Student project

Raise a calf

By A.A. Wall
 Agricultural Representative for York County, Newmarket.

School is out this week for farm boys and girls, and they will be active right away in farm operations. It's great when they can take on a project of their own, and it's really big if it makes spending money for next year.

Here's an idea that's sure to work. Start one or more dairy bull calves on milk or milk replacer. Switch them gradually to calf starter and keep them going to about 200 lbs. Change them to a growing ration, 13 percent protein with antibiotics added, and feed free choice for about 90 days.

The calves should weigh about 500 lbs. at this stage, and go in the extra heavy veal class. There is a growing demand for these calves on the Toronto market. They were selling at around 36 cents last week, so that each calf brings around \$175.

Feeds costs have to come off, of course, and they will come to \$65. to \$75. There are lots of other costs that should be added but they aren't the out-of-pocket kind, so that the gross profit appears quite good. The original value of the dropped calf would have to be taken into account.

The big point is that calves could be grown out like this on many dairy farms, without increasing building, overhead, or labour costs. So the idea could be used as a good sideline, as well as a good family project.

4-H projects are very popular in York too. Meetings for all clubs will be held regularly now and there are many special events.

Dan McClure of Newmarket is our delegate to 4-H Leadership Conference at Guelph this week. A special Science Seminar, also at Guelph, will be attended by Wendy Norris of Pefferlaw, Pauline Johnson of Belhaven and Valerie Warriner of Markham.

A 4-H Conference is scheduled for York University later on, and those from our county will be Don Risebrough, Judy Norris, Paul Wardlaw, Marlene Warnock, Jane Yusko, Butch Cosburn, Norman Darrach, Donna Hope and Tim Henshaw.

Plowmen plan match

ONTARIO CTY. — The officers and directors of the North Ontario Plowmen's Association met June 8 in the Beaverton Town Hall to make plans for the district match.

The date has been set for Oct. 8 on the farm of Vyse Westcott, Beaverton, R.R.3.

Committees include: Staking—Vyse Westcott, Donald Smith, Beaverton; Morgan DeGeer, Mt. Albert and Clarence Breen, Zephyr. Lunch and Banquet—Vyse Westcott, Donald Smith and Russell Morrison, Beaverton.

Tractor—Vyse Westcott, Beaverton. Jr. Match Committee — Les Smith, Sunderland; Donald Smith, Beaverton and Ivan DeGeer, Mt. Albert.

Approve school addition

YORK CTY. — The York County Board of Education adopted a recommendation, Monday, to authorize the construction of a \$200,000 addition to the Mount Albert Public School.

The school, which serves the east half of East Gwillimbury Township, has a present enrollment of 503. The actual capacity of the building, built in 1966, is only 400. The remaining students are housed in portable classrooms.

The addition will consist of three classrooms, a health room and a library resource centre.

Whitchurch girl wins W.I. award

Selected from nine entries

WHITCHURCH TWP. — Seventeen year old Jean Miller, a Grade 13 student of Stouffville Dist. Secondary School, has been selected winner of the York Women's Institute 1970 Scholarship.

The presentation will be made on Thursday (today) at a meeting in Vellore, Vaughan Twp. The amount is \$100.

Jean is the daughter of Mr. and Mrs. John Miller, conc. 6, Whitchurch. She plans to enroll at the University of Toronto in the fall and will specialize in rehabilitation therapy.

Nine girls from across the County were entered as candidates. Marks were based on many areas of achievement including 4-H work as well as academic standing.

As a member first of the Agincourt 4-H Club and later Stouffville I, Jean completed 4 units in a period of nine years. Current leaders are Mrs. Bruce Davidson and Mrs. W.R. Joyce, both of Stouffville, R.R.1.

Interest in 4-H projects has always played an important part in the life of her family including brothers, Murray and Ernie and her sister, Margaret. B.

The community offers its congratulations.

