

Gymnastics is gaining in prominence at Stouffville Dist. Secondary School and so also is 15 year old Jennifer Smith, Russell Avenue. It's her favorite sport. Jennifer is The Tribune's 'Teen Pick of the Week'. Jim Thomas.

'Teen Pick of the Week'

School gym star

STOUFFVILLE Jennifer, one of the top junior gymnasts at S.D.S.S., leans towards a vocation she presently enjoys best — gymnastics. She'd like to coach others to do what she does best. She's The Tribune's Teen Pick of the Week. Stouffville would choose a similar career. Not necessarily so — at least not yet. For

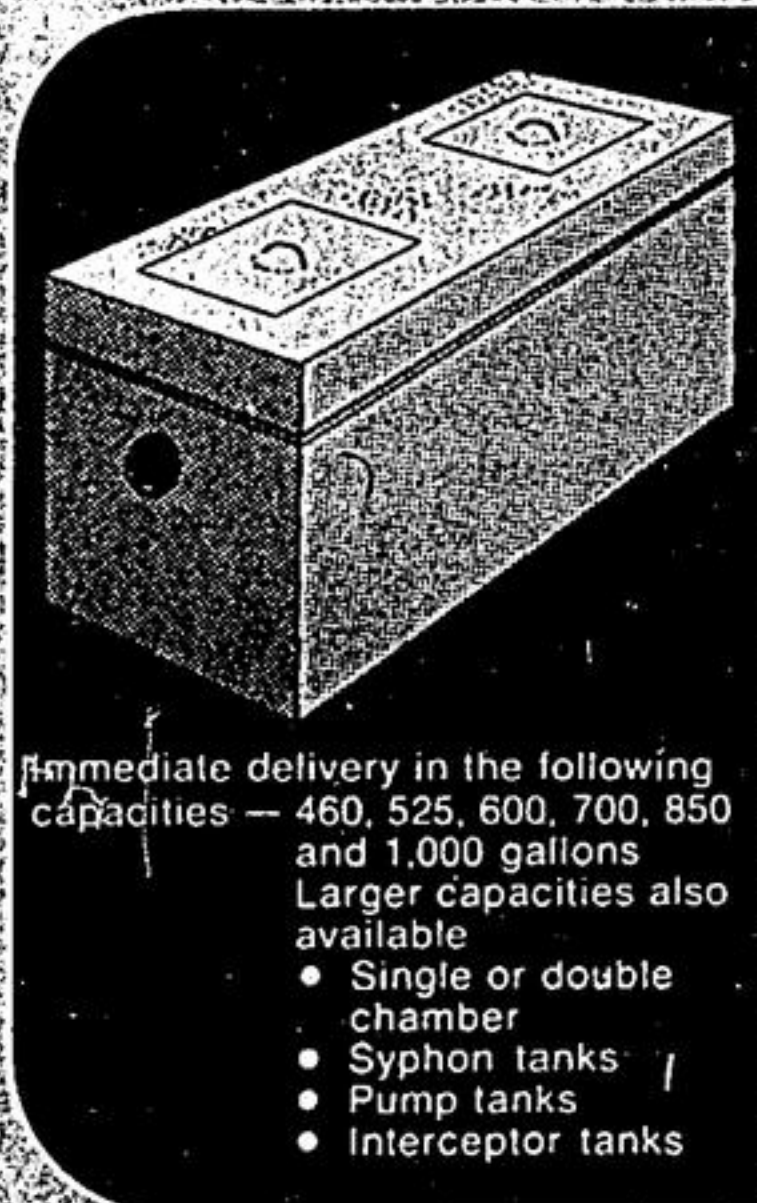

Smith. She has two sisters, Pat, 19; Shelley, 13; and a brother, Don, 18. Gymnastics is just coming into its own at Stouffville High, and Jennifer is pleased to be part of the program. She's a member of the gym club and next summer plans to enroll in a two-week gym course at the University of Western Ontario, London. This past summer, she attended similar classes at York University but only for one week.

Jennifer is a member of the junior volleyball team and this summer played firstbase with the Midget girls' softball club. She also swims a lot. However, her first love is skiing and her favorite resort is Beaver Valley.

While skimming over the slopes is an admitted thrill, Jennifer is just as much at home riding the waters of Georgian Bay. This winter, she may take her Leader Patrol in swimming at Vandorf Pool or enroll in a scuba diving course.

In addition to all this, Jennifer has other interests too. Much of her spare time is spent doing needlepoint or working with dry weeds. Beautiful samples of both may be seen in her home.

Jennifer expects to complete Grade 13 and then turn from gym student to gym coach or maybe — just maybe, train as a nurse.

precast concrete septic tanks

Our septic tanks are cast in one piece of the highest quality, steel reinforced concrete. They will meet the specifications of the Health Unit in your area.

- Designed to last a lifetime and unconditionally guaranteed
- Plastic pipe and fittings for weeping beds in stock for delivery with your tank

"Now you can make your money make more money by investing it at the TD bank."

At Toronto Dominion, we have several good investment plans. The kind that take over where our Cash-builder Plan leaves off. Tell us how much money you have to invest — and the length of time you can spare it. We'll help you choose the plan that's right for you. We have short term investments for large amounts. (Don't leave any large sum of money lying idle!) Long term investments for \$1000 and over. And our Six Year Savings Certificates which sell for as little as \$6.33*. (Buy one whenever you have some extra money. You'll be pleased with how much it's worth in six years' time.)

And here's a big plus for all of our Term Deposits. If you need your money ahead of time, you can cash them in for a slightly reduced, but still attractive rate.

To find out more, ask for the sheet containing information on our four leading investments or come in and talk to us any time.

We'll help you find ways to make your money make more money. Once you get started with TD Investments, we're sure you'll never look back.

Toronto Dominion Investment Plans. You'll never look back.
