Gormley auction sale attracts large attendance

GORMLEY — A very large crowd attended the auction sale at the home of Miss Arvilla Forrester Saturday. The Forrester home was built in 1908 and the many things for sale were in excellent condition. An item that attracted much attention was a 1958 Chevrolet driven only 5,000 miles. The car was purchased by Mr. R. N. Bremner of Gormley for \$1,250. The sale of the Forrester home has a sad note to it. This was the only home in New Gormley occupied by its original owner. Best wishes go to Arvilla as she moves to Parkview Home in Stouffville.