Consignment sale

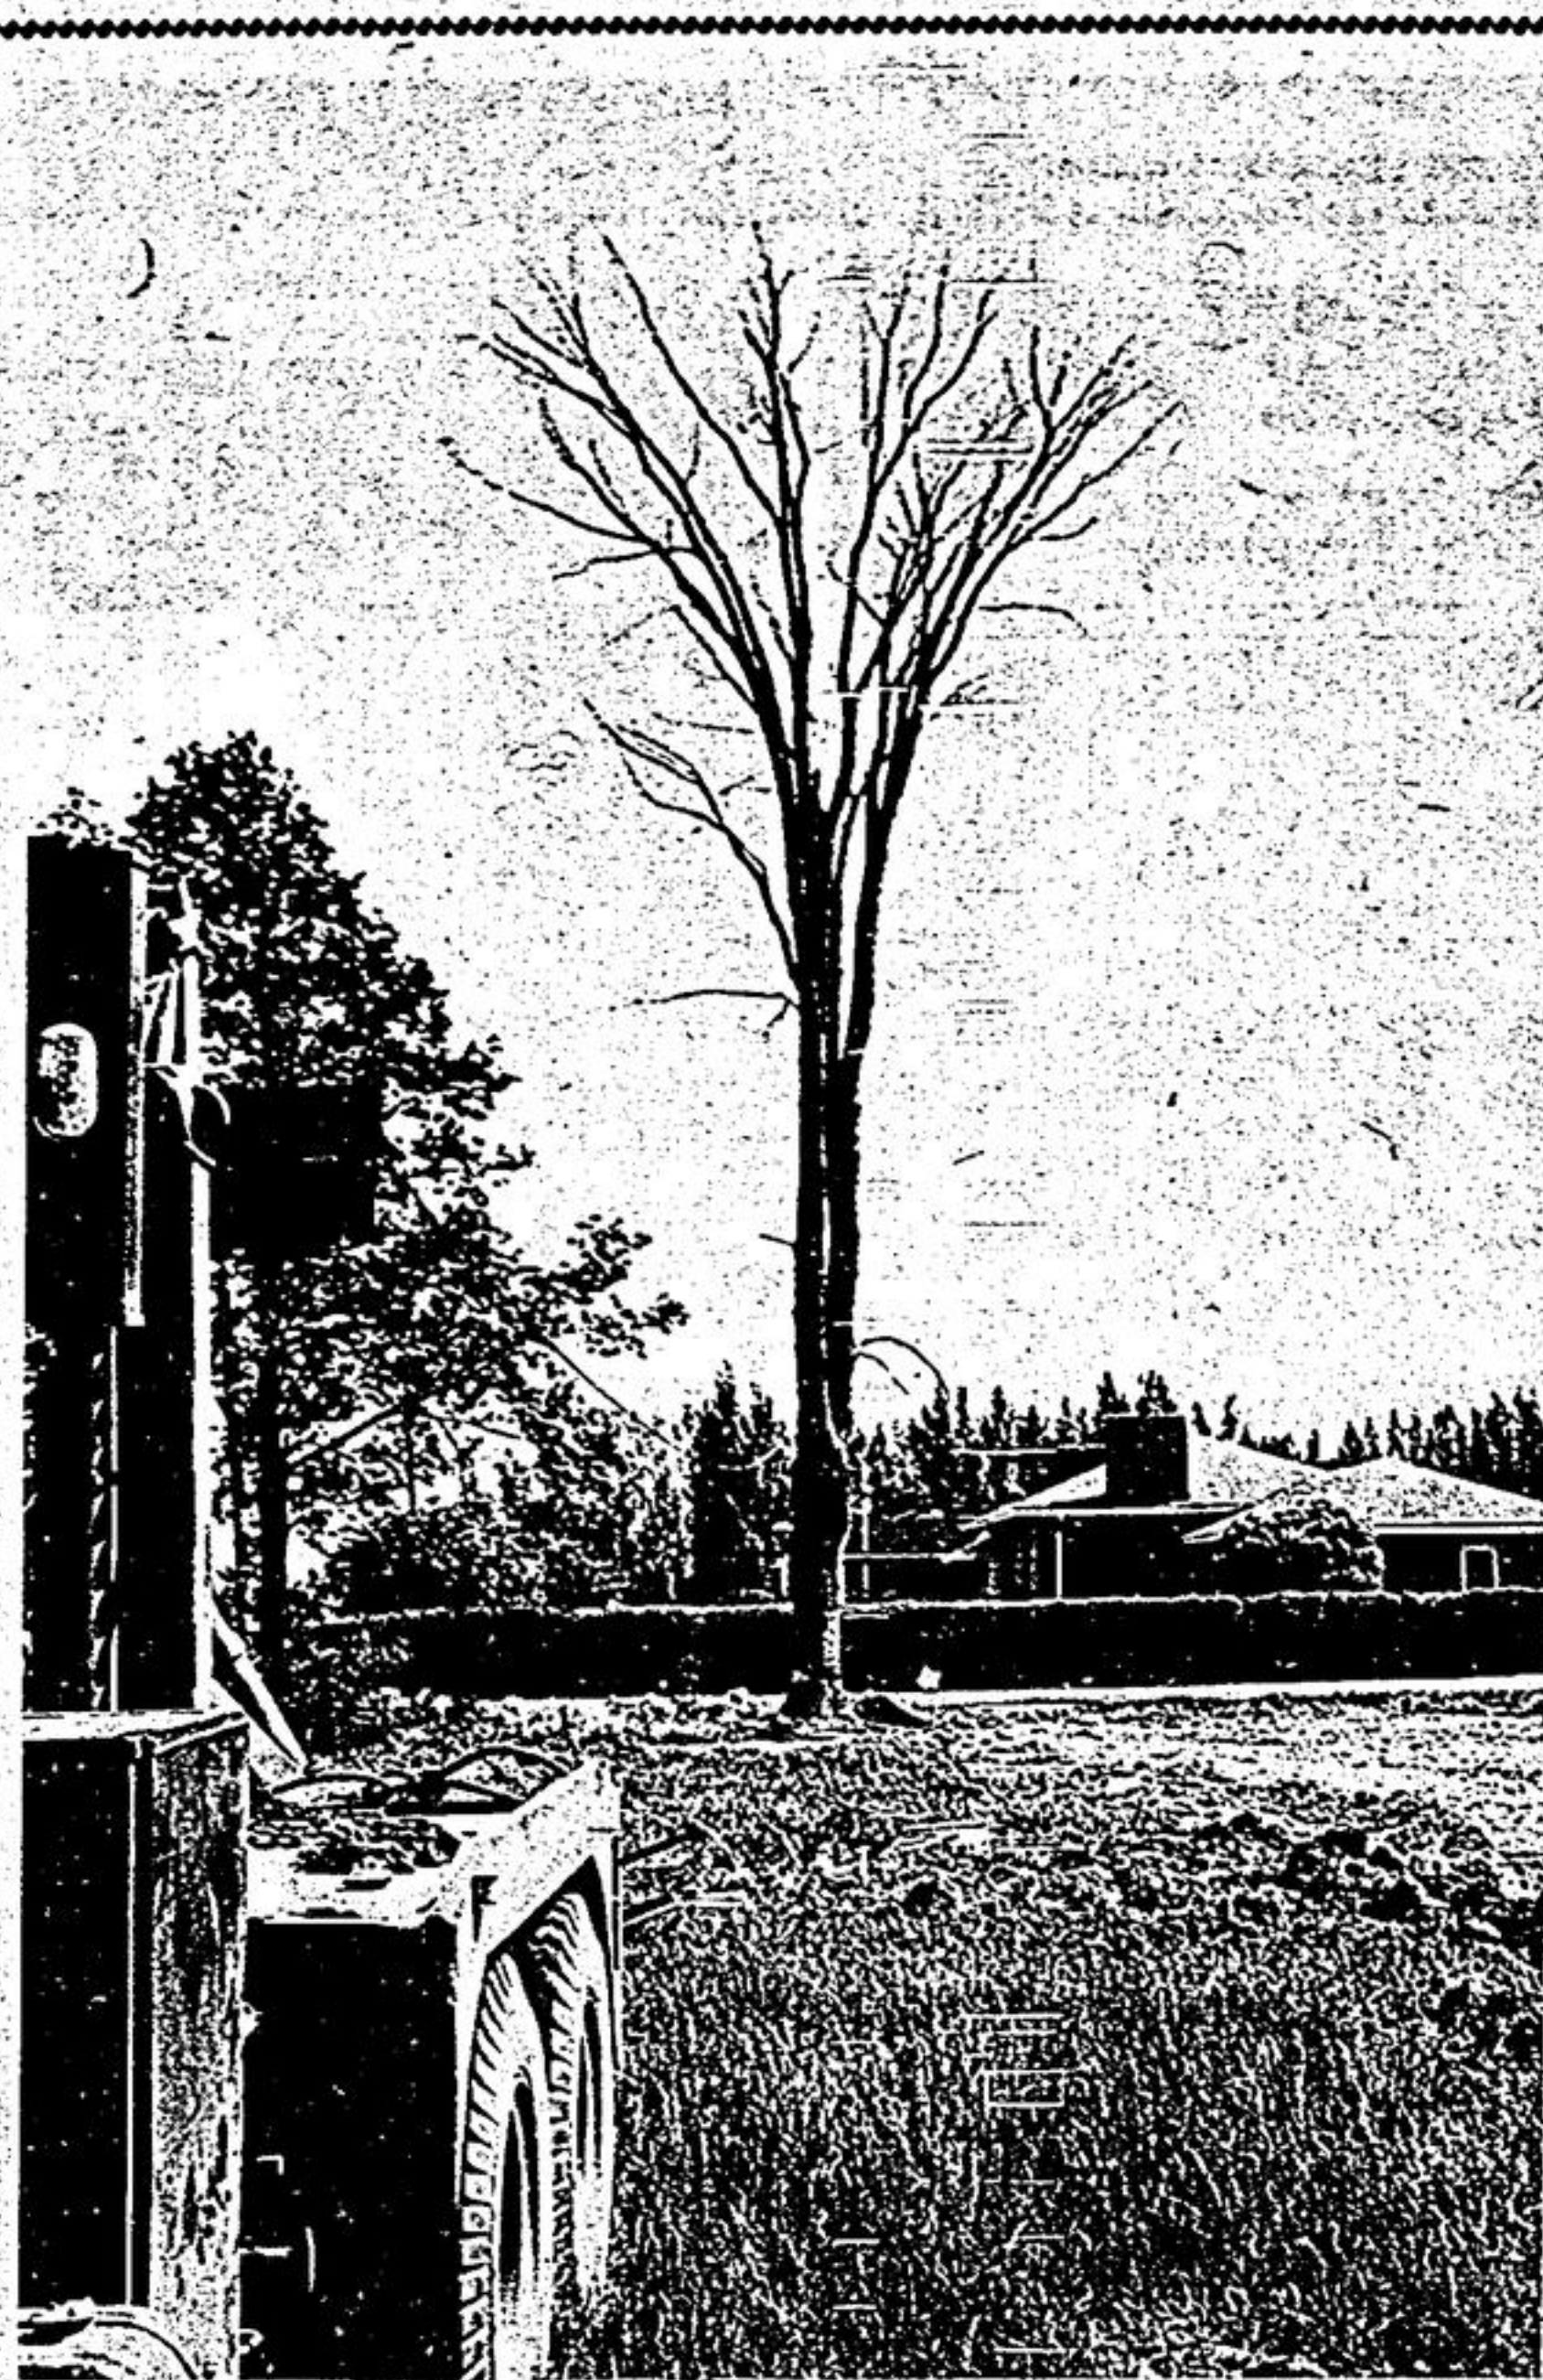

STOUFFVILLE - Dairy cattle consignment sales have become popular at the Stouffville Sales Arena, Hwy. 47, north of town.

Such an auction is scheduled for Thursday, July 2 beginning at 7.30 p.m.

An excellent selection of fresh cows and springers, two year olds and heifer calves are assured. Some are pure bred with R.O.P. records as well as grade stock.

The auctioneers and sales managers are Frank Bennett and Norm Faulkner.

Trustee, Mrs. Louise Aimone, commented that the school would not be large enough, even with the addition, if the community were to expand. One small subdivision and infilling within the village are anticipated.

Another elm falls victim to dread disease

Whether the site be town or country, the once mighty elm has little hope of survival. Their skeleton forms dot the landscape everywhere. This one, on a lot at Elm Road in Stouffville, was toppled with the aid of a tow truck, when nearby homes were threatened.

—Peter Harris
