Educator bids for Board post

PICKERING TWP.—Three children, Morgan, Mrs. Lloyd Britton, a candidate to represent Ward 3 of Pickering Township on the Board of Education for Ontario County, lives in the hamlet of Altona. Two of her daughters, Susan and Gail are married, two sons Tom and Gord are students at Pickering High while her other

Sunday School, sports, and 4-H homemakers. She has always been ready to serve her community whenever needed.

Margaret assisted in the formation of the Altona Community Centre Association and has been on the executive since its inception. She was instrumental in the initiation of the Nursery School program there and is still chairman of it. She believes that the parents who engage in the co-operative elements reap as many benefits as the children enrolled. Interested adults are encouraged to take courses so that more people can become trained in this field.

As a graduate of London Normal School and McMaster University majoring in Social Science, Margaret has followed her teaching career in the areas of Essex County, Scarborough Township, Pickering Township and Ontario County. In Scarborough, administrative duties

were hers when she was principal of a small school for three years and later assistant principal of a larger one. More recently, she served as assistant principal in the Ontario County System.

Margaret's interest in learning, teaching and serving led her to attend Toronto Bible College and to become a Sunday School superintendent for a term of four years. She is a member of Christ Church, Anglican, Stouffville, and serves on ecumenical and interdenominational committees.

Students return to university
