Juveniles grab playoff lead

STOUFFVILLE — By the time this week's Tribune has reached most readers, Stouffville's hustling 'Kin' Juvenile team could be two up on Alliston or the series could be tied.

The two clubs met Wednesday night in the second game. Stouffville took the opener in Alliston, 4-1.

Game three is in Stouffville next Wednesday; in Alliston, Feb. 14 and back to Stouffville, Feb. 15.

In Saturday's starter, Jody Holden led the lamp-lighters with two tallies.

He also picked up an assist. Gord Henderson fired one and assisted on a pair. Dave Farlow notched the other. Bill Thornhill collected two assists, Rene Plante and Bob Leger, one each.

Stouffville vaulted into a 3-goal lead in the first period and never were headed. Some fine goaltending by Alliston kept the total down. Wayne Fraser spoiled Lvn Forsyth's shutout bid. It was a clean-cut shot, giving the local cage-guardian no chance.

Goaltenders star

STOUFFVILLE — In Mite action, Feb. 2, Larry Fockler played a great game in goal to lead his Becker's Milk team to a 5-0 victory over Consolidated Sand and Gravel. Scorers for Becker's were Keith McGuckin (3), Brian Bowes (1) and Mike Gibson (1). Paul Barry earned one assist.

Brian Haining was the hero for the Stouffville Kinsmen as his great goaltending gave his team a 3-0 win over Country Ready-Mix. Brent Nicholls, Larry Ross and Kevin McGuckin were the goal-getters while Kevin also picked up one assist.

Richard Bartley picked up the third shut-out of the night when his work between the pipes gave his Lehman Shoes team a 5-0 win over Ravners Interiors. Steve Vaughan had 3 goals for the winners with singles going to Ken Welles and Bradley Brown who also picked up one assist.

In the only close match of the evening Aida Clean-

ers nipped Schell Lumber 4-3. Murray Johnston had 3 goals for the winners including the winner with Teddy Waite getting the other goal. Steve Legault and Bill Hamm earned one assist each. Harvey Schell, David Raymer and Andrew Redshaw got the Schell goals and Robert Kemp earned one assist.

Alliston likely Bantam rivals

STOUFFVILLE — The Stouffville Bantam All-Stars reached their peak last Thursday. After losing two regularly scheduled games to Markham earlier in the season, they bounced back in great style as they edged their neighbors 3-2 in an exhibition contest. This was their ninth successive win and a real delight to the large crowd participating in Minor Hockey Week.

Mike Sprague was the hero. With only one minute and eighteen seconds left, Mr. Sprague let fly from about twelve feet out to break the tie and the heart of the powerful Markham club. Wayne Norton and Mike Wightman shared in the glory by setting up the all-important goal. Kim Steckley and Don Reesor were the other marksmen.

It is possible that Bob Parish's boys will be meeting Alliston in the playoffs. At press time Alliston held a 2-0 lead in the best-of-three games series over Woodbridge. Their third contest was slated for last night (Wednesday).

Midgets host Woodbridge

O.M.H.A. Series opener to-night

"If we're going to win, we're going to have to skate." That was the observation of Stouffville coach, Ed Grimshaw after watching the Woodbridge Midget All-Stars take the second and final game from Alliston. Both fixtures were of the overtime variety with Woodbridge emerging the victors by 6-4 and 2-1.

Stouffville's Midgets won the toss so will play two of the possible three games in their own backyard. The first game is scheduled for tonight at 9:00 p.m.

In last Thursday's contest, North York's best tested Stouffville's best and returned home on the short side of a 5-3 outcome. It was a hard checking, hard skating exhibition — a good preliminary to the upcoming Woodbridge clash. The tempo of the first two periods was fast and furious and only for a brief interval during the final frame did the pace subside.

Stephen Morgan, a very recent acquisition, was a pleasant surprise for the winners as he wielded a hot weapon in blasting two goals. His first came in the opening period from Duncan Macdonald and Bob Bangay. Tally number two was engineered by Wayne Emmerson and Bangay again. It was a good night for Bangay who also counted a pair of markers in addition to setting up two goals. Brian Wilbur and Wayne Emmerson worked well all evening and they were responsible for assisting on both of Bangay's goals. Emmerson has worked himself back into condition as evidenced by his role in assisting on three of Becker's five goals. The other marker came from Bill Hassard who was helped by Gord Henderson and Larry Nichols. Frank Roberts and Greg Turner performed exceptionally well, particularly in their penalty killing roles.

