Frustrated 'Clippers' drop key playoff game

STOUFFVILLE — A night of utter frustration for the Clippers and their fans. Stouffville Intermediate 'Bs' missed more scoring opportunities in Tuesday's game than they have in any five games during the regular season.

The result — Whitby 7, Stouffville 3.

They now have their backs against the wall with two losses in the best-of-seven series.

They are away for the third game Thursday and return home the following Tuesday. Win or lose in Whitby the home game must be considered a key contest.

Tuesday's affair broke wide open in the final period with eleven of the game's eighteen penalties being assessed. Three of the winners' markers were fired while Clippers served their sentences during this final twenty minutes.

In spite of the seven goals recorded against

Glenn Jackson, he turned in a good game. On four occasions he had almost no chance when the rear guards were out of position or failed to clear the puck.

Whitby only managed one goal in the opening period while Stouffville were shut out. Mike Gray got that one. The crowd which exceeded the 350 mark had reason to cheer when Ray Pipher scored from Art Rennick and Ron Jones.

Elation became deflation as Stan Shermann and Mike Taylor made it 3-1 for the visitors.

Whitby counted four times in the final frame and except for a spurt late in the period when Don Haynes made a Ron Jones pass count and when Bob Tripp collected a goal, the outcome was never in doubt.

Pat Casey stretched the mesh twice. The other Whitby tallies went to Gord Platt and Ken Hall.

Kent Wideman Novice hero

STOUFFVILLE—Schell Red & White posted a well-earned 4-2 win over Stouffville Credit Union in a well-played Novice game Feb. 17.

Wayne Thompson and Gordon Lehman scored early goals for Schell's only to have David Lang and Allan Sprague tie it up for the moncyman.

Gordon Lehman's second goal of the night was the winner and Ed Legger's goal was the clincher. Gordon Lehman also had one assist for a great night's work. David Scheminski had an assist for Schell's while Dale Bell had one for the Credit Union.

Exciting Game

Kent Wideman scored his second goal of the night with 15 seconds left in the game to give Birkett Insurance a 2-2 tie with Equipment Express in an exciting game that had the fans on their toes all the time.

Ken Smith and Ken Kerrigan scored for the Express team and Kevin Morley had an assist for the winners. Don Drevy for Equipment Express and Ken Bonk for Birkett Insurance came up with many fine saves to keep their team in the game.

Tie 1-1

In a fast but rough game Stouffville Stockyards and Merv Turner, Contractor, played to a 1-1 tie.

Paul Marshman shot the builders into an early lead but that was wiped out by Larry Pilkev when he converted a good pass from Paul Towner.

