Share golden memories

BROCK ROAD — Every weekday at 4 p.m. Nellie Bradshaw can be seen walking across Brock Road North to the family garage where her husband Jack works. She is taking him his afternoon 'cuppa' tea — a convivial ritual that stems from their English parentage.

The garage has been in the Bradshaw name for 17 years; Nellie and Jack have resided on Brock Road for 42 and, on Jan. 5, they marked the 50th year of their marriage.

The well-known couple were raised in Toronto. Mrs. Bradshaw is the daughter of Mr. and Mrs. Charles Lewis and her husband's parents were Mr. and Mrs. George Bradshaw.

They recall that they 'spotted each other' at a Kew Beach corn roast and Jack had to ask Mrs. Lewis, with old world courtesy, for permission to take her daughter out on their first date. "He took me to see an act called 'Dumbelles' at the old Grand Theatre on Adelaide Street," Mrs. Bradshaw remembers, "and presented me with a box of Black Magic."

Mr. and Mrs. Jack Bradshaw, Brock Road, Pickering Twp., celebrated their Golden Wedding Anniversary, Jan. 7. Family relatives and friends, many from a distance, attended the gathering. —Jim Thomas.

The young couple were married in St. Monica's Anglican Church. Eight years later, they moved to Brock Road. "Back in the 30's I used to have to walk 2½ miles to the bottom of this road, through the snow, in the winter," recalls Mr. Bradshaw who was a mechanic and chief supervisor in Toronto Motor Car Ltd., Toronto, before he set up his own business.

Though skilled at working with mechanical horse power, during his married years, handling horses became his hobby and love. He keeps saddle horses and still has a 28-year-old Clydesdale he raised from a colt.

Mrs. Bradshaw enjoys travelling and weekly bowling with a senior citizens' group and both she and her husband are keen snowmobilers.

In assessing 50 years of togetherness, Mr. and Mrs. Bradshaw consider it important that partners of different temperaments be able to argue pros and cons and 'get things sorted out', without remaining mad at each other at the end of a day.

Their only son, Jack, is a partner in the family business. They have two grandchildren, Daryl and Cheryl.

Sunday was 'open house' at the Bradshaw residence. A time for casual dropping-in, anniversary congratulations and good wishes.

For Jack and Nellie Bradshaw, of course, it was the Golden opportunity to share a convivial 'cuppa' with their family, neighbors and friends.

Announce New Healing Substance: Shrinks Piles

Exclusive healing substance proven to shrink hemorrhoids and repair damaged tissue.

A renowned research institute has found a unique healing substance with the ability to shrink hemorrhoids painlessly. It relieves itching and discomfort in minutes and speeds up healing of the injured, inflamed tissue.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most important of all — results were so thorough that this improvement was maintained over a period of many months.

This was accomplished with a new healing substance (Bio-Dyne) which quickly helps heal injured cells and stimulates growth of new tissue.

Now Bio-Dyne is offered in ointment and suppository form called Preparation H. Ask for it at all drug stores. Satisfaction or your money refunded.
