

Doug Smith

Four goals

STOUFFVILLE — Apache Freight and Hetherington Electric fought a 2-2 tie in the only close game of Peewee House League action Jan. 12.

Hetherington opened the scoring on a goal by Jim Hulshof, then Apache tied it with Mike Brunt's marker. The Electric squad made it 2-1 when Chris Burke counted before Apache knotted the score on Dave Ross' score.

In a one-sided contest, Master Feeds overwhelmed Pine Hill Mazda 6-0 as Doug Smith scored four goals. Single markers came from Paul Brunke and Steven Legault. Shane Coxwell and Kevin Jamieson managed two assists.

Stouffville Co-op blanked Legion 4-0, with Mark Simpson scoring two goals and picking up one assist. Jim Jessup and Paul Ramer counted for the winners.

D & A Construction easily handled Mayflower farms 6-2. Bradley Brown scored two goals, with singles going to Neil Davis, Allen Davis, Greg Murphy and Bill Hamm.

Perry Pettigrew and Scott Sommerville scored for the losers.

Peter Hughes assisted on two goals for the winners.

It was a day of lopsided games in Peewee House league Jan. 5 as Co-op slammed Master Feeds 12-3; Hetherington Electric dumped Legion 8-3; and Apache Freight scalped Mayflower 7-2.

Mark Simpson scored four goals and Jim Jessup picked up two goals and four assists as Co-op overwhelmed Master Feeds. Eric Timbers and Paul Jackson each netted double markers for the winners. Campbell Howie and Larry Simpson netted singles to complete the scoring.

Doug Smith scored twice for Master Feeds and Jerome van Vliet notched the other tally.

The Electric-Legion game was close at the outset, but Electric potted five unanswered goals in the late stages of the game to take the win.

Chris Burke, Steven Chambers and Clinton Bourne each managed two goals for the winners, with singles going to Jim Hulshof and Greg Guest.

Stouffville downs

Swiss visitors 14-1

STOUFFVILLE — Over 1,300 fans turned out Friday to see the opening game of the Wallisellen, Switzerland tour of Ontario.

The score, 14-1 in favour of Stouffville, was one-sided as the visitors were still feeling the effects of their 'ordeal by flight', which took them 27 hours to reach Stouffville.

Doug Feasby and Howie Jones led the way for Stouffville. Feasby notched seven goals, while Jones put away four.

Doug Feasby put on a real demonstration for both visitors and fans with his all around hockey ability. When he was not dominating the play, Howie Jones was, with great skating, passing and pinpoint shooting.

Swiss goalie, Hans Jorg Stabler, was called on to turn away a barrage of Stouffville shots, and except for a short time in the final period while he caught his breath,

Stabler played the entire game. For the final half of the third period, the Swiss youngster held Stouffville scoreless.

Skating appeared to be the major edge held by the Stouffville hosts, and the preoccupation of watching the puck and forgetting to check the man cost the visitors. Bernhard Kirsmer combined with linemate Martin Stilli for Wallisellen's only goal. A fine passing play which had Stouffville completely out of the play.

Other Stouffville goal-getters were; Kevin Morley, Rob Lawson, John Turner and Rob Bryant.

A couple of the more prominent Wallisellen players included: Bernhard Kirsmer; Markus Wassmer, Christopher Hirt and the very popular Nino Nardino.

