Dogcatcher on the Job

STOUFFVILLE — Dogs beware — the canine control officer is coming to town. Stouffville Council, last week, authorized an officer of the Ontario Humane Society to make at least two tours of the community this month.

Although the majority of members felt that dog control was necessary, councillor Jim McKellar's support was all on the side of "Fido." "It is the dog that is condemned when really it's not his fault at all. The owner is

to blame but he goes scot free. We're not getting to the root of the problem." Deputy Reeve Bill Parsons said that the owner would have to pay to get his pet back.

"But what if he doesn't want him back?" questioned councillor McKellar. Stouffville has an agreement with the Humane Society, effective Jan. 1, 1968. A new pound is to be built in Aurora.

Announce New Healing Substance Shrink Piles

Exclusive healing substance proven to shrink hemorrhoids and repair damaged tissue. A renowned research institute has found a unique healing substance with the ability to shrink hemorrhoids painlessly. It relieves itching and discomfort in minutes and speeds healing of the injured, inflamed tissue.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most important of all — results were so thorough that this improvement was maintained over a period of many months. This was accomplished with a new healing substance (Bio-Dyne) which quickly helps heal injured cells and stimulates growth of new tissue. Now Bio-Dyne is offered in ointment and suppository form called moxone refunded.

Mr. and Mrs. L. C. Murphy have returned home following an enjoyable motor trip to the West. While in Alberta, they visited with their son, Dr. Bill Murphy, his wife and family. On their return, they spent some time in Cochrane where Mr. Murphy held a Principal's post for several years.

Receive Scholarship

By Pat McClellan
CEDAR GROVE — Last Friday night at Guelph University, Archie Little presented three scholarships on behalf of the Ag. Incourt Milk Producers Association. These were given to students from a farm background in York and Ontario Counties.

Receiving the awards were: Mr. R. G. Trimmer, Stouffville, Mrs. H. E. Goslin and Mr. D. R. Deacon of Unionville.

A small but enthusiastic Bee filled the Centennial garden with tulips last Saturday morning and sometime in the misty future of 1968 the park will be ablaze with a parrot tulip border around a red and white centre.

Mailboxes are gradually being replaced on the 10th conc. and, in spite of the summer's chaos, normal conditions are returning. Some residents would like the boxes erected on the east side of the road for convenience but Mr. Peacock, our mailman, is not insured for delivery on the opposite side.

Congratulations to three of our West Hill girls who really shone at Commencement last week. Erika Sparks, who won an Ontario scholarship with 95.6 per cent gave the valedictory address and Shirley Miller attained the highest standing in Grade 9 Arts and Science with Lynn Walton holding the same honors in Grade 10 Business and Commerce. Wonderful.

Dates to Remember:
Nov. 12th: In a Remembrance Day Service Mr. Sisel of Zion Church and Mr. Bruebach of Cedar Grove Mennonite Church will exchange pulpits.
Nov. 15th: CGIT will be held at Zion Church at 4 p.m.

Mrs. Victor Wagg Native Of Markham

MARKHAM — Service was conducted by Rev. Donald Parr of St. Andrew's United Church, Friday afternoon for Mrs. Victor Wagg, a native resident of Markham Township, who passed away Oct. 31 at the Altamont Nursing Home, West Hill. Mrs. Wagg, the former Alma Pearl Douglas, was born at conc. 8, Markham, the daughter of the late Alexander Douglas and Mary Boynton. Mr. Wagg passed away in 1947.

Mrs. Wagg moved from Markham eight years ago to make her home with a son, Douglas, Stouffville, R.R. 1. She has spent the past three years in nursing homes. Surviving besides her son, are two daughters, Dorothy (Mrs. Gerald Rose) London, and Mary (Mrs. Sidney Brown) of Newtonville. There are six grandchildren. Pall bearers were: Murray Grove, Jack Grove, Chester Pearce, Carman Lewis, Lester Weatherill and Thomas Whetter. Interment was in Elmwood Cemetery, Markham.

HIWAY-BYWAY

The Tire that Makes Fun of Winter Driving

STILL ANOTHER BREAK THROUGH

NOW MADE WITH POLYESTER

The Miracle Tire Cord

Nearly two years ago, Canadian Tire introduced Polyester miracle-cord in their high performance summer tires. Come spring, most major rubber companies are expected to follow with Polyester in their most expensive summer tires. Right now, a year ahead of most others, as usual, another record falls to Canadian Tire. Polyester Winter Tires... here RIGHT NOW!

If you ever experienced the sheer delight of being behind the wheel of an automobile equipped with "Hiway-Byway" winter tires, you have doubtless told others about the fun of bulldozing through drifts and wheeling past cars struggling for traction. You've also taken for granted the confidence of being master on ice and hard-packed snow. Now with better-than-ever Polyester "Hiway Byways" you'll get more miles and an incredibly smoother ride — more like summer tires — be it at 7 or 70 mph. "Morning thump", even on the stiffest cold mornings, will be a thing of the past. Initially, of course, Polyesters do cost more; but, you'll soon agree they're worth every penny of it.
