# I.G.A. Peewees oust Kingston team Juveniles defeat Campbellford club

## Peewees to play northern champion

STOUFFVILLE — What's that old saying about the quality of goods to be found in small packages? If you still harbor any doubts about the wisdom of the statement, you didn't see the Peewee game Sunday.

The IGA's did themselves proud as they swept the two-game series to advance to the third round of the OMHA Peewee playoffs.

Playing two games in as many days and travelling to Kingston as well, it might be expected that the pace would compare with that during the tortoise and hare encounter. Not so! Where muscle left off, heart and head took over as the locals skated to a 7-3 victory over the Lakeshores.

Three seconds after the final buzzer, the Stouffville kids with forty flailing arms attached to twenty wiry bodies flattened their goalie just five strides from his crease in the greatest show of spirit since the Distillers' Convention. Meanwhile, the man who is largely responsible for fostering this camaraderie, coach Bob Hassard, kept company with the shadows — proudly.

The black disc failed to find the mark during the first period but Randy McNelly changed that early in the second with help from Kevin Barrick and Nicky Fiore. Mike Spragge who was a standout all game, made it 2-0 at 8:30. It became a three-goal bulge when Kevin Barrick fired one from Wayne Norton. Kingston came back as Howard Keele did the honors. Then it was Nicky Fiore's turn for Stouffville.

Trailing 4-2, the Lakeshores had to draw blood early but Mike Spragge dashed their hopes with his second goal. Barrick was his helper. Wayne Norton fired a successful one before Kingston's Michael Murphy scored. It was all over when Nicky Fiore matched Mike Spragge's output at 13:37.

In the series opener at Kingston, Saturday, it was Kevin Barrick who set the pace with a tremendous four-goal performance. Stouffville upset their rivals on foreign ice 4-2.

Kevin fired his first from Wayne Norton and his second from Nicky Fiore. Keith Acton set up the play on the third and with 30 seconds to go in the game, the speedy forward fired his fourth. Stouffville will now meet either Huntsville or Penetang in the Ontario semi-finals.

Mayflower Farms scored with regularity to post a 5-3 win over Stouffville Police. Daryl Wright and Jeff Forfar each scored twice for the winners with Scott Connor getting the fifth goal. Gary Fockler fired the hat-trick for the losers with Bill Meakes getting two assists and Ronnie Malcolm one. Robert Briant had one assist for the winners.

Doering & Brown edged McCullough Motors 2-1 in a close, well played game. Craig Waite counted both of the winners' goals with Tim Lewis assisting on one of them. David Mumford scored the only McCullough goal on an unassisted effort.

Assists were earned by Mike Barry, Kevin Leonard, David Mumford and Howie Jones.

Mayflower Farms scored four consecutive goals late in the game to take a 7-4 decision from a faltering McCullough Motors team.

## Bantam teams tie

STOUFFVILLE — Stouffville Lions and Altona Feeds played to a 1-1 tie in a cleanly-played game that featured excellent passing.

Art Williams opened the scoring for Altona on a solo effort. However, their lead was short-lived for the Lions roared back and Frank Hill tied the game on a good shot.

Gord Crisp picked up the important assist on the tying goal.

Pine Hill Auto had to come from behind to edge Hunt's Sunoco 2-1 in a fast and exciting game that saw some rugged action. David Wilson put Hunt's ahead early in the game when counted on an unassisted play.

William Winn tied it up for Pine Hill when he converted Terry Holden's good pass. Don Rennie became the hero when he slapped in Ron Daniel's pass for the game-winning goal.

## Series goes six games

### MARKHAM OUSTS AURORA

MARKHAM — The see-saw playoff between Markham and Aurora has ended. For the Tigers, so has the season.

They were defeated in their home arena 6-2 by the Seal-A-Wax squad Tuesday night ending the hard-fought series in six games. Markham now advances to the group semi-finals.

Markham could have wrapped it up Sunday but they were unable to tame the Tigers even before a home audience.

After leading 5-3 at the conclusion of the second period and gaining momentum, it appeared that they were only twenty minutes away from a sure victory.

Aurora had other ideas, however, as they returned to outscore the Seal-A-Wax sextet five goals to one to take the contest 8-6 and force a sixth encounter.

