

Changes will more than double town's water supply

Two P.U.C. workmen preparing a large 12-inch outflow iron pipe, part of the new enlarged water-works project. —Staff Photo

A good view of part of the present town water storage capacity. Water from one of the several wells is shown feeding in at the far right hand upper corner of the picture. This storage will be doubled by the new reservoir. —Staff Photo

One of the several new wet well installations constructed last winter. These will eventually be hooked up to service the new reservoir. —Staff Photo

Stouffville witnesses at Ottawa conference

"The 'doomsday button' has been pushed as far as the unjust, negative elements of this generation are concerned." This was part of the message brought home by 44 Stouffville residents, among 15,000 delegates to the "Good News for All Nations" District Assembly of Jehovah's Witnesses, just completed in Ottawa.

The event, sponsored by the Watch Tower Bible and Tract Society, was a four-day instruction convention in using Christian influence to promote respect for law and order, good morals and reverence in the community and to promote belief in survival of human kind in to a "paradise earth of God's making in the immediate future."

The reference to the end of evil came in the key address of the gathering by Kenneth A. Little, overseer of the Witness in Canada.

Delegates, totalling 15,295 from across Canada, 15 American states, includ-

ing many from towns of this area, swarmed into the Ottawa Civic Centre, situated on the historic Rideau Canal to take in the program.

"That's why we brought our families," says Mr. Derek Wicks who headed the local delegation. "We have taught our sons and daughters that applying Christian principles themselves is a much more positive way of improving society than by resorting to sit-ins or demonstrations. The thousands of delegates working and learning in harmony and

happiness added resounding proof."

Witnesses will be calling on all homes in their communities, including Stouffville, to offer a free six-month home Bible study course attuned to current needs.

Recent guests with Mrs. Verna Duncan and Mrs. Sarah Summerfeldt, Church St. North, were Mr. and Mrs. Russell Boynton, Nobleton, and Mr. Nelson Boynton, Thornhill.

Reject house at 'home'

CLAREMONT — A request by the Claremont Nursing Home for a permit to build a residence for the owners on the property was turned down by council in committee of the whole Aug. 12.

A resolution will be presented at a regular council meeting directing the clerk to inform the nursing home proprietors that council cannot see the need for any special consideration being given to the granting of a permit, but suggesting they make application so that in the normal course of events they will eventually receive one.

"By doing this we are

discouraging good commercial development," commented Councillor Donald Beer, who opposed the committee resolution.

Fewer bands

Full-time bands in the Canadian forces are being reduced to nine from 17, the defence department announced Monday.

The reduction will mean a cut in full-time musicians in the unified forces to 555 from 792.

Mrs. Rae Holden, Tindale Rd., and Mrs. Don Wright, Baker Ave., spent the weekend cooking at the Cubs' Camp Samac.

Reeve, deputy, cast six county votes

PICKERING — A new allocation of voting power, authorized by a private bill approved by the Ontario legislature, is being used this week for the first time in Ontario County Council.

Under the new rule Pickering Township will have six votes. The reeve and deputy-reeve will each cast three votes on divisions. Previously each municipality had four votes. Whitby will also have six votes.

New Board

The county is being divided into electoral districts for the purpose of electing members of the new county board of education. Ontario County's action on this matter has been delayed owing to the introduction of the new equalization factor in the county assessment.

The new board will have a total of 20 members, 7 from Oshawa and 10 by other sections of the county. Some will elect one while others will elect two or three.

Regional Conference

Ontario county will hold a one-day regional government conference at Beaverton on the first Saturday in October.

You can clean up this bunch for pennies a day with an electric water heater

Bath the kids, do the laundry, wash the dishes, have a shower. With a Cascade 40 electric water heater there'll be lots and lots of hot water for all your needs... and for only pennies a day.

your biggest bargain in hot water.