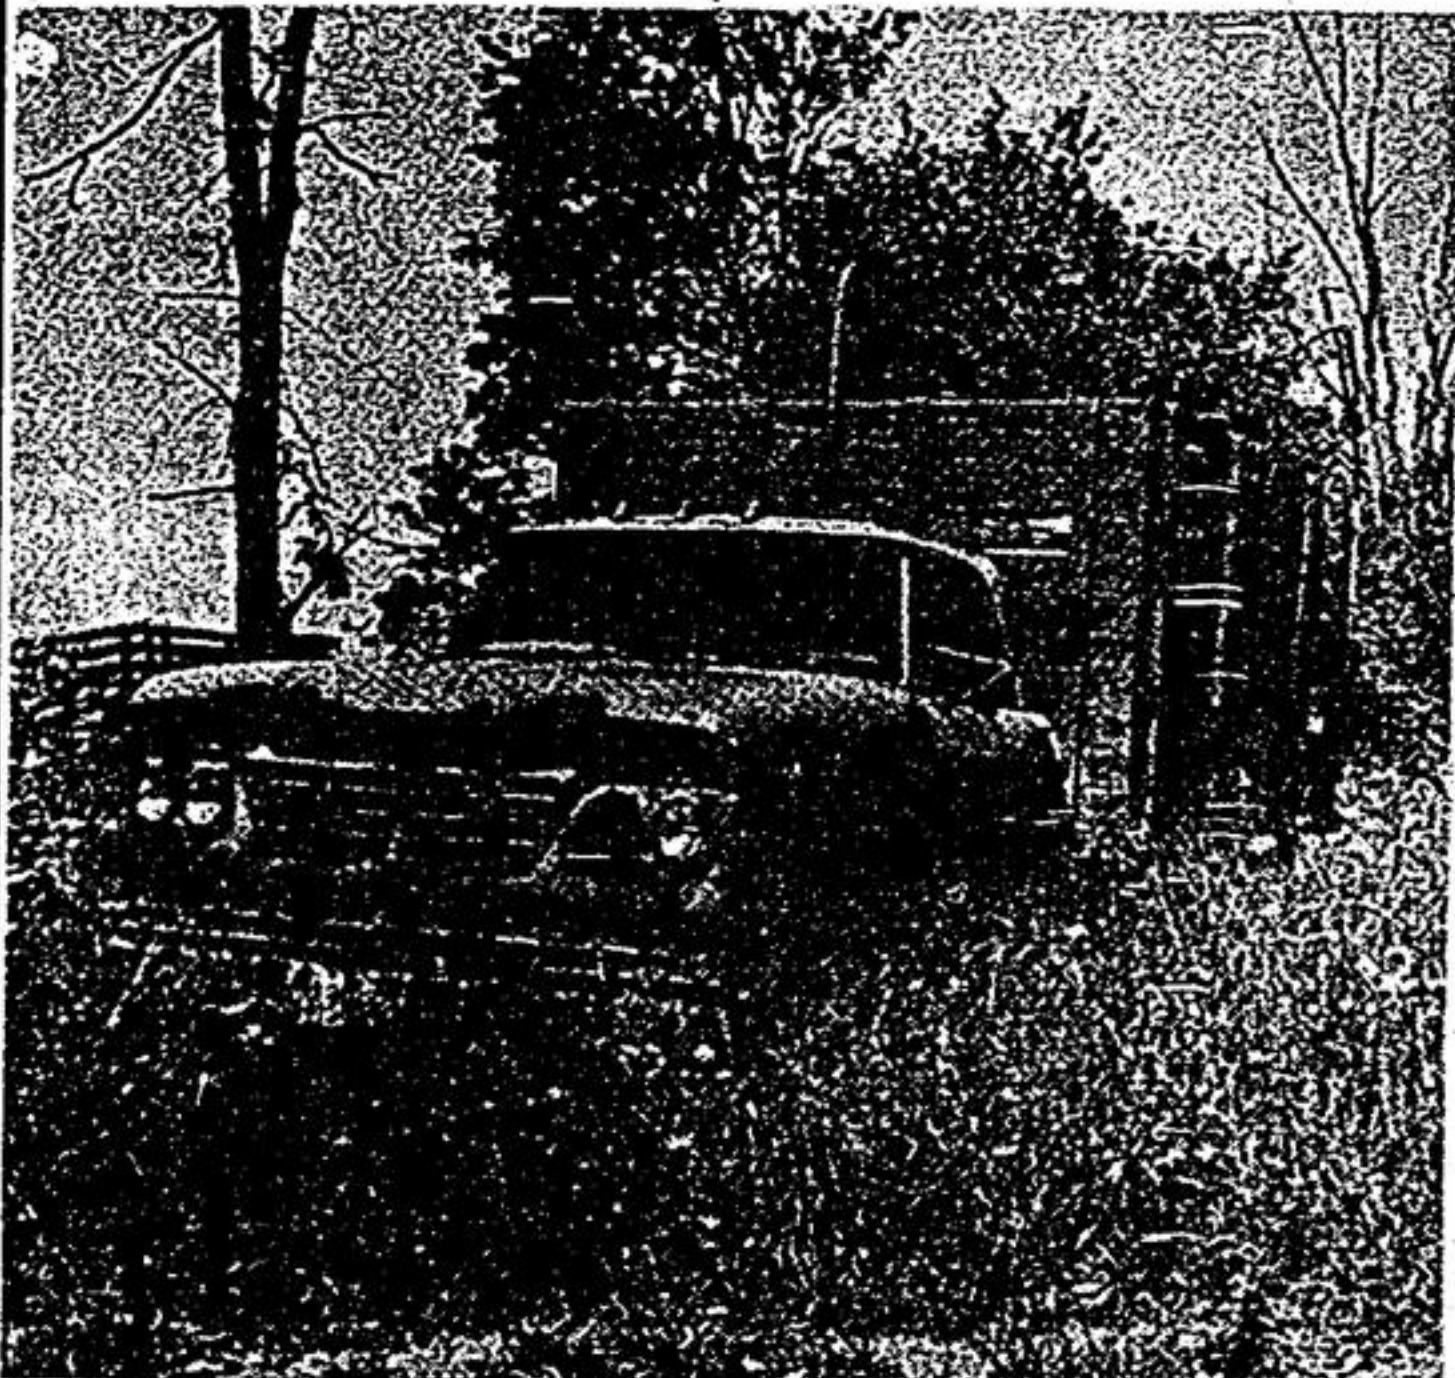

Juvenile mistakes give Whitby 5-3 win

STOUFFVILLE — Whitby-Brooklin juveniles took advantage of Stouffville mistakes and skated off with a 5-3 win last week.

