Prices level off

Toronto Real Estate Board members sold 1,059 properties for \$31,789,471 through Multiple Listing Service in March this year compared to 1,469 sales for \$42,903,057 in March 1969. In the first quarter of this year, MLS accounted for \$87,287,602 against 3,655 sales for \$106,905,060 in the corresponding three month period of last year. House prices are stable. There is no decline in prices although they seem to have stopped going up.
