

Professional Hockey doesn't have to be expensive.

See the Toros half the time for half the price.

We're the Toronto Toros. And this year we're introducing something that's brand new to professional hockey in Toronto—15-game season ticket packages. These packages give you the opportunity to see 15 of the 30 regularly scheduled home games, throughout the whole season. All these games will be played at Varsity arena; most are on Sunday with a few during midweek. Along with seeing the Toros play, one of the good things about these packages is that you'll get a crack at playoff tickets on a first-come, first-served basis. And you'll also be placed on our Toros preferred list that'll give you first chance at subscriber's tickets next year in our new arena. There's a limited number of these 15-game packages. (Of course, if you want to see all the games, our regular 30-game subscriptions are also available.) Contact us now, in time for the first game, by sending us this coupon or by calling the Toros ticket office at 961-7441 or your nearest Eaton's Attraction Office.
