Seventeen year old Sharon Todd is in her Grade 13 year at Stouffville Dist. Secondary School. She's very much involved in extra-curricular activities, including sports and Student Council. Following graduation, she intends to go on to university. - Jim Thomas.

The Teen Pick of the Week? She has personality plus

STOUFFVILLE - If there was a "personality prize" for the "student-graduate" of 1974 at Stouffville Dist. Secondary School, seventeen-year-old Sharon Todd would be a top contender. Sharon's a favorite at S.D.S.S. because she never pretends to be anything but herself. She's The Tribune's "Teen Pick of the Week". Sharon received her elementary education at Hunter Glen Public School in Scarborough, moving with her parents, Mr. and Mrs. Leslie Todd to a lovely home on the Stouffville Road, four years ago. She has three brothers: Doug, 15, Ross, 13, and Bryan, 8. Sharon loves the country, particularly that extra long lane that provides the necessary space to practice her driving. She and brother Doug were able to save up enough money in the summer to buy a second-hand car. Sharon admits that living outside town does create certain problems. "But Mom and Dad are really great," she says with a broad smile. "they're always running us back and forth." In and out of school, Sharon's life is a whirl of excitement. She's a member of the championship volleyball team, a Prefect, Secretary of the Student's Council, involved in track and field, a member of the senior basketball team and Ski Club. In the summer, she was a lifeguard and swimming instructor at the Stouffville Pool. She also worked as a waitress at Rolling Hills Golf and Country Club. Sharon doesn't brag about her golf game, despite the close proximity to the course. "My highest was a 50 on nine holes, but once or twice I picked the ball up and threw it a little," she admitted honestly. What of the future? Sharon's not sure. Right now, she's considering a course in Pharmacy at U. of T. or maybe Physical Education at the University of Guelph. However, her main concern is completing Grade 13 - and learning to drive.

The Voice of Bethel

Events usher in return

VOICE OF BETHEL
By Howard Minaker
In the past few days we have seen some unusual happenings. We have watched large and small nations buckle in their former policy determination. They have been forced to take a stand and condemn Israel. They have permitted the Arab nations to dictate what they must say in order to obtain oil. Who could have imagined that this tiny nation could have created such a problem - that the world would have been divided into two groups, either for or against Israel? Yes, who but God planned the entire course of these events. He had today's events pre-written hundreds of years before they would happen. By His command Israel was scattered among the nations for nearly two thousand years. By His declaration no nation was able to assimilate this people. They always remained a separate entity. At His Word they have been regathered from well over 100 nations. What a miracle! Jerusalem, that has not known Jewish rule since about 587 B.C., has reached this condition in our lifetime. These events, however, precede a much greater event to the born again Christian. I refer to the catching away of the Church of Jesus Christ. The Bible describes it in 1 Thessalonians 4:16 and 17 thus, "For the Lord Himself shall descend from heaven with a shout with the voice of the archangel and the trump of God. And the dead in Christ shall rise first then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air and so shall we ever be with the Lord." I am told there are newspapers on this continent that have assembled what is known as "The Second Coming Print". This print is larger than any that has been used heretofore. It is reserved exclusively to declare to the world the story of this great event.

Kinsmen need donations

STOUFFVILLE - Santa Claus will be arriving in Stouffville Saturday at 2 p.m. That is the word from Kinsmen Club President Jack Pollard. They will be hosting a parade to welcome the jolly old gentleman. In a letter to local businessmen, Mr. Pollard detailed the cost of the parade for the past five years. In 1968 the sum was a modest \$1,911.57, which grew to \$2,531.40 in 1972. "We were, thanks to your usually generous co-operation, able to meet these expenses," Mr. Pollard wrote. This year's expenses will be even higher and the Kinsmen will be soliciting local support.

No rest!

YORK REGION - For many citizens Sundays are reserved for attending church and enjoying things at a slightly slower pace. No so, outside the Compass Tavern in Newmarket. There, during the early morning hours, a fight broke out that developed into a full-scale brawl. It attracted a sizeable crowd and police were called. While several of the combatants escaped, five were arrested. Charged with causing a disturbance are: John Wayne Kessel, 20, R.R. 1, Milliken; Gary Peter Feduk, 18, of Sciberras Road, Unionville; Gary Lloyd George Hamerston, 22, Manitoba Street, Stouffville; Maris Robert Paulens, 19, R.R. 4, Stouffville; and Douglas Arthur Puddicombe, 21, of Newmarket. They will appear in Provincial Court, Newmarket.
