Fires take priority

STOUFFVILLE — Whitchurch-Stouffville's absence from the Ontario Firefighters' Association parade in Markham, Aug. 6, has been questioned by convention organizers in the host town.

It had been presumed, that the brigade's new International ladder truck would form part of the procession, that included entries from other municipalities from

across the Province.

Contacted by The Tribune, Chief Walter Smith explained his department's problem this way. He said that with six of his regulars on vacation and the remainder pressed into service on three calls, he could neither spare the men nor the vehicles.

To have a fire and no fire truck would have been tragic, he stated.
