## Clippers' organize

STOUFFVILLE - Ken Roberts, Manager of the Stouffville Clipper Hockey Club for the past several years was elected President at a recent organisational meeting. The new Manager is Frank Wilbur. Roger Todd will be his assistant.

Another veteran hockey executive, Keith Sutherland was chosen Secretary with Walt Todd, Treasurer. An expanded roster of directors was decided upon to assure a wider range of ideas during the 1970-71 hockey campaign. They include Walt Booth, Charlie Grove, John Lehman, Jack Watson, Ed Grimshaw, Ross Madill, Roger Todd, Clare McGuckin, John Foulds, Gord Ness and Don 'Jake' Harman.

Clipper training camp begins Sunday, October 4 at 9.30 p.m., and will continue on the following Tuesday and Thursday nights. Frank Wilbur is hopeful that all of last year's squad will return along with a few new recruits to bolster Stouffville's chances in the Intermediate schedule. Exhibitions are being arranged and will be announced later.

### Hassard at Aurora practice

STOUFFVILLE - Applying the old potato rule that 'if they're big enough, they're old enough', Aurora 'Tigers' have asked 15 year old Bill Hassard to sign a hockey contract. Although still eligible for Midget play, Hassard, one of Stouffville's most promising products of the minor hockey program is wanted by this Junior 'B' club.

Bill has adopted a wait and see attitude. "I want to be sure before I sign that I can be released to Stouffville if it means a season of bench warming." Hassard reported that recent drills. have attracted 45 hopefuls, including 6 goalies.

Last year, the Stouffville star played regularly in the Midget division as well as working occasionally in Juvenile and even Intermediate fixtures. He never looked out of place at any level. It was obvious to many that the challenge of playing beyond his age group brought out the best of his skills. Aurora's observers must have noticed this too.

# Tribune ONE WIN FROM FINALS

### Peewees host Sterling Saturday

STOUFFVILLE - The Peewees,, Stouffville's last hope for an Ontario Championship, could advance to the Provincial finals, Saturday.

They need one more win over Sterling, who come to town seeking to square the series. A large crowd is anticipated. Game time is 3 o,clock.

In the first contest, Stouffville travelled 110 miles to this community north of Trenton and returned with a 4 - 0 victory. Once again, Rick Marshman sparkled with a convincing four-hit effort. He struck out six and walked two.

Marshman's heroics weren't restricted to hurling, as he clouted a single, double and triple. Ron McDowell continued to show his power at the plate as he clubbed a round-tripper and a single. The Stouffville cause was also aided by Howie Jones with a single and a two-bagger.

Defensively, Keith Acton had to be alert as he recorded eight put-outs. Manager, Wilf Morley reported that 'the team is functioning as a welloiled unit and each win is everybody's win'.

If the Don Anderson Haulage boys triumph over Sterling on Saturday they will advance to the Ontario finals against Chatsworth or Beamsville. A loss would take them back to Sterling for a 'rubber' match'.

Tonight, the Peewees play the first game of the league championships with East Gwillimbury at 6.30 p.m. at Stouffville. Markham arrives tomorrow evening at 6.30 for an exhibition en-

### Claremont Peewees

### Oneida stalls team's title bid

CLAREMONT — One bad inning and one very good pitcher has put the Claremont Peewees behind the eight ball. As a result of Saturday's 3-1 loss to Oneida, they must win next Saturday in the victors' backyard to stay alive in their bid for an Ontario Championship. ... miles south of Caledonia, Joe Roloson stalled the

skating races at 3.30 p.m., Claremont Lions drive and a bean supper at 5.30. with a sparkling three-hit effort. His speed seemed to baffle the boys as they consistently swung late and seldom met the horsehide with much hickory. Batting practice will almost certainly be on the agenda this week.

Inning number two proved disastrous as the Lions were laced for three singles and a walk. This put the winners ahead 2-1 and they added another run in the sixth frame when they picked up two more safeties. Except for two innings. Claremont's Brad Staley pitched hitless ball and struck out nine batters.

Claremont's Danny Ellicott collected their only run. That came in the first inning. Later, Doug Rowe threatened twice but was left stranded on third base as his mates failed to bring him around. His single was duplicated by Brian Towner who died on first.

Only Ray Smith managed a pair of hits for Oneida, a double and a single. Brian Anderson, Kevin Mc-Carthy and Wayne Fearman blasted the others.

The second game of the best-of-three series is set for Oneida, located a few on Saturday at 5:00 p.m. A Claremont win would force a third game at Oneida:

The big question is ---Can they get to Roloson? One thing is certain. They will give it their best, just as they have all season.
