**Urge protection for Indian 'village'**

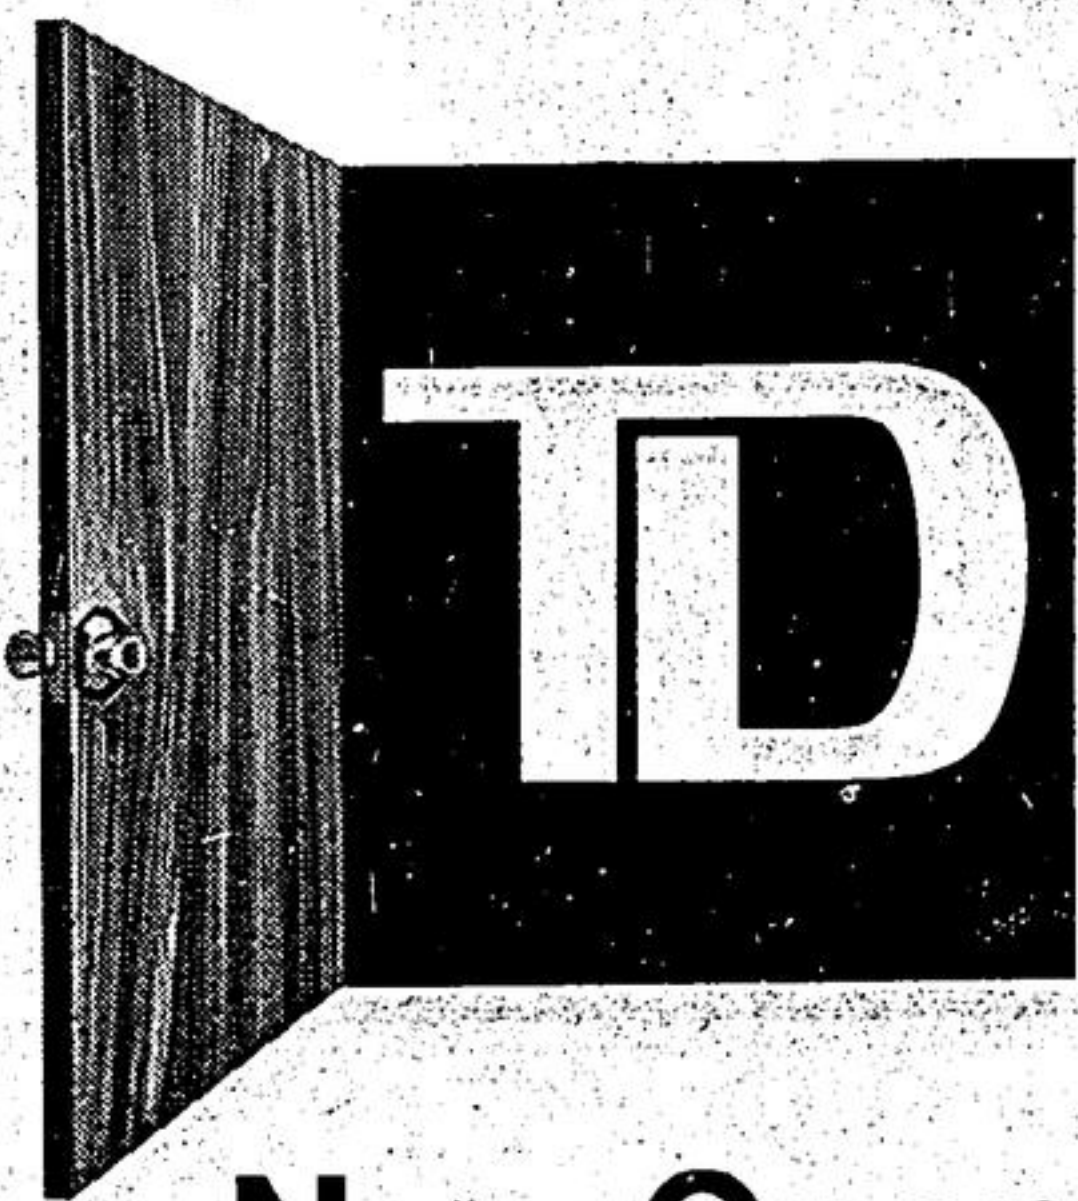

PICKERING TWP. — On recommendation from the Museum Board, Pickering Twp. Council has agreed that the remains of an Iroquois Village on the former Miller property near conc. 3, be adequately protected. A portion of this property will be used as a sanitary landfill site and agreement between the township and Metro Toronto is now being drawn up. Plans include the reconstruction of the Third Concession in the immediate vicinity of the archaeological find. Township council feels that the 'village' should be preserved for the benefit of future generations.

**Merry Christmas**

It's time once more to turn aside from the routine of day-to-day business and greet our fine patrons and neighbors with hearty wishes for a merry, old-fashioned Yule. May your holiday be filled with the happy sounds of laughter as you rejoice in the company of family and friends. Sincere thanks for your loyal trust and support.

**Behind schedule**

PICKERING TWP. — Completion of the Pickering Township arena is expected about the middle of March, Clerk D. J. Plitz told council at last week's meeting. The clerk said construction was a little behind schedule because of a slow-down in the delivery of steel and weather conditions.
