

**Temporary repairs prolong life of age-old Markham bridge**

East of conc. 10, Markham Township on 16th Avenue is an old steel bridge, one of the few left in the municipality. While the date of construction is not recorded, it goes back to the late 1800's according to department foreman, Trainer Canning. Repairs to the structure are nearing completion to keep the right-of-way in service until money is available to finish the job.

**THANK YOU**

May Syl and I take this opportunity to thank the people of Stouffville for their support during the past two years that we were in business there.

As most people already know, we have sold our business in Stouffville and bought a business in Bradford which consists of Restaurant, Cabins and Boat Rentals.

This was one of the hardest decisions we ever had to make due to the fact that not only did you become good customers but also good friends.

Gord Hawkshaw will be your new store owner. Gord is from Oshawa and has proven himself very well in this line of work.

Yours truly,  
PHIL & SYL McBRIDE & FAMILY

P.S.—Visit us in Bradford anytime.

**GET A YEN TO TEST DRIVE a COROLLA**

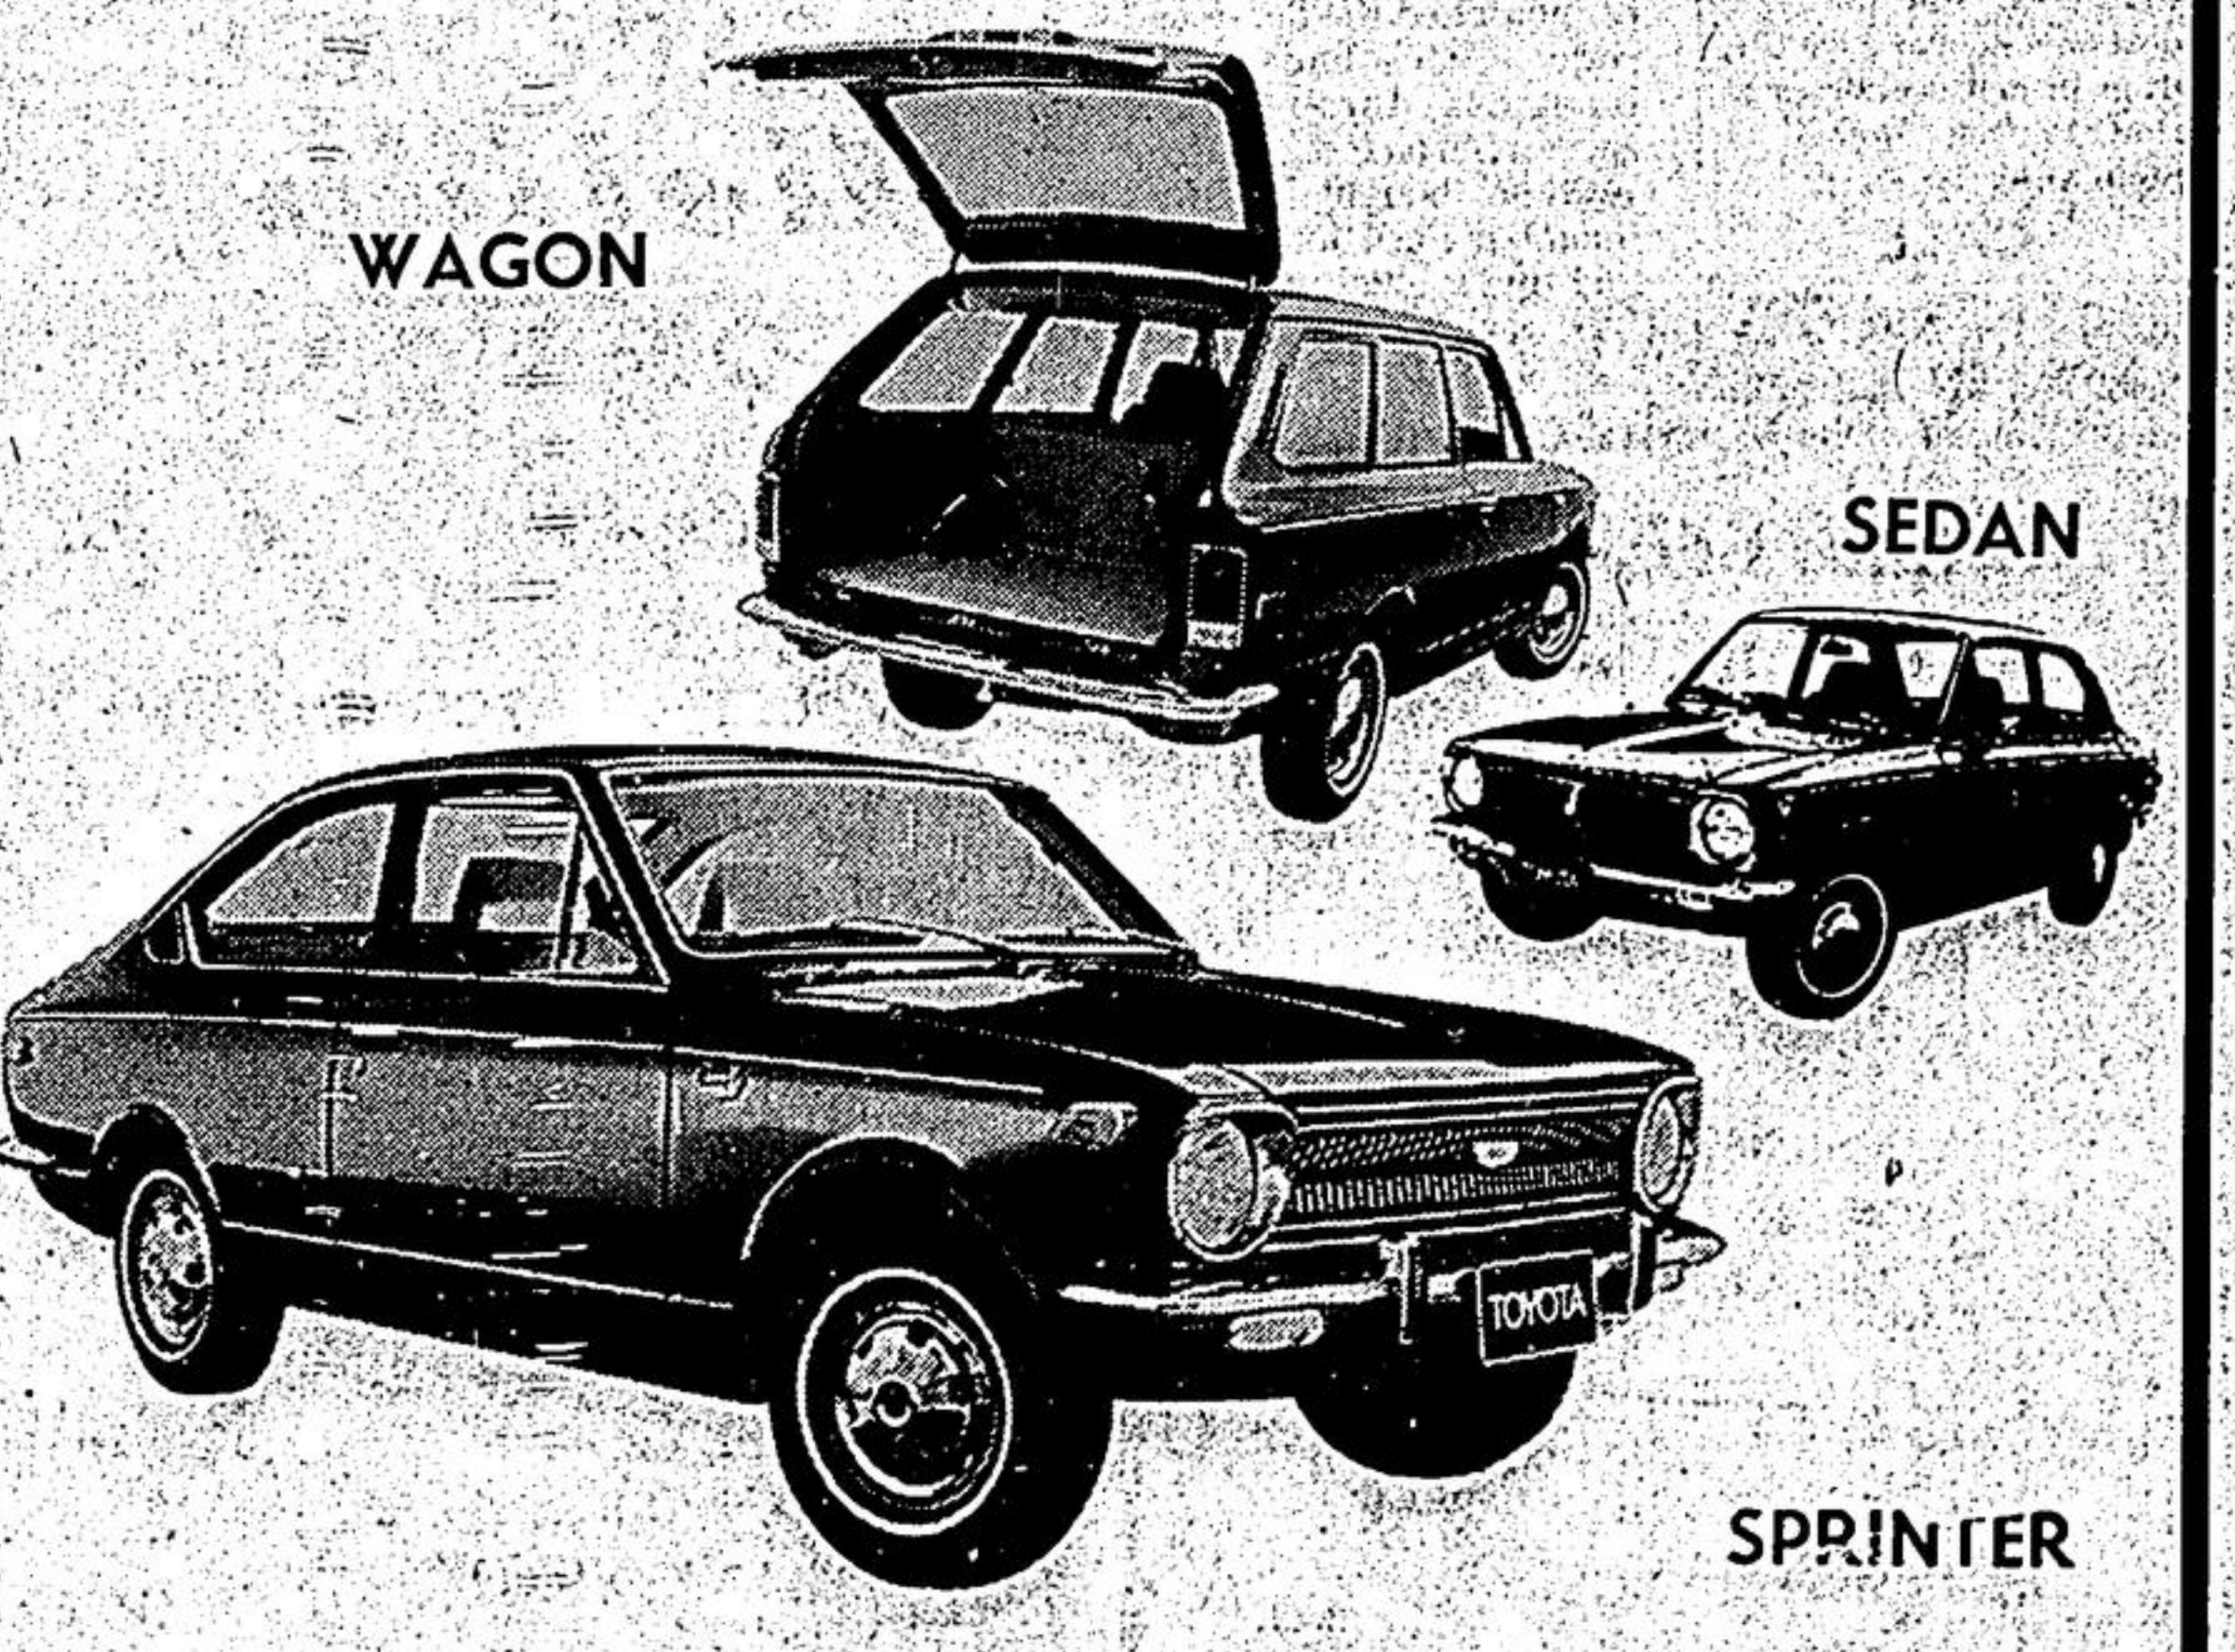

We've got a yen. A real genuine Japanese Yen.

Be the first on your street to get one! All you have to do is find a little time to test drive one of Canada's finest small cars. The **Toyota Corolla 1200**. Why the Corolla?

- \* Well for one thing it's the fastest growing economy car in the world today.
- \* It's the most powerful car in its class. (73 HP and a top speed of over 90 MPH)
- \* It comes in three different shapes: Sedan, Sprinter (Fastback), and Wagon.
- \* Among other things every Corolla comes with fully reclining front bucket seats, a 4 speed all synchromesh transmission (automatic is optional) a dual braking system, white walls, fresh flow ventilation plus plenty of safety and winter equipment.
- \* Both the car and the price are beautiful.

There are other cars that sell for around \$2,000 but they just can't compare to Corolla. To prove it, Toyota has declared the next few weeks **COROLLA TEST DRIVE TIME**. During this time if you come in for a test drive, you'll not only get a free yen, but a chance to win a **SONY PORTABLE COLOUR TELEVISION SET**. Winners' names will be drawn July 30th. So come on down.

Get a yen to drive a Corolla and compare it to every other car in its class. It's the best way we know to prove to you that we're better. See your dealer for full contest rules. Selected entrant must answer an arithmetical skill-testing question.

Toyota Cars Are Sold and Serviced from Coast to Coast in Canada, and Throughout the World.
