The big fight via electric radio

By Eleanor Todd
GOODWOOD — It happened during another heat wave, back in the summer of 1938. Everybody in Goodwood had been talking about it for weeks. Max Schmeling was the only man who had knocked out Joe Louis in his entire professional career, and now they were to meet again.

George Todd went out and bought an electric radio so the whole family could listen to the big fight. The old set had only two pairs of earphones and that just wasn't enough to go around.

It was the first electric radio in Goodwood, one of those floor models with short wave and everything, a real beauty. He invited his friends and neighbours to come on down and listen.

George and Liz spent the afternoon figuring out how they could set it up on the front verandah. It was so hot, and there were all kinds of people coming.

Jack Reid arrived, so did Howard Harper and Andy Morgason. Mr. and Mrs. Will Henderson came over. George's brother Bill came down and there were lots of others. They turned on the radio and it was great. You could hear it all over the street.

The fight started, and after all the fuss, Joe Louis had to go and knock out Schmeling early in the first round.

The biggest sports event in Goodwood last week was the game between St. John's Training School and the Goodwood Intermediates on Wednesday, July 23. It was anybody's game right up to the last bat. Dave Jackson was pitching well and deserved to win but it just wasn't his turn. St. John's won with a score of 3-2.

July was a big day for Mr. Lem Clark. It was his eightieth birthday.

Bernie and Bev. Northeast and family are home after a vacation at Rice Lake, and this week, Miss Jackie Northeast has re-

turned for another holiday with her grandparents, Mr. and Mrs. David Miller.

Rev. and Mrs. Thormin and their daughter Beth will be away on holidays during the month of August. The United Church will be closed on Sunday, August 3 and 31 but Rev. Legrow will conduct services on August 10, 17 and 24. Rev. Thormin will resume services September 7.

Heinz and Margaret Vohof are enjoying a visit with Heinz's young brother Ludger, and his wife Heti, from Germany. Heinz had not seen his brother since Ludger was 13 years old and he was unable to recognize him at the airport. Fortunately, Margaret had visited Germany last year and she was able to steer her husband in the right direction.

