Circulation Climbing

STOUFFVILLE — Another excellent year has concluded in the circulation department of the Stouffville Public Library.

The annual report for 1967 shows circulation of books increased by 1,484 or 5% over 1966. The total was 30,191.

The figure comprised 38% adult fiction; 15% adult non-fiction and 47% juvenile.

The year saw a growth in the number of cardholders with the total at the year end of 1,905.

Magazine circulation was 255. Among the most popular were: National Geographic, Canadian Geographic, Maclean's, Life, Saturday Evening Post, Time and Seventeen.

The addition of eight new chairs, a table and new shelving will improve the children's department in the basement.

Last spring you wished you'd ordered your

fertilizer in the winter didn't you?

It's winter again.

When spring comes, everyone wants their fertilizer at once. Stocks run low and you may not get the analysis you want when you want it.

You can avoid all that trouble. Right now, your local Co-operative is fully stocked with every analysis ready for delivery during the quiet winter months. Give them a call. Beat the crowds and the possible shortages. Be ready when the weather is right. Take delivery of your fertilizer now and save by taking advantage of seasonal discounts. Don't wait 'til next spring to wish you had.

The little old lady entered the department store. Instantly a band began to play, an orchid was pinned on her dress, she was handed a \$100 bill, and found herself being photographed from all sides; then she was taken before the television cameras.

"You are the one million customer," the master of ceremonies beamed at her. "And now can you tell us what you came here for today?"

"Why, yes," said the little old lady. "I'm on my way to the complaint department."

CLAREMONT—The past year of 1967 was one of accomplishment for the centennial committee, headed by Chairman Robt. Madill.

In the Community Park, a refreshment booth was built, a new entrance constructed, a teeter-totter erected and flower beds completed.

On a smaller scale, the Community Centre Committee is asking for assistance in sponsoring the natural "ice rink" at the school. The cost per family has been set at \$2.00.
