Hot dog! And all for free

A hot dog and a hungry hound are not easily separated, particularly when the tempting morsel in brought within sniffing range. 'Mac,' a usually well-mannered animal just couldn't resist the temptation in spite of 12 year old Beth Clarkson's restraining hold on his leash. But there was no cause for concern. There was plenty to go 'round at the Stouffville Kinsmen Club barbecue and dance in the Shopping Plaza, Saturday.

Spread your heating costs over 10 months!

We don't like to hit you with a single heavy bill. Or inconvenience you by asking you to pay with each delivery.

Our way is to spread your heating costs over 10 equal monthly payments. They begin in September of one year and end in June of the next. This way, the colder and more costly months are balanced by the milder, less expensive heating periods.

And there's no charge whatsoever for this extra service.

Our Budget Payment Plan is only one of many ways that make our Home Heat Service a superior service. And we'd like to tell you more. Call us anytime—today, for instance.
