What'll it be? Just sitting down on the job... or the most productive ride you'll ever have?

Sit back and take it easy while you do great things for your lawn. Relax, while Toro's exclusive Wind-Tunnel action lifts the grass to cut smoothly, then sucks up clippings like a vacuum. Maneuver easily with Toro's adjustable steering wheel, column and up-front controls. Saddle your choice of 5 or 7 eager horses and cut a clean 25' swath. Optional attachments include a dumpcart, dozer blades, bagging kits — even a sweeper for large paved areas. Choose any of Toro's four hard-working riders. Then settle back and enjoy touring your property.

Lots of territory to bring under control? Shape it up with one of Toro's three energetic lawn tractors. They handle as easily as your car, beginning with Key-Lectric* starting. Lively 5, 7 or 8 HP engines power you through tall grass or rugged terrain as Toro's exclusive Wind-Tunnel* action cuts and bags cleanly. Your choice of wide 25", 32" or 36" cuts.
