

The expanded accommodation at Green Gables Manor, Bloomington, will be officially opened this Sunday, Sept. 27 at 3:45 p.m. by Dr. Margaret Arkinstall, York Manor, Newmarket. This full second time exposure at f/4.5, portrays the beauty of the property. The public is invited to attend the 'open house', both Saturday and Sunday and inspect the renovations, now complete. —Jas. Thomas

Green Gables Manor

Hold 'open house' on location this weekend

BLOOMINGTON — Dr. Margaret Arkinstall, Medical Doctor in charge of York Manor, Newmarket, will officially open the new addition to Green Gables Manor Saturday, with the ribbon cutting at 3.45 p.m.

Green Gables was opened in March, 1966, by Mr. and Mrs. Lewis LaVine, with a staff of three and five patients. With the new addition, the home will accommodate 40 patients, with a full-time staff of 15, plus several part time personnel.

Five of the staff members are taking part in a training program for practical nurses. They will receive their certificates after one year's work at the home and 50 weeks of evening classroom sessions in Toronto. Participants are Pat Leduc, Sturgeon Falls, Patricia Mitchell and Faith Pirrier, Temiscaming, Quebec; Jeanette Blanchette, Mattawa and Janice Dietz, Fergus.

Other staff members include Mrs. Devina Blundell, Mrs. Grace Feirheller, Mrs. Ethel Lee, Mrs. Ellen Slingerland, Mrs. Morris, Mrs. Samantha Edna Parks, Mrs. Molly Comeau, Mrs. Doris Aselton, Registered Nurse, and Dr. Blair Mitchell, of Stouffville, the consulting physician.

The home, built under health department regulations, has automatic fire alarms, call systems and a large commercial-type kitchen.

Milk and eggs are obtained from livestock raised on the property, and a 14 by 16 foot cooler has been built to store vegetables grown in gardens there.

Floors in the building have been covered with a new seamless substance that is skidproof, fire proof, water resistant, and repels stains and acids. Inlets in the walls lead to a central vacuum cleaner. A thirty foot hose is plugged into these units, enabling staff to clean the building without carrying the vacuum cleaner with them.

The home has two single rooms, 4 triple rooms, 5-4 bed units and one 5 bed ward. There are living rooms, lounges, a library, two sun rooms and a treatment room.

A 5,000 gallon reservoir has been built on the property for fire protection purposes. There are hoses on each floor and connections for the fire department.

Mr. and Mrs. LaVine told The Tribune that their policy for patients is based on "tender loving care and understanding." They try to maintain a 'manor' atmosphere, rather than that of a nursing home. Residents are called guests rather than patients. In this way, they hope to achieve a stage of contentment among the people.
