Ken Kirk needs \$3,000 to turn an old friend into a passing acquaintance.

Over the last few years Ken has gotten to know Harry, his neighbourhood mechanic, pretty well. Because Ken has spent a small fortune keeping his old car running. But one look at his latest estimate was enough to convince him that Harry was right all along. He did need a new car. Now if he only had \$3,000 to buy one. Ken should come to the Commerce and arrange for a Bankplan loan. Then he'd only see Harry for gas.

At the Commerce, we'll do all we can to help Ken buy his new car. We can do the same for you. With a Commerce Bankplan loan. And a sensible repayment plan to fit your own situation. Whether you need money for a new car, a truck or a trailer, ask for a Bankplan loan. And find out how more of us do more for you at the Commerce.

More of us do more for you at the Commerce.
