Councillor 'shocked'

Altona fire issue

PICKERING TWP. Pickering Township councillor John Kruger said he was 'shocked' over a story in The Tribune recently that claimed a fire call, answered by the Stouffville brigade at an Altona property, had not been paid. Councillor Kruger said the bill, amounting to \$120 had indeed been approved. He expressed regret that the matter had become an issue. Clerk Douglas Plitz explained that a cheque had been sent to Stouffville following council's ap-

proval. He noted, however, that a second account for another fire had since been received and would be discussed by the fire committee.

Editor's Note: Walter Smith, the fire chief of Stouffville has contacted Pickering Township's Chief, Don Lynde with regard to the bill (\$230.) in an effort to resolve the matter and establish a policy with regard to attendance by Stouffville at fires in the Claremont coverage area.
