Subdivision in an industrial zone, has been rejected on a tie recorded vote by Stouffville Council.

Opposed were reeve Ken Laushway and councillor Tom Lonergan. In favor were deputy-reeve Jim McKellar and councillor Ian Chapman.

Reeve Laushway argued that industrial buildup to utilize that much land, could be 25 years away. He recommended it be left as agriculture.

Councillor Lonergan concurred. He termed it unfair to residents already located there, to be threatened by industrial encroachment on two sides. Mr. Lonergan referred specifically to one

#### Hospital projects exceed \$13 million

YORK CTY. - Improved accommodation and facilities at both York County and York Central Hospitals, Newmarket and Richmond Hill will cost an estimated \$13,744,527 in 1971, a report before County Council revealed, Tuesday.

Of this amount, \$41/2 million would come from the County and the remainder divided two ways between the Provincial and Federal Governments.

The report was adopted. At both hospitals, the demand for services had increased from 10 to 25 percent over 1969, the report stated.

## All-candidates meeting Monday, Nov. 30

UXBRIDGE TWP. - Bruce Herrington, an unsuccessful candidate for the office of reeve in 1969, will give it a second try, Dec. 7 when Uxbridge Township ratepayers to the polls.

His opponent again is the veteran Bob Nesbitt, a winner by 80 votes last year. The final count was 427 for reeve Nesbitt and 327 for Mr. Herrington. ... A total of 22 nominations were received for the

five seats, Nov. 19. By deadline time, this number had been reduced to nine. The announced retirement of deputy-reeve Earl Dowswell has set the stage for a two-man battle

between councillor George Harvie and Donald Jackson, an ex-councillor and chairman of Planning Board. Seeking re-election to two of the three councillor

seats are Clark Muirhead and Darcy Higgins. Former councillor Frank Hendy has tossed his hat back into the ring along with Fred Lewis, Altona businessmen and William Thompson, Webb Sideroad, east of conc. 3.

It was on again - off again for ex-reeve Alvin Redshaw. He was nominated for the reeve's post but later declined. Others to withdraw were Aylmer Carter, Ron Adkin and Jim Bailey.

Platform remarks were brief, with members obviously saving their speeches for an All-Candidates' Meeting, Monday, Nov. 28 in the Goodwood Hall at eight o'clock. It is promoted by the Uxbridge Ratepayers' Association.

Deputy-reeve Dowswell and councillor Clark Muirhead ignited the only political sparks of the evening. Mr. Dowswell accused Mr. Muirhead of failing to attend all meetings, some of which he felt were very important. Councillor Muirhead returned the charge, claiming 'a hint of poison in the atmosphere'.

tax remittance. Mr. George D. Gibson stated that the protest is in objection to the soaring costs of education and the method by which property owners are assessed for school purposes.
