How come a Volkswagen dealer has used Chevs, Fords and Pontiacs for sale?

A Volkswagen dealer isn't all Volkswagens. The better cars which people trade in on Volkswagens go on our used car lot... right alongside the bugs and 1500s. You can buy almost anything. For almost any price. Take a look.

Old man winter retains his grip
 It may be nearing the month of March but this scene on the Uxbridge-Pickering townline, east of Clarendon, would indicate that old man winter is still holding on.
