Bill Hassard led the Wexford Raiders, of the Provincial Junior A loop, to second place in league standings with some of the spirited leadership we know Bill can show. BILL was the hero in Sunday's clash with Aurora, Saturday night, at home to Richmond Hill, Rams, 'HAZ' had to compete with old friend BOB BANGAY for first star. BANGAY scored two in a losing cause for the HILL. Wexford trails the leading Rams by two points.

A reunion of sorts, during the Junior B game in Stouffville Monday afternoon, Les Duff, coach of the St. Michaels Buzzers, found the only good in the game in a between-period reunion with old teammate and fellow northerner, BOB McNIEL, from Stouffville. Duff, the older brother of N.H.L'er Dick Duff, was a standout player with Rochester Americans in the old A.H.L. The Willowdale Peewee Tourney, in which the I.G.A. Peewees from Stouffville participated, caused some local ripples. A misunderstanding arose when it was announced that the locals would compete in 'B' competition. This category became confusing when it was thought by some local fans that our Peewee B's should be competing. The 'B' category refers to the O.M.H.A. 'B' classification derived from population. (You're right, it probably is more confusing now.)

Some nights it's disappointing to our minor hockey clubs when they see how few people turn out to their hockey games. I know, for I get lonely down there some nights too. Last Friday, I went to see a Bantam game played in Bancroft between Whitney and Maynooth, a couple of towns with 500 or less. There were 650 fans on hand for the contest — some support? Wexford-Stouffville Junior B's have dropped the Raiders from their name, they will be called Wexford-Stouffville B's and they play Bramalea here Sunday night at 7.30.

St. Mikes play Santa Claus to Jr. 'B' Raiders

STOUFFVILLE — If the Wexford-Stouffville B's had only the St. Mike's Buzzers to play, they would have an outstanding command on first place. Monday afternoon saw them outshoot and outscore the visiting Buzzers, to the tune of 5-2. This was the second meeting in a week for these two teams and the game last Tuesday saw Wexford swamp the Buzzers 9-3.

In Monday's game, the first period went scoreless, but the locals outshot Buzzers' 13-8. St. Mike's goalie, Paul Rowan was real sharp in net.

Wexford-Stouffville went without regulars Bruce Garrigan and Bob France, out for the season with torn ligaments.

The second period saw Dave Watts score early for Wexford. The goal at the 51 second mark was set up neatly by Steve Majors and Bruce West. At the 14:32 mark, Dave Brown, filling in for absent Bruce Garrigan, put away a Steve Majors' pass. Brent Wright got the only other goal of the period, to end scoring with Wexford-Stouffville leading 3-0.

The third period saw

the visitors come out looking for a win. Greg Redf counted for St. Mike's at 4:26 and Dan Djackalovic scored at 6:08. Newcomer, Mike Lauder put the game out of reach with a goal, his first, at 17:45 of the period and Watts got his second at 18:25. Goal-tender Bruce Knaggs was strong in the Wexford-Stouffville nets, stopping many good St. Mike's scoring chances. The win put the B's into fifth place in league standings. They face Toronto Nats, Wednesday in Lambton and play Bramalea here on Sunday night.

She shoots — she scores

UXBRIDGE — Hockey is a man's game, or so the story goes. But better not believe it. Monday nights in Uxbridge, the shrieks of female voices rattles snow from the roof, but this time it is not the cheers of encouragement from female fans, but the shrills of combat. From ten o'clock on, the girls from Stouffville take over.

Organized by Linda Spence, 16 local lassies compete in friendly scrimmages. The ice rental in Uxbridge is twenty-two dollars an hour and Linda states it is less expensive to drive there, than take the ice in Stouffville.

The girls participating are: Dawn Schell, Marg Nauta, Joan Hill, Karen Rae, Jill Turner, Stella Pearson, Lois Emphringham, Barb Forson, Norma Smith, Ellen Pugh, Gail Heaton, Lin-

Ladies take note

All ladies who take pride in breaking the 200 bowling score barrier could maybe pick up a few pointers from Andrea Tuck, a member of the Saturday Morning Children's League.

Others with creditable scores include — Randy Zwer, 164; Terry Bishop, 153; Glen Ryfa, 155; Kim Gill, 126 and Wayne Baker, 135.

Doug Feasby

Keeps on improving

STOUFFVILLE — Doug Feasby has improved every game since the schedule opened in October. Doug has all the moves that will see him reach the Junior ranks in the next couple of years. In Thursday's game against Newcastle, Feasby counted three goals and had one assist. Stouffville went on to win 8-3.

Kevin Hamilton

started in the nets for the Holston Pharmacy boys. Whitehead took over in the third period.
