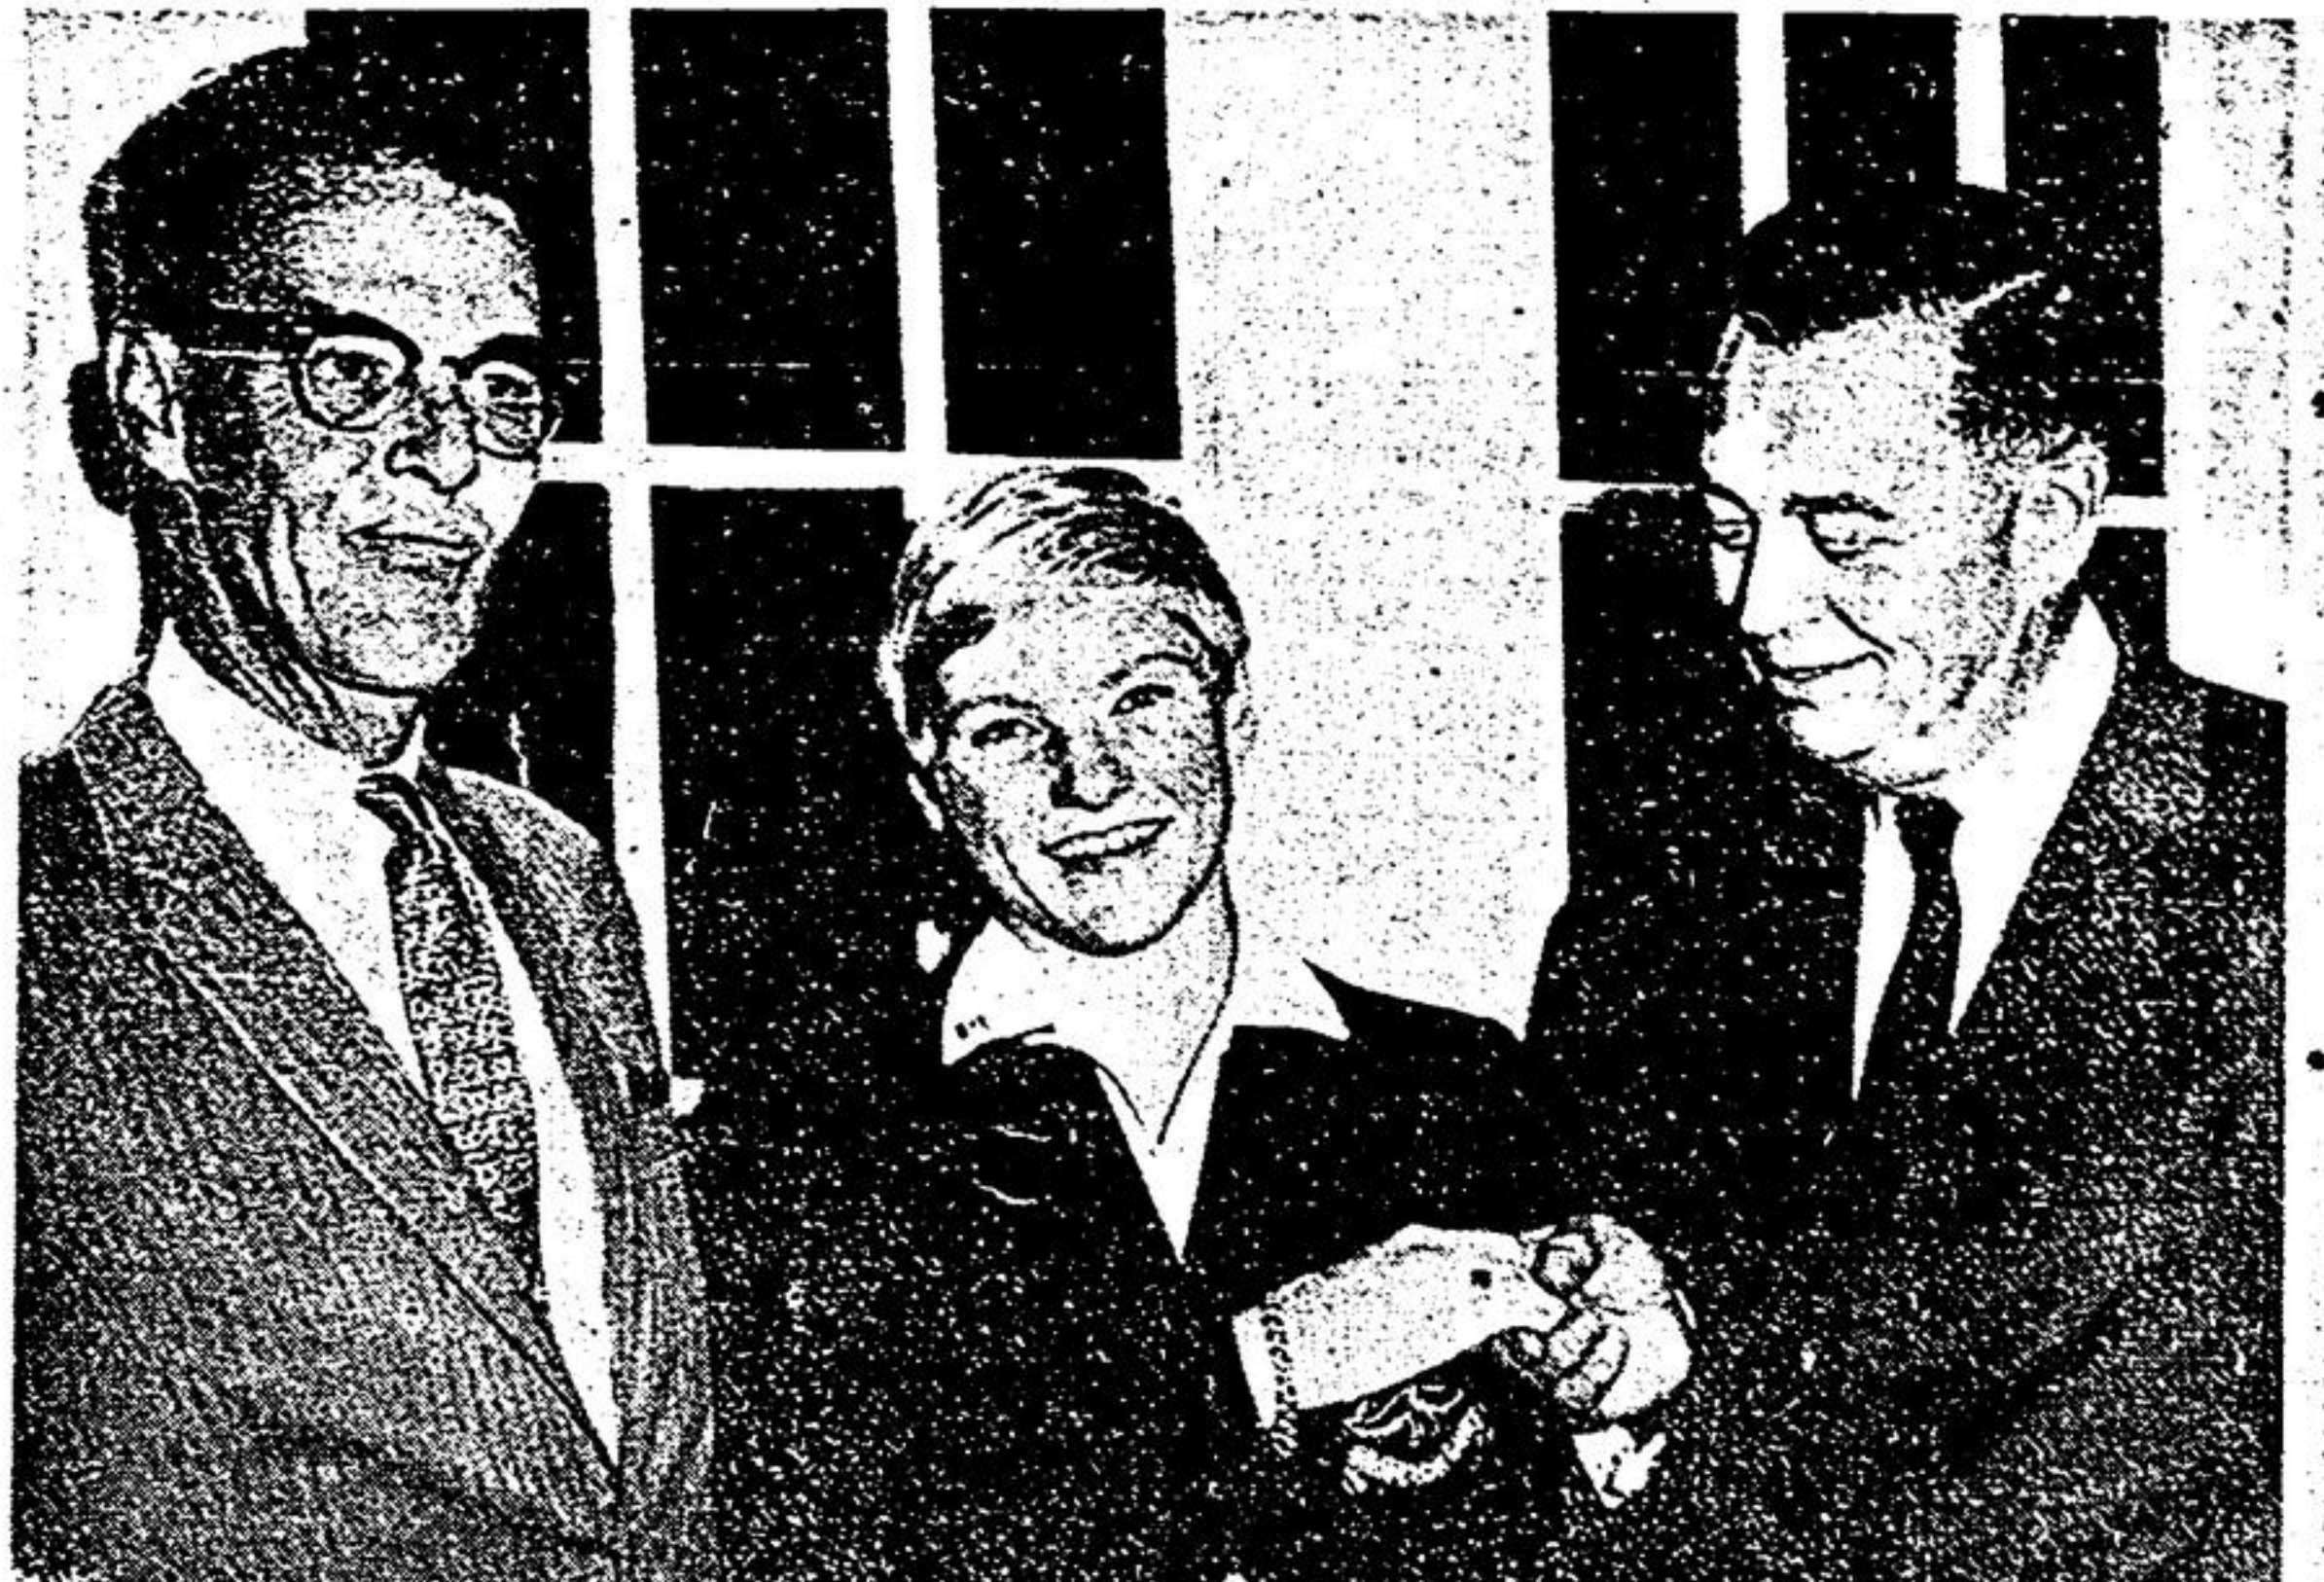

School Buses Criss-Cross at Altona Intersection

Every morning and afternoon, five days a week, the heaviest traffic at the four corners of Altona is made up of school buses, all going in different directions. No less than twelve, pass through the intersection daily, serving the Uxbridge and Pickering areas and St. Mark's in Stouffville. The drivers and students all seem to know where they're going but residents in the community are a little baffled by it all. —Staff Photo

PICKERING — If one was to meet sixteen year old Beverley Boys walking down the sidewalk in Pickering Village, she would appear as any typical teenager, attending Grade 10 classes at Pickering High. But blonde Beverley is no ordinary girl. The truth is, she's one of the world's foremost divers, a fact revealed by the awards she's won in competition with the best in the business.