In the first period, Steve Sandford and Harry Forbes counted Whitby goals, as the visitors struck early for the lead. With five minutes remaining in the opening frame, Mike Wightman and Wayne Feasby scored unassisted goals to tie the game at 2-2.

Kevin Barrick scored the nicest goal of the net.

With Ziebart Rustproofing, your truck won't look like it should be put out to pasture before its time.

It kind of makes you sad to see a truck grow old before its time. And if the truck is yours, it can make you pretty upset, too. Especially when you see your investment slowly turning to rust, day after day.

But there is a way you can help your truck last longer. Get it rustproofed by Ziebart. Because only Ziebart's unique sealing compound and special tools cover every square inch in every light little spot that could possibly rust.

So only Ziebart Rustproofing can really keep your truck from rusting. And that's especially important for trucks that carry fertilizer and other corrosive chemicals, or drive on country roads where calcium chloride has been spread to keep the dust down.

In fact, Ziebart Rustproofing protects so well, we'll guarantee your truck against rust for five years or fifty thousand miles.

So you can see why we're pretty confident about our process. After all, we've been in business for over 18 years.

And there's a lot more years left in us, too.

4 Heritage Road Markham — 294-6373 Comprehensive Protection for Cars and Trucks

*Trucks, campers and multi-purpose vehicles, rustproofed by Ziebart before 1000 miles, are guaranteed to the original owner against rusting through from the inside, in the areas rustproofed for 5 years or 50,000 miles, or the full price of Ziebart rustproofing will be refunded. Cars and station wagons rustproofed by Ziebart before 3000 miles, are guaranteed to the original owner against rusting through from the inside, in the areas rustproofed for 10 years, no matter how many miles you drive, or the full price of Ziebart rustproofing will be refunded.

YOU TODAY TOMORROW

There is only today between you and tomorrow

Which is why Canada Pension Plan benefits will be increased **today** and will be kept in line with the cost increases of **tomorrow**

What this means to you as a beneficiary

From January 1st 1974, Canada Pension Plan benefit payments will be adjusted to reach ... then maintain a level in line with the actual cost of living.

If you are receiving monthly benefits that began during the period 1967 to 1973, your benefits have been recalculated so that the amount you receive in 1974 is related to the actual increase in the cost of living over the years your benefits have been paid. When you receive your January 1974 benefit cheque, you will see that it has been increased. The increase in your payment will vary from 8% to 20% and will depend on the year in which your benefit first became payable.

In future years, if living costs continue to rise, you can expect further increases in your benefits based on current cost of living data.

What this means to you as a contributor

As a contributor to the Canada Pension Plan, you are building a basic and portable retirement plan for the future and at the same time providing current protection for yourself and your dependents against the possibility of severe disability or early death.

In order to protect the value of your eventual benefits, the Canadian Parliament has passed legislation which ensures that the contributions you make today will give benefits that maintain the purchasing power of today's wages twenty, thirty or even fifty years from now ... when you need it!

To achieve this, the Government plans to have the earnings ceiling — the maximum amount on which contributions are paid and on which benefits are calculated — increased each year so that it will reach, and then keep even with the average earnings of Canadian industrial workers. This ceiling will be raised from \$5,600.00 in 1973, to \$6,600.00 in 1974 and \$7,400.00 in 1975.

This new earnings ceiling means that the year's basic exemption — the initial amount on which you do not pay contributions — is changed from \$600.00 in 1973 to \$700.00 for 1974.

These changes also mean that the maximum employee contributions will increase from \$90.00 a year in 1973 to \$106.20 in 1974. Your contribution is matched by your employer. In the case of self-employed persons, the maximum annual contribution is increased to \$212.40 for 1974 as against \$180.00 last year. For earnings of less than \$5,700.00, there will be no increase in contributions.

The change in the earnings ceiling means that the maximum retirement pension will rise from \$90.71 for pensions effective in December 1973 to \$134.97 for those whose pensions will begin in December 1975. As the maximum earnings levels for the years after 1975 continue to rise, so will the maximum retirement pensions in those years. There will also be increases in the maximum values each year for disability and survivors' benefits.
