

High load strikes bridge

VANDORF—A wrecked car, loaded on a truck, landed on Don Mills Road, Oct. 14, when it struck the railway bridge in Vandorf. The impact embedded pieces of steel in the bridge structure. A minor rear end collision with damage estimated at \$25 resulted. The accident took place in heavy fog. Owners of the vehicle, Inland Steel of Sutton,

Car collides with cow

WHITCHURCH TWP.—A car driven by John Kerckes, 28, Banff Road, Aurora, suffered \$1500 damage when it struck and killed a Black Angus cow on the Aurora Road, Oct. 14. The animal was valued at \$400. The impact forced the car off the road, through a ditch and through a fence, releasing a number of other cattle onto the road. The accident was investigated by P.C. Ronald Lowcock.

Steam spectacle

Rounding the bend, north of the Stouffville station is No. 6218, the steam train excursion special on its way to Lindsay and Halliburton from Toronto, Saturday morning. —Peter Harris

Gentle — but so persuasive

ALTONA — For a time, the premises of Altona Feed and Supplies was a target for would-be thieves, but not any more. The reason — a 120 pound German Shepherd dog, owned by the proprietor, Fred Lewis and specially trained to protect the property. Mr. Lewis, in making application for a kennel licence, told members of Uxbridge Twp. Council that the animal, while highly persuasive, could not be considered as dangerous. The dog is tied up during daytime hours but allowed out at night, Mr. Lewis said. Two others, both females, and of the same breed, are receiving similar instruction. Mr. Lewis explained that while he had no desire to raise puppies at present, he might do so when the training period is complete. Clerk Elwood Foskett told members he was in receipt of several kennel permit applications. Following discussion, it was agreed that no kennel permits should be approved until after the Zoning Bylaw Hearing before the Ontario Municipal Board.
