Attendance drops

By Jane Schweichert  
**MUSSELMAN'S LAKE**  
 The Children's Saturday Theatre is still operating at the Whitchurch Centennial Centre but its future is in jeopardy. Interest and attendance has fallen off and club finances are in the red. It's family entertainment at its best and worthy of support throughout the Whitchurch-Stouffville area. This Saturday, at 9 a.m., the show will feature 'Old Yeller' with Walt Disney's 'Cinderella' coming soon. Admission is .50 cents.

Residents of Musselman's Lake and Bloomington are showing increased concern over the lack of traffic signals at the intersection of conc. 9 and Bloomington Road. If the matter concerns YOU, write to Chief Engineer A.J. Rettle, Toronto and York Roads Committee, Box 296, Newmarket. And, make the candidates for Mayor and Council aware of your concern also.

Home from a summer-long vacation in Berlin, West Germany are Mrs. Irmagard Geunther and sons Stephen, Paul and Eric, Hillsdale Drive.

Mr. and Mrs. E. Sidsworth, Eddie, Penny, Laurie and Lisa have returned from a summer vacation in the French River area of Sudbury.

The Patrick Cashman family are also home from a summer-long vacation.

Your correspondent and family enjoyed a short vacation at Inverhuron Provincial Park. Nearby was the nuclear generating station at Douglas Point. Debra and Sylvia had great fun playing with geiger-counters, watched movies and slides, sampled heavy water and pushed endless buttons on display models. There are miles of fascinating nature trails, wind-swept dunes, sand beach and rocky coves. My feet are still recovering.