Peewee pots pair

STOUFFVILLE — Stouffville Police defeated Stouffville Co-op 4-2 in Peewee Action, Jan. 28. Wally Schell led the Policemen with 2 goals with singles going to David Lang and Dean Pipher. Assists were earned by Chris McDermott, Paul Marshman and Carl Davis. Andy Leitch scored both Co-op goals with Cory Almack and Martin Cudlip getting an assist each.

Alndon Kennels took a close 3-2 win from D & A Construction. Scoring for the winners were Terry Wilson, Steve McConnell and Billy Meakes. Getting assists were Billy Meakes (2), Terry Wilson and Jim Grove. Blair Emerson fired both D & A goals.

Hetherington Electric defeated Civitan 4-1. Kent Wideman had 2 goals for the winners while Robert Bryant and Joe Thistel counted one each. An assist each was earned by Joe Thistel, Robert Bryant and Mark Lavoie. Eddie Leger counted the lone Civitan goal.

Mayflower Farms and Master Feeds fought to a 1-1 tie. Kevin Leonard put the Master Feeds club ahead at the 3:30 mark on a pass from Wayne Frizell. Scott McLeod tied the game for Mayflower at the 12 minute mark when he scored on a pass from Ron Assinck.

Peewee playoff rivals are still in doubt

STOUFFVILLE — Stouffville's Peewee All-Stars couldn't get untracked and as a result were defeated by a hustling Newcastle squad 5-1. Although the win was well deserved, the score wasn't truly indicative of the play. Two of Newcastle's goals were rather charitable. One came off a Stouffville skate and another was fired into an open net.

The IGA's lone goal was scored by Howie Jones from Keith Acton early in the third period.

This was the Peewees' last home game of the season. The following night, they took a 7-4 trouncing from Brooklin. It was a 3-3 stalemate at the end of the second period and then the roof fell in during the final frame.

Should the winner of the Alliston-Woodbridge series be decided before Thursday, and should Stouffville win the toss, there is a slight possibility that the playoffs could commence tonight at 6:30 p.m. In any event, a game will be played if playoffs don't begin, an Oshawa team will play an exhibition contest with the local squad.

Stouffville 'Clippers'

Where there's life - there's hope

STOUFFVILLE — It was a decisive 5-1 loss to Napanee but the 'Clippers' still have a slim chance of finding a playoff spot. They rest in fourth place, two points in front of Wellington. However, Wellington has two games in hand. It's a big 'if', but if Stouffville wins their remaining three games and Wellington loses two of their final five, the 'Clippers' will earn a berth in the money series.

In Wellington's favor, two of their games are with the 'cellar-dwellers', Cobourg.
 Tuesday's fracas provided more fighting than finesse. After several calls considered questionable by the partisan Stouffville fans, the local crew wound up with a total of fifteen penalties to eight for the visitors.

The 'Clippers', after their double wins over Wellington just didn't have the spark, nor the luck, to rise above the general level of mediocre play.

Napanee notched three tallies before Stouffville brightened the board early in the final frame. Ike Hodgson made it look easy at 1:27 on a passing pattern which included Al Paterson and Art Ren-

nick.
 In the recent return game with Wellington, the 'Clippers' took a sudden death decision 5-4. It was seventeen minutes beyond regulation time when Ray

Winterstein counted the winner.

Stouffville meets Cobourg Sunday and then returns home for a crucial clash with Whitby, Feb. 10 at 8:30 p.m.

Speed skaters compete

STOUFFVILLE — Kevin Acton, Burkholder Street, Stouffville, placed second in the 300, 500, 1,000 and 1,500 metre events in the Intermediate class at the Ottawa Speed Skating Championships, Jan. 31 and Feb. 1.

The competition, held at Anglesea Square, was officiated by Governor-General Roland Michener.

Keith Acton did not participate. He was playing hockey in a tournament at Port Perry.

On Jan. 24 and 25, in Olympic style Ontario Championships near Richmond Hill, Kevin scored a third in the 500 metres and fourth in the 1,500 and 3,000 metres.

Keith, a Midget entry, placed first in the 200 and 300 metre events.