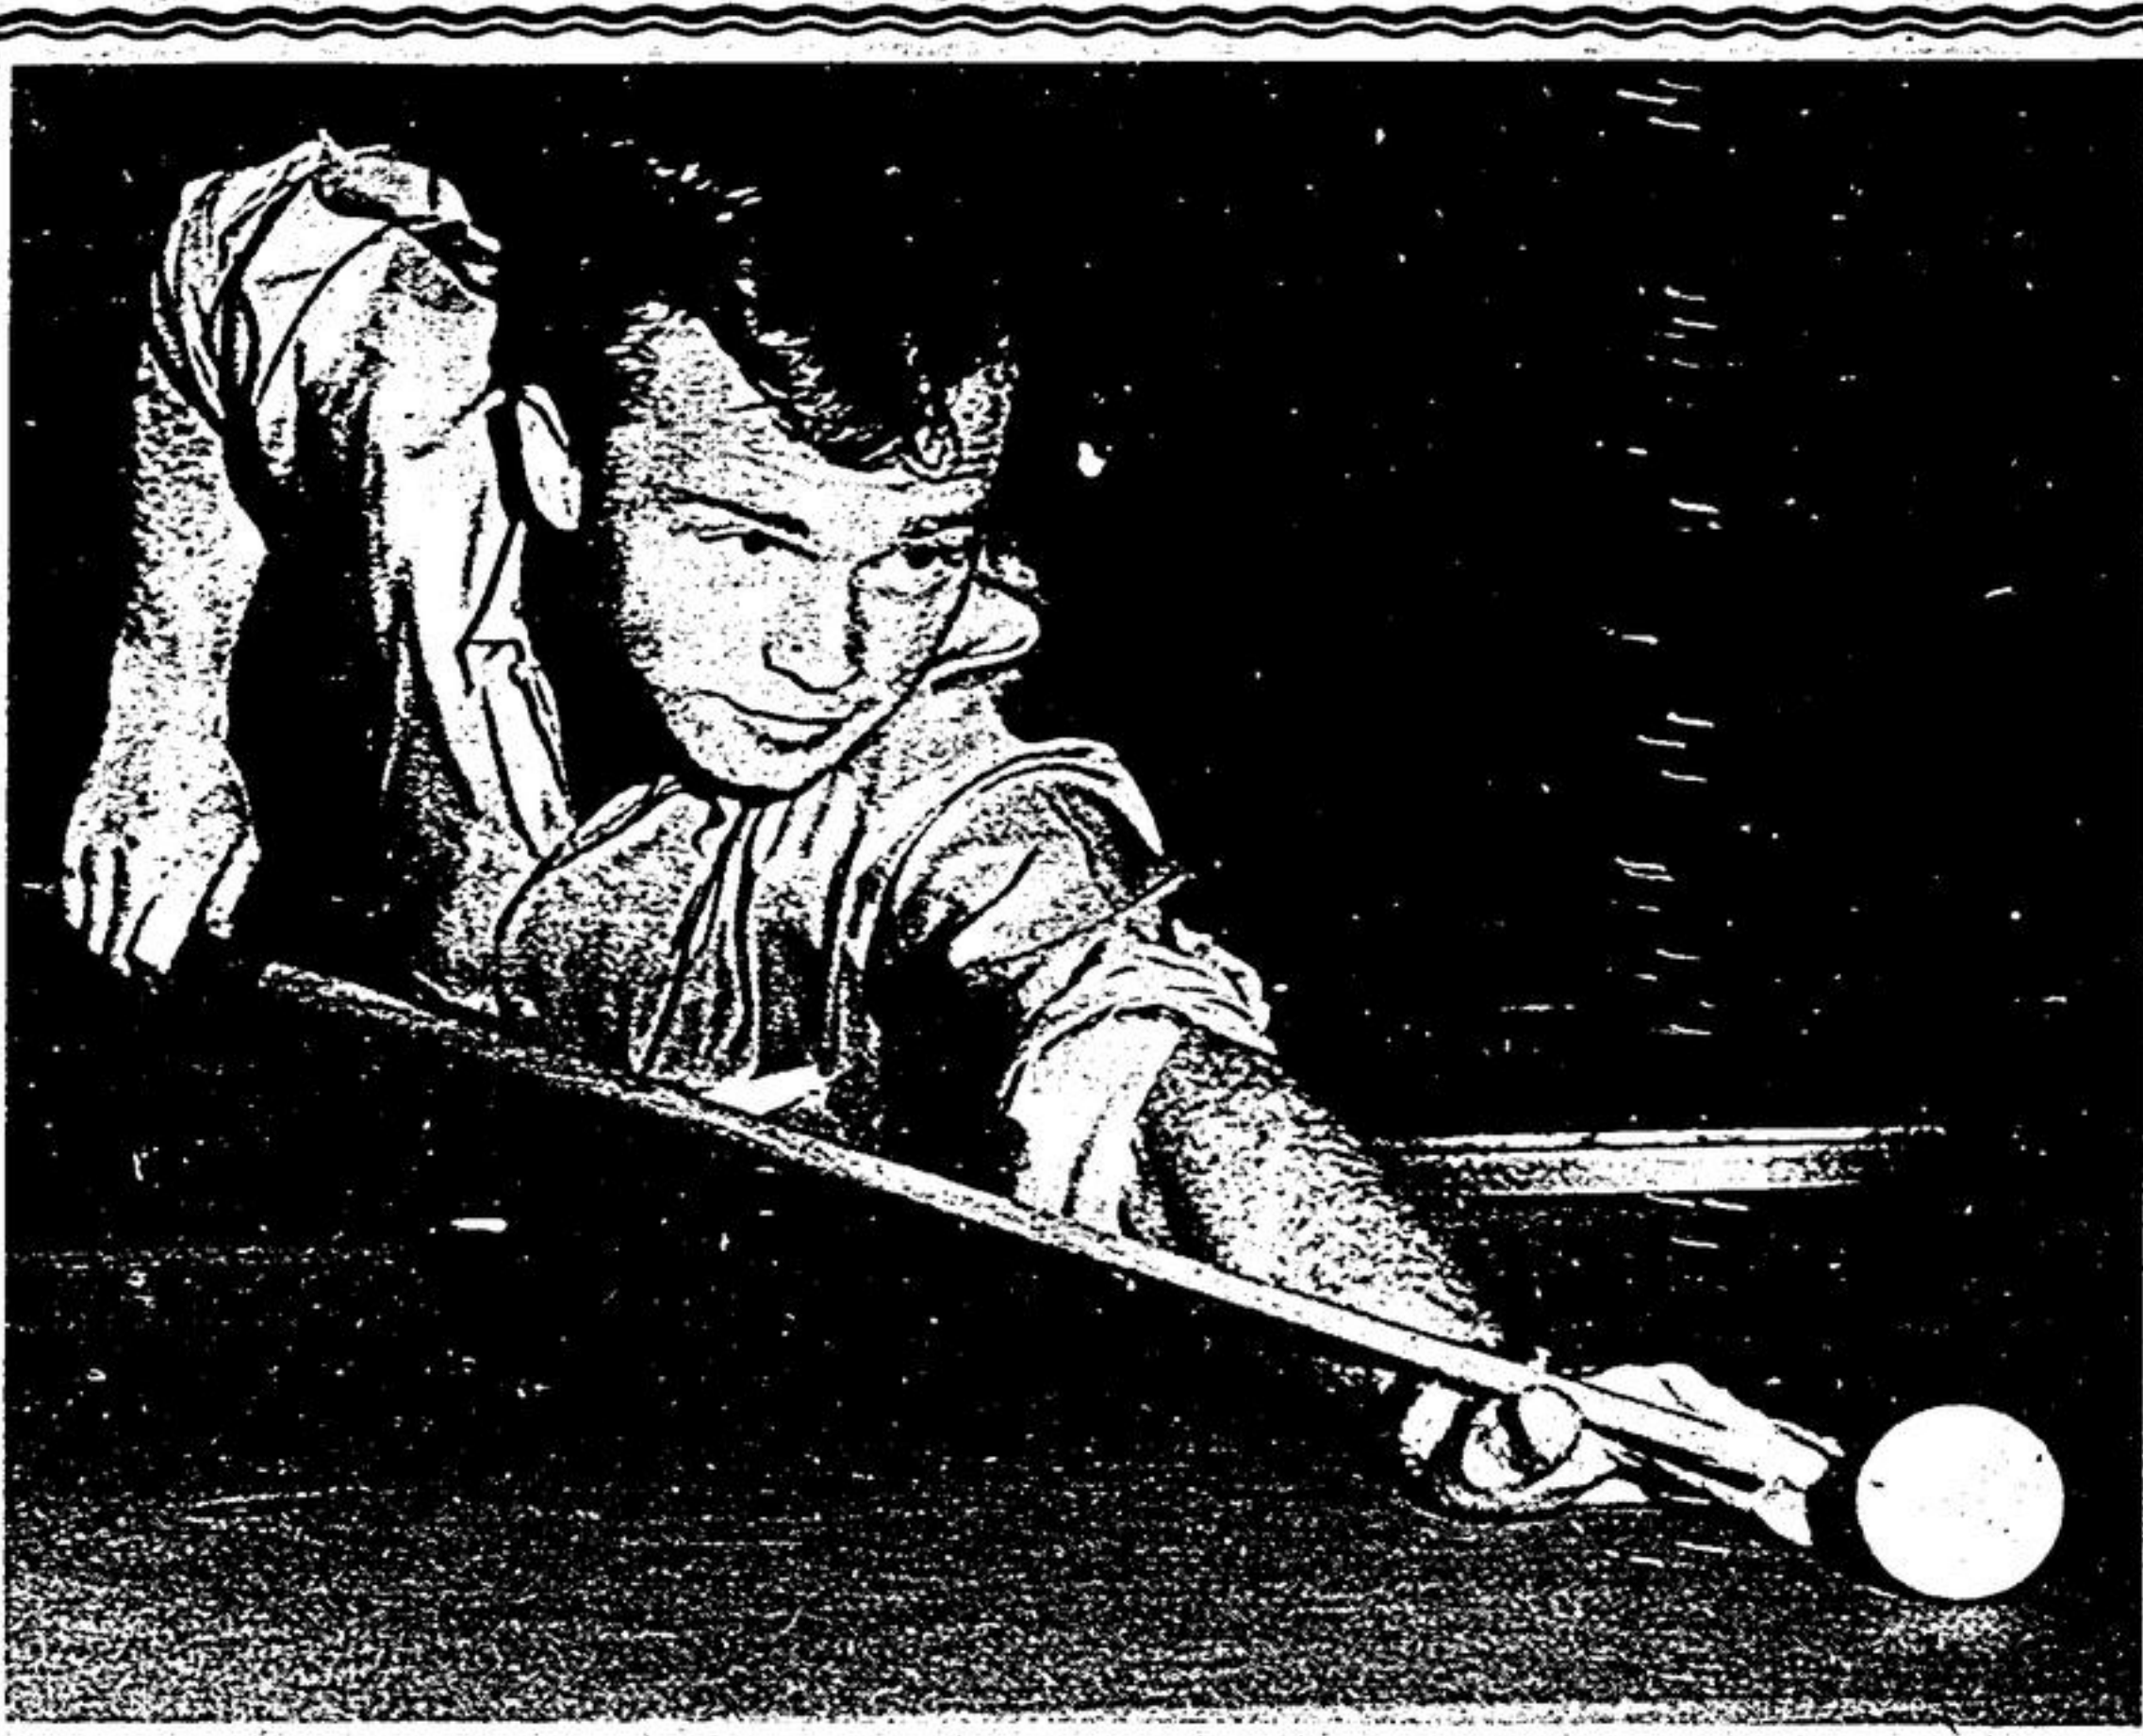

Wins Carling Cup

UXBRIDGE — Harvey Acton of Uxbridge retained the Ontario firefighters curling championship by defeating Bill Core of Brampton 8-4.

He went through the three-day, 14-ring competition with a 5-0 record to win the Carling Cup.

Core turned back Frank Foley of Ottawa in a semi-final 9-6. He had lost only one other match in the competition — to Foley.

Acton now advances to the Canadian firefighters championship at Tam O'Shanter in Toronto March 31-April 4.

New billiard parlor opens on Main Street

STOUFFVILLE—The art of playing pool and billiards is supposed to belong to the boys. But don't be surprised if this private realm of male superiority is challenged by the girls. It all points to this kind of competition says Roy Heaton, operator of the new billiard parlor on Main Street East in Stouffville.

So far, Roy is pleased with all aspects of his

new operation. What was once the Anglican Church, has been transformed into a roomy recreation hall with five tables to accommodate 20 players. The investment totals close to \$8,000.

