Residents want traffic lights

Mrs. Allan Ellicott BROUGHAM — Property damage continues to increase due to auto accidents at the intersection of the Brock Road and Hwy. No. 7. Several persons have also been injured at this location. Residents of the community are wondering how long Ontario County or the Dept. of Highways intends to wait before they erect automatic signals at this site.

Thanksgiving weekend visitors at the home of Mr. and Mrs. Allan Ellicott were: Mr. and Mrs. Eldon and boys; Mrs. Wallace Ellicott, Toronto; Mr. and Mrs. Keith Puckrin and children of Sea-grave.

The many friends of Mr. Rendal Ellicott are pleased to see him home from hospital following a re-

cent heart attack.

The Brougham I.O.O.F. is planning an evening of exceptional entertainment Nov. 22 in the township hall. Admission is free and refreshments will be served.

The Afternoon Unit of the U.C.W. will meet Oct. 23 at the home of Mrs. George Perry.

There is no worship service at St. John's Church this Sunday. Sunday school is at 10 a.m. Anniversary service is Oct. 26 at 11 a.m. The guest pastor is Rev. L. A. Purdy.
