

The Regional Municipality of York's Sewage Treatment plant, Park Drive South, Stouffville, will swing into full operation tomorrow. The addition to the plant cost \$308,000 with the expenditure being split equally by the region and Whitchurch-Stouffville, reported regional engineer Charles Colby, in charge of construction. Township Of Uxbridge AUDITOR'S REPORT AND FINANCIAL STATEMENT FOR THE YEAR 1972

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the Township of Uxbridge:

We have examined the consolidated balance sheet of the Corporation of the Township of Uxbridge as at December 31, 1972 and the statements of revenue and expenditure and capital fund operations for the year then ended. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of the Corporation as at December 31, 1972 and the results of its operations for the year then ended, in accordance with accounting principles generally accepted for Ontario municipalities applied on a basis consistent with that of the preceding year.

DELOITTE, HASKINS & SELLS
Auditors.
