Neighbors meet over damaged fender

By Jane Schweichert. **MUSSELMAN'S LAKE** - In the country, a sudden meeting between neighbours can occur under the strangest circumstances. Like Thursday, March 5 at the intersection of Wylie's Corner and the South Lake Road. Going in one direction was Mr. Wesley Bredon, on his way to work in a blue pickup truck. Headed in the opposite direction was me, Jane Schweichert in a red station wagon. Suddenly crash - we met, quite personally, over a crumpled fender. Constable Bruce Wood assessed the damage and obligingly pried one wheel loose, so I could be on my way. I suppose, that's one way to gather news. In the future, however, I intend to use more conventional and less expensive means.

Brieininger, twins Patricia and Robbie aged 3 and Gary aged 5, of West Hill. Mr. and Mrs. Roy Draper, Scarborough visited Mr. and Mrs. Paul Weber, Maple Grove Avenue, March 7. Best of luck to Greg Griesbach, Hillsdale Drive, who is running his rabbit ranch single-handedly. Greg's father, John was called away suddenly 2 weeks ago, and is now in Germany with his ship the M.V. Quebec. With the shipping season now underway, John is not expected home until next winter.

Wilcox, for many years a Gormley resident, now of Granville Ferry, Nova Scotia, is spending this week with her son-in-law and daughter, Dr. and Mrs. David Tinker and boys.