The winning goal came from the stick of John Jacob. Tigers' most consistent forward. A penalty to Chris Meloff paved the way for the tie-breaker.

Wolfe Hiesel fired the

final tally into the open net after the losers gambled with the extra attacker strategy.

Markham left the ice at the end of the first period with the board boasting 2-1 for Aurora. Brian Thorne scored the Tigers' first goal before Steve Vickers tied it up. The lead was restored on Gary Clarke's counter.

The local squad exploded for four tallies in the middle frame with three of them coming in less than six minutes. Gavin Kirk claimed two while Roy Kert and Jim Mitchell were credited with the others.

Aurora's Fred Thwaites got one to make it 5-3.

In period three, Rick Johnston could have received more protection from an insurance company in bankruptcy. Markham's defense collapsed and allowed Wolfe Hiesel to count twice and Brian Thorne, Bert Harvey and John Jacob to fire singles.

Ron Aston connected at 12:24 to put Markham ahead but the Tiger attack diluted its significance.

## Allen Carruthers

### Scores shutout

STOUFFVILLE — Gordon Lehman and Allen Carruthers shared the hero award for Schell Red and White as they led their novice mates to a 2-0 win over Merv Turner, Contractor.

Gord Lehman fired both goals for the winners and Allen Carruthers recorded the shut-out.

Ed Leger and Wayne Thompson earned assists on the goals. Brian Mintz and Wally Schell were the best of the Turner team.

In a fast, action-packed game Equipment Express and Stouffville Stockyards tied 1-1. Jeff Williams opened the scoring

for Stockyards on a pass from Larry Pilkey. But their lead was short-lived as Ken Smith tied it up by ramming home Mark Barry's pass. Steven Barkey, for Stockyards and Don Drewery, for Equipment Express played steady games.

Kent Wideman was the scoring hero for Birkett's and Ken Bonk was the white-wash artist as Birkett Insurance blanked Stouffville Credit Union 3-0. Kent fired the hat-trick for the winners while Ken played Kitty-Bar-the-Door to the opposing forwards.

Danny Glenn, Jimmy Eriksen and Grant Armstrong each had one assist for the winners. David Lang and Bruce Thornhill were the best of the losing Credit Union team.

## Juveniles advance to semi-finals

STOUFFVILLE — Stouffville's Juveniles won 10-6 and brought more hockey glory to the village as they ousted Campbellford in three straight contests to advance to the OMHA semi-finals.

In the final game of the series Dave Farlow was the super-star as he pumped five pucks past the opposition's bewildered net minder. In spite of Farlow's great effort it was not a one-man show. Continual pressure in the other end and alert back-checking by the entire team provided the breaks which opened the path to victory.

The winners had taken the first two games by scores of 4-2 and 7-6 and showed some signs of over-confidence in the initial period but after Campbellford scored at the eight minute mark to balance the board, they realized that the visitors weren't ready to roll over and play dead.

From that point, Stouffville took command and left little doubt as to the outcome. During a five-minute interval in the middle frame, they counted five times.

Among the stars for Stouffville were Bill Thornhill with two goals and a pair of assists, and Garry Sugden who rushed along the boards like a bull moose in rutting season. He added a tally to the victors' total. For Campbellford, Pete Brown looked good. He counted twice and assisted on one.

Game number two was a close one as Stouffville scraped by with a 7-6 win. It was a see-saw battle throughout in Campbellford. Wayne Jackson carried Stouffville to victory by scoring a hat-trick. The other marksmen were Brian Kessel, Bill Thornhill, Garry Sugden and Gord Henderson.

In the first Campbellford-Stouffville encounter at home, the local boys outplayed the visitors by an even wider margin than the 4-2 outcome would suggest.

Larry Gilroy gave Stouffville a psychological edge by scoring while one mate was in the sin bin with less than a minute remaining in the first period. The lead was extended by Dave Farlow and then Bill Thornhill found the mark to put the game on ice.

Wayne Johnson added the insurance marker. Stouffville now awaits the outcome of the Bracebridge-Meaford playoffs to determine their position in the semi-finals.

For a team that had its problems earlier in the season, mainly due to foolish penalties, their playoff success to date has been amazing. The club coach is Jake Harman. His assistant is Bob McNeil.
