To honor official

YORK CTY.—Former students in Sault Ste. Marie of York County Board of Education Planning Officer Eilert J. Sand who passed away Nov. 2 while on a visit there are planning a memorial for him, it has been reported in the Sault Daily Star.

Mr. Sand taught at David Kyle and Campbell Schools in Sault Ste. Marie prior to enlisting in the RCAF during the Second World War. On his return he became principal of King George School there.

Due to Mr. Sand's interest in music and the present musical program in the school, the memorial may take the form of something for the music department. It is understood that the possibility of renaming the school in his memory is also being discussed.

"He's the very image of me!" exclaimed the proud, new father.

"Well, Joe," gently replied his friend, "I wouldn't worry about it, so long as he's healthy."
