4+2 BELT-O-STEEL

Hurry! First Come - First Served!

Steel-Belted—the almost indestructible tire that shrugs off nails, glass, road debris—and, more important, gets you more miles—is on sale! Canadian Tire is clearing all stocks of Belt-O-Steel at drastic reductions. Built with 4 Polyester plies plus 2 Steel Belts, the same quality—when sold under the manufacturer's own name at full list price carries a 40,000 mile guarantee. NOW, our Belt-O-Steel is *half that list price*—with 5-Year Road Hazard Insurance and 44-Month, 44% Pro-rated Wear-Out Discount Allowance instead of that mileage-guarantee. However, before you settle for Steel, check our superb values in 4+2 Glass Belts and 2+2 Polyflex.

4 + 2 GLASS-BELTED NYLON

About 10% less, and for most service, we think it's more suitable than Steel. The 4+2 Glass-Belt is the strongest of all Glass-Belt construction. And our 4+2 Belt-O-Glass Nylon, and 4+2 Turnpike Wide Track Nylon are *twice as safe*. (See our catalogue story: "Test that proved Nylon safer"). The 4+2 Glass Belted Nylons are 5-Year Road-Hazard Insured with 44-Month, 44% Pro-rated Wear-Out Discount Allowance.