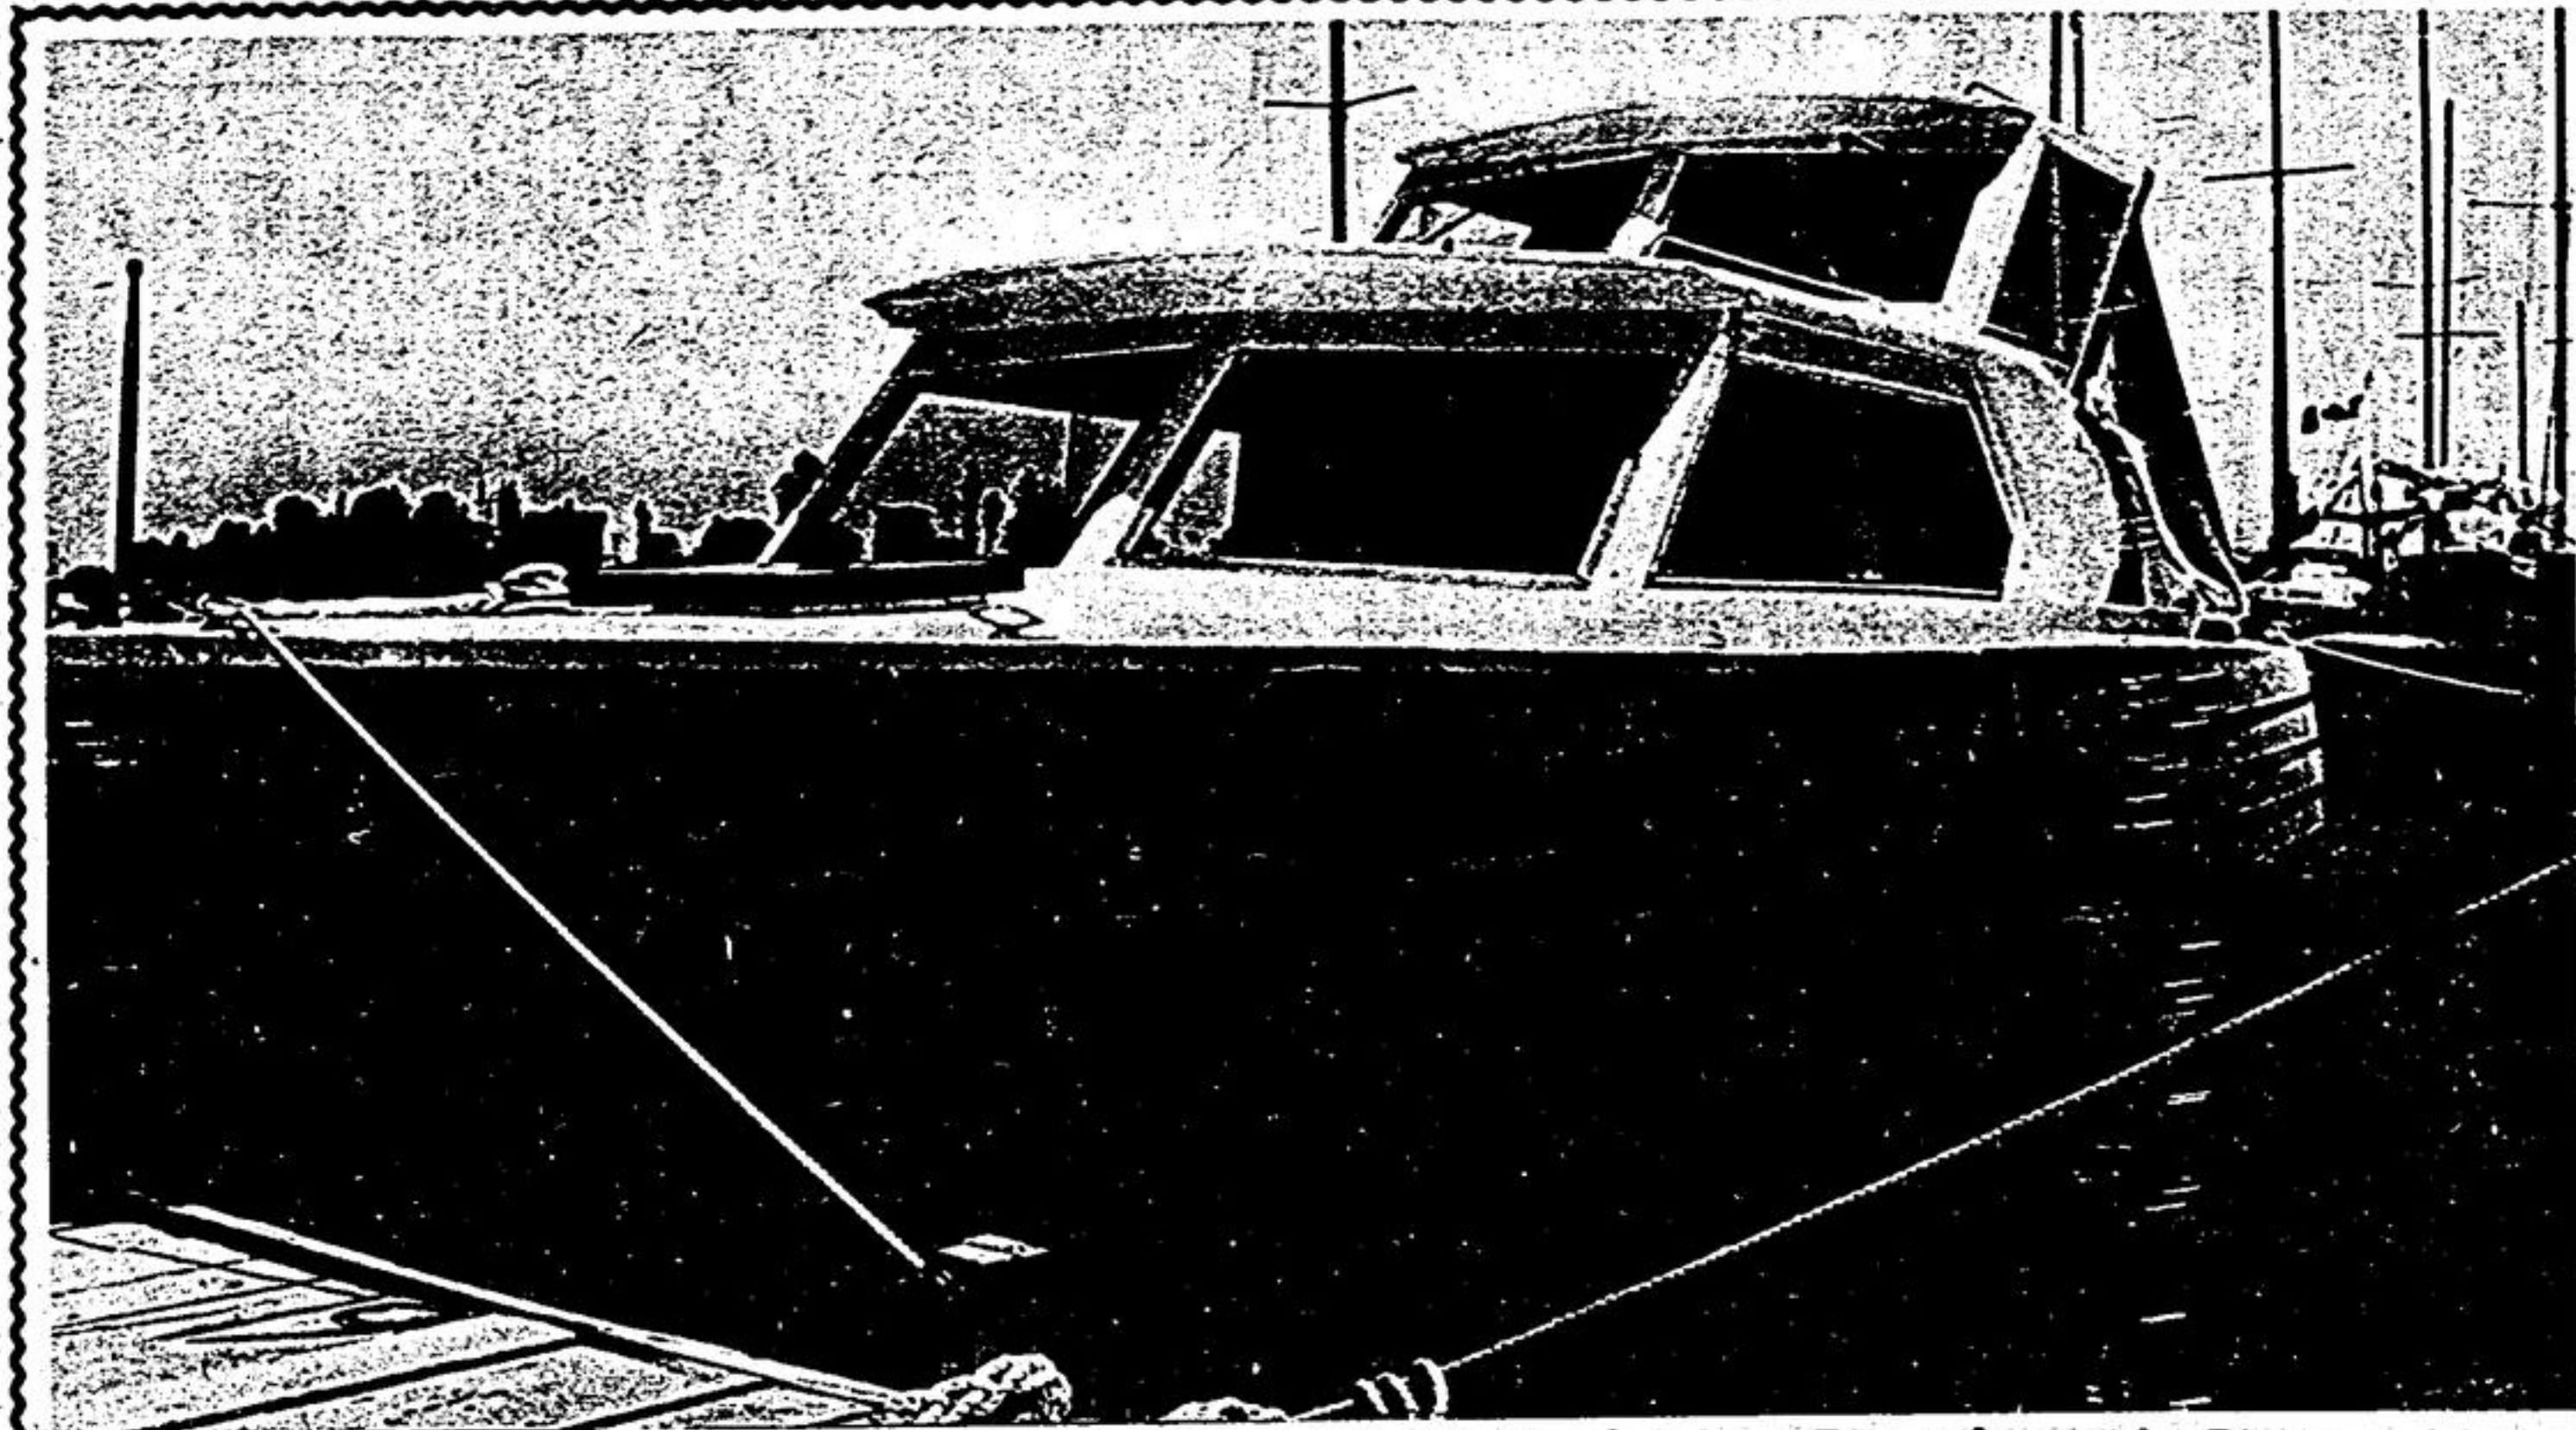

Holly and Julie Todd are enjoying the company of their cousins, Ricky and Colleen Smith of Toronto.

Wayne and Gail Redshaw have driven the stakes for their new house and will be starting the foundation shortly.

The Old Married Couples Softball Game has developed into a tournament. Gord Todd, Bill McQuaker, Merl Harman and Carl Hudson are the captains of the four teams and if time permits, the winning teams will play off. If you signed up, you will no doubt be hearing from your team captain shortly.

A Weiner roast has been planned so that you can stick around after the game and hash over all the mistakes you made, but the Hall has been spoken for just in case we get rained out.

Whoever you are...

Bill is employed by a big company. After October 1st, his employer—and every employer of 15 or more employees—must join OHSIP, and every employee must belong. Bill's employer will collect and remit the premiums. Apart from this Mandatory Group requirement, OHSIP is voluntary.

Frances likes to travel. She'll be protected by OHSIP against the cost of health care she may need outside Ontario, at OHSIP rates. If she decides to reside in another province, her OHSIP coverage will be "portable". She'll remain insured for up to 4 months.

