

Sketch drawing of new public school plan for Whitchurch Twp.

This is a sketch drawing of the new proposed Kindergarten to Grade 8 public school for Whitchurch Township. In an effort to reduce the overall cost, one room may be removed. The selected site is at conc. 5 and the Bloomington Sideroad.

No ratepayers at meeting

PICKERING — No ratepayers were present at a Committee of Adjustment meeting last week to object to or approve permission to add an extension to the Canadian Legion Hall in Claremont. The Legion building on the Brock Road, built in 1966, is a non-conforming commercial use in an agricultural zone.

Harold Hopkins, president of the Claremont Legion, told the committee that the intention was to put an 8 foot by 81 foot addition on the north side of the building — about 10 feet from the front of the building. He said it would give a little more room upstairs.

He said for the time being they were not going to include it in the basement, but they were going to have to put an entrance in on account of fire, and L.C.B.O. Approval was given with the stipulation that the extension be no further than the width of the existing front portion.

TOWN EMPLOYEES' SALARY SCHEDULE

STOUFFVILLE — Prior to the presentation of the 1968 budget, the salary schedule of Stouffville's permanent employees was established for the year.