The parlors are open six days a week from 11 in the morning until 11 at night. The premises is closed on Sunday. The parlors are in charge of Roy Heaton

and son, John. On Friday evening, when The Tribune reporter visited the hall, Roy's daughter, Christine was working in the refreshment booth. "It helps to have a girl around," said Roy, "the boys tend to watch their language a little more."

Christine may have company. Roy says that a girl's group is interested in learning the skills of the sport, possibly this week.

Roy feels that the parlors are an asset to the town. "It keeps the kids off the street," he said. He noted that he had experienced no problems.

Roy is the first to admit that he knows very little about the rules. Then, he pointed proudly to a huge set of moose antlers hanging above a central archway. "There's my game," he said.

In overtime Markham beats Aurora

MARKHAM — If succeeding games come even close to the thrills of the series opener then both Markham and Aurora fans will be chewing on their fingers.

At Aurora Sunday, Markham squeezed out a 4-3 victory but were extended into overtime to do it.

Brent Swanick was the hero. He blinked the light at the three minute mark of the extra period and his mates held on to preserve the win.

The two teams hook up again in Markham, Friday. Game time is 8:30 p.m.

George Shields and Steve Vickers were the other Markham marksmen. Aurora's tallies came from the sticks of Fred White, Bob Tunstead and Bob LaGrand.

In other quarter final series, St. Mike's is opposing Weston and Dixie is paired against Whitby.

Win seven awards

STOUFFVILLE — Kevin and Keith Acton, Burkholder Street, Stouffville, have added seven more awards to their ever-increasing collection.

The brothers were entries in the Ontario Open Speed Skating Championships at Kitchener, Feb. 15 and 16. There were participants also from Quebec and the United States.

Kevin, a junior, placed second in the 220 yards and third in each of the 440 and 880. He received one silver and two bronze plaques.

Keith, in midget class, received three gold plaques and a trophy, scoring firsts in the 220, 330 and 440.