Sally and John are expecting another baby in February. Sally will be able to choose her own doctor, and he'll be free to accept her as his patient. He will advise John in advance if he intends to charge more than OHSIP coverage provides. OHSIP will pay at the rate of 90 percent of Ontario Medical Association Schedule of Fees (1969)—most doctors accept this, as full payment. The cost of Sally's hospital room will be paid for by their Ontario Hospital Insurance.

Albert is still working but he's not sure for how much longer. Unemployment, illness, or financial difficulties won't prevent him from having OHSIP protection—he can apply for temporary premium assistance. Full or partial premium assistance will also be available to him, determined by his annual taxable income.

Pete is receiving Old Age Assistance from the Province of Ontario. After October 1st, his present coverage from OMSIP will simply continue from OHSIP, automatically. All he has to do is wait. He knows OHSIP will be the health insurance he can count on.

Mario works for a small firm, but he'll be covered by OHSIP just like Bill. Any employer who employs more than 5 but fewer than 15 people may apply for Group coverage for his employees. Mario's boss plans to form such a Group.

as of Oct. 1st.

ONTARIO HEALTH SERVICES INSURANCE PLAN

can take care of you

OHSIP is the new, standard, comprehensive plan of health insurance protection and benefits in which every resident of Ontario is entitled to participate—regardless of age, state of health or financial means—through the Government or a designated agent.

Meanwhile, if you are now enrolled in OMSIP—the existing Government plan—or in a private plan, your coverage will continue without interruption provided you continue your enrollment.

OHSIP will be the health care you can count on—from the Ontario Department of Health.

After October 1st, many private insurers will become "designated agents". Each will provide the standard OHSIP contract on a non-profit basis, at the premium rates set by the Ontario Government for OHSIP services. If you wish other services from your agent, you can arrange for them through a separate contract.

If you haven't any health insurance, you may enroll now for October 1st coverage by writing to OHSIP, 2195 Yonge Street, Toronto 7.
