Industrial sites
WHITCHURCH TWP.—In an effort to promote industrial development within the Township of Whitchurch, both council and Planning Board members have expressed a desire to acquire properties that could be zoned for industrial use.

The Planning Board has recommended that all land adjacent to the CNR line at Vandorf be marked for future industrial sites and that the owners be asked to deal directly with the council rather than private developers. Land located in the Bal-

lantrae area has also been considered as future sites for industrial expansion. The Board has recommended further that council investigate the price of land bordering on new Highway 404, since like the railroad, industry could find delivery service by transit a decided benefit. Deputy-Reeve Lawrence Hennessey has suggested that council give the recommendations further consideration in committee.

NORM CAFIK SPEAKS ON PEACE
"Strife, violence, and war will never be overcome unless steps can be taken to narrow the gap between those who have and those who have not. This must be done at home, and it clearly must be done abroad. The Liberal Party will pursue dramatic policies to create a Just Society and a peaceful world."