Her parents, Mr. and Mrs. Russell Boys, who reside in the township, attended the gathering along with her sister, Suzanne, her aunt and uncle, Mr. and Mrs. Gordon Hughson and her grandparents, Mr. and Mrs. J. C. Hughson. The councils of both municipalities were represented, including reeves Clifford Laycox and Gordon Murison. Head table guests were introduced by Clerk D. J. Plitz.

sports world and his anticipation of her one day returning with a coveted gold medal in either Olympic or Pan-American competition. He said that he

hoped the township could, in 1968, provide the service of an olympic-size swimming pool and recreation centre so that Beverley and others like her, would

not have to travel so far to train. Reeve Murison, her coach, Donald Webb and her father all spoke briefly.

Beverley, dressed in a gray skirt, white blouse and navy blue blazer, thanked the gathering for the gift. About 25 persons attended.

Candidate in Ward 2

PICKERING — Mr. George Hodgson, owner of Paulyne Park on the Greenwood Road, has announced that he will be a candidate in Ward 2 of Pickering Township at the forthcoming municipal elections. The seat is currently held by councillor Donald Beer who defeated Mr. Hodgson in 1966.

Mr. Hodgson, in notifying the Tribune of his intentions, expressed concern over the rising tax

rate. He is opposed to 'open hunting' in the township and is concerned over the irresponsible actions of some hunters.

Mr. Hodgson feels that members of Council should not be above accepting advice from persons who can be of assistance to the municipality. "Just because a man or woman is elected to office, does not make them instant oracles who are above suggestions in the running of this township," he said.
