

# Rolls record 900

**STOUFFVILLE** — If a haze of smoke encircled the Stouffville Bowling Centre, Monday afternoon, it came from an alley occupied by Elmore Barkey, Markham, R. R. 2.

Mr. Barkey, performing in the Horticultural Society League, rolled up a three-game total of 900, the highest this season. He counted nine strikes in a row with single scores of 335, 316 and 249.

His highest on any previous occasion was a 308.

Mr. Barkey doesn't consider himself a "league bowler" in the true sense, says he's much too old for that. "I do it just for fun," he said.

As for an explanation of the 900 total, Monday, he modestly called it "a complete accident".

# Holey Rollers lead

Team standings in the Tuesday league are: Holy Rollers, 87½; Team Canada, 74; Whiz Kids, 70; Ding-a-Lings, 68; Strikers, 64½; Odd Balls, 56.

Summer fun assured for this family

Monty MacEwen, Winlane Drive, Stouffville, was the winner of a Honda Mini-Trail, in a draw sponsored by the local Legion. For the MacEwen family, their summer fun is assured. For sons Tommy, 7 and Paul, 6, are

already enjoying their new 'toy', even though they're too young to drive it. The bike was donated to the Legion by Fred Lewis of Altona Feed and Supplies. — Jim Thomas

# Editor's Mail 'Sick' Campbellford fans

Dear Editor: This letter is addressed to everyone in Stouffville who enjoys good hockey. Our Stouffville Juveniles are now in the playoffs with Campbellford. They have their back to the wall and must win the next three games — and they can do it. The first two were lost in overtime and they were close contests all the way.

The Stouffville players have been subjected to abuse from the Campbellford fans to a point that is unbelievable. While in their town last Friday, spectators surrounded our bench, taunting, jeering and swearing for two hours. Even in our own rink, the Stouffville players were hemmed in by loud ignorant women who use language that would cur your hair. This put our players at a psychological disadvantage. It is hard to concentrate on

hockey in an atmosphere of this kind. I am not suggesting retaliation. This would put us on the same sick level. Stouffville fans are not like that. I am hoping to stir up some enthusiasm that will fill the Campbellford Arena with Stouffville supporters, especially around our players bench. They are a fine bunch of boys and tremendous hockey players. They and their

coaching staff deserve your support. Come out by the carload Friday, Feb. 23 at 8:45 p.m. to Campbellford. The coach Harold Hodgson, and his staff Dave Slack, Paul Stover, Ray Steele and Bud Lehman will appreciate it, and so will all the Stouffville Juvenile players.

Sincerely  
Ted and Elsie Jones  
Stouffville

Richards' Equipment were ill-equipped to handle a peppy Hunt's Sunoco squad who peppered them 6-2 on goals by Glen Gibson (2), Ron Assinck (2) Robert Hargrave and Ken Kerrigan. The opposition's goals were credited to Len Ashbridge and Ron Schell.
