"Teen Pick of the Week"

Brighten any office

BALLANTRAE — The ability to take shorthand at 120 words a minute and type at 60 makes 18-year-old Rebecca Elson of Ballantrae an excellent choice as an office secretary.

However, the Grade 12 graduate of Stouffville Dist. Secondary School, has even more to offer. She's polite, softspoken and very pretty.

She's The Tribune's 'Teen Pick of the Week'. Rebecca is keenly interested in the activities at Churchill Baptist Church, particularly the Pioneer Girls. When originally contacted for an interview, she was busy painting the building's exterior along with several other young people in the community. She enjoys swimming, horse-back riding, volleyball and baseball. She has served as a camp counsellor at Bear Lake, north of Huntsville.

Rebecca comes from a large family with seven brothers and sisters. She's the daughter of Mrs. Lloyd Elson, Stouffville, R.R. 3.

While looking forward to her first full-time position this September, she readily admits she'll miss her friends at Stouffville High.
