

Fire caused \$2,000 damage to a furniture truck on Don Mills Road, south of the Stouffville Road, Thursday afternoon, however a value has not been placed on the full-load of damaged furniture on the vehicle.

Chief Walter Smith of the Stouffville Dept. said a York Regional Constable hailed the driver over to tell him his truck was on fire. A cause to the blaze has not yet been determined. — Michael Gerhardt

Ashamed of some fans

By RENE RENNIE
CLAREMONT — I would like to comment before I get to the Claremont news, on last week's 'Roaming Around' column. I couldn't agree more with the views expressed in it. I do not attend hockey games, but I have watched many baseball games, and there have been times when I've been almost ashamed of some of my home-town fans. Particularly upsetting are the personal remarks they make on the general features of the umpires, coaches and players on the opposing teams. Ignorant spectators like this should see themselves as other see them, and realize they are far from perfect.

I have never understood why fans cannot enjoy the game for what it is — good, clean sport — and forget vindictiveness. This column has reported many times on the lack of interest some parents show in their support of their children's games, but if adult followers are going to embarrass kids by their unpleasant remarks, then we are better off without them. Cheers lend support, but jeers are demoralizing. Dave MacDonald's Squirt boys have received a bye in the next round of the O.R.S.A. series Aug. 27, they beat Brookville, two straight, 21-6.

Claremont's Bantam Boys went down to defeat 13-12 after some excellent ball against Inglewood Aug. 28. Coaches Larry Brown, Sam Towner and Frank Hill are credited with bringing their team this far in the series and the high calibre of play. Three out of six teams are still in the contests. Pee Wee Girls, Squirt boys and Midget Boys. Mrs. Margaret Hobday, her two daughters Bev and Mrs. Pat Jackson, were Sunday visitors at the home of Mr. and Mrs. J. Rennie and Marilyn Torrance. Installation of the new flood lights at Claremont Park is now completed.

Visitors at Greenwood

By Betty Pegg
GREENWOOD — With the opening of school, closing of the Exhibition and the end of the 'heatwave' in sight everyone should be back to normal routines very shortly. So many village residents were away over the Labor Day weekend only 12 persons attended church Sunday morning. Mrs. Doug Morden has been undergoing tests at Oshawa hospital for a respiratory ailment. The Maidow family has returned to Old Greenwood Road after a month's vacation in the North Country. Members of the Byberg family have also returned home, following a visit to their cottage and a trip West.

Clark and family spent the weekend at their son's cottage near Irondale. Mr. and Mrs. Ernie Trimble enjoyed the holiday weekend at the Wilson's Cottage on Lake Couchiching. Mrs. Andy Appleton of Port Perry spent a few days with her mother Mrs. V. Hicks recently. The Good Neighbors Club of Senior Citizens enjoyed an afternoon at the Centre in Greenwood. Mr. and Mrs. Don

mer neighbors in Greenwood. Mrs. L. McLean, Miss Beatrice and the Henning family attended the auction sale on the farm in Montegale where Mrs. McLean was born. Mr. and Mrs. Ken Brooks, Michael Rosalie and Teddy spent Sunday at Balsam Lake. Mr. and Mrs. Jim Jenkins of Sundridge along with Mrs. Ralph Wilson of Gravenhurst, recently visited Milton and Mrs. Pegg. Mr. and Mrs. Ed Pascoe attended the Port Perry Fair on Labor Day holiday. Mr. and Mrs. Don
