Our Belt-O-Steel tires are priced here to clear for \$34. or more per pair less than manufacturer's newspaper advertised sale price. Identical tires except for the name! Steel added magic to imported radials. Does as much to improve bias-belted tires, to fit your car without modification. If your local Canadian Tire dealer runs out of stock ask him either to rush order or supply Multi-Cord Steel Belts.

Radial Tires roll freely, are reported to save gas, outwear close to 2 sets of ordinary tires, rarely puncture. Our "Safety 99" sidewalls of moisture-proof, fatigue-resistant Polyester, stay stronger longer, bulge less, resist debris!

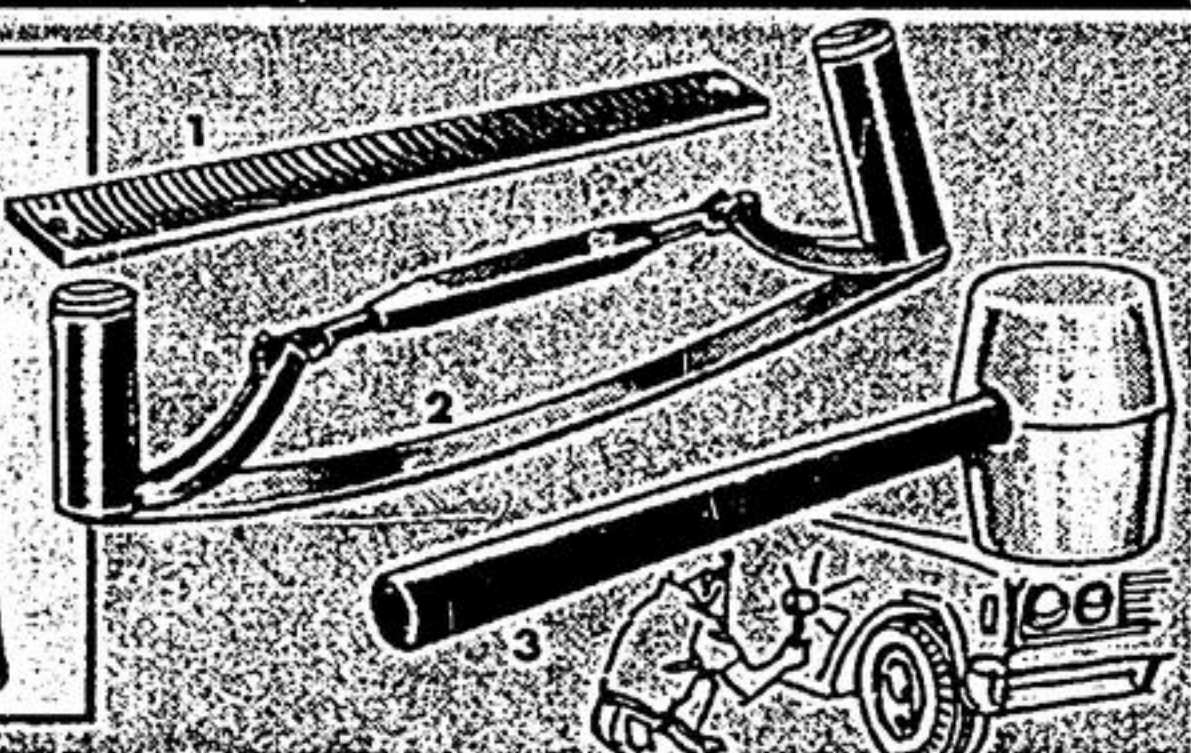

A Canadian Tire Radial purchase carries an automatic 10-Day Money-Back Trial Period. If you're not satisfied, Refund covers the alter-allowance invoice-price but not the \$1.00 Valve/Installation package-deal or Balance.
