Recognize these gentlemen? Most long-time Markham hockey fans will. For they represent an era of sports excitement and competition that knew no equal. They are (left to right) — John Williamson, Bobby Forrester, Ernie Lawrie, Hal Gibson, Harry Milroy, Jack Watson, Chuck McCarthy and John Lunau. The seven players were individually honored at the opening of Markham's new Centennial Arena, Jan. 12. They were introduced by John Lunau. —Jim Thomas.

Council acts to stall CUPE bid

UXBRIDGE — Attempts by the Canadian Union of Public Employees to become bargaining agents for Uxbridge Township road employees will be discouraged by council, following the meeting Thursday.

CUPE has applied to represent all the roads employees. At the end of 1973 they received Labor Relations Board approval to represent the workers in Scott and the old Town.

During discussion Thursday, Councillor Eleanor Todd said it might be to the township's advantage to ask the LRB for another vote to include all the road employees.

CUPE failed to gain representation for road employees in old Uxbridge Township.

General opinion at the council meeting was that if given the opportunity, the workers would reject CUPE.

The matter was referred to the township solicitor for investigation.

Could our educational programme challenge your girl or boy?

Our academic programme
is designed to make learning and discovering an exciting, stimulating process. Boys and girls, studying together, work in small classes, where questioning and constant teacher-student dialogue is encouraged. The result is that we have an outstanding record of senior class students accepted by the university of their choice.

Our athletic programme
In some schools, students are denied the chance to enjoy sports unless they are very good. At Bishop's our compulsory sports programme, that includes soccer, football, hockey, skiing, tennis and track and field, gives every student the opportunity to develop leadership potential and a sense of responsibility.

Our activities programme
Choir, drama, photography, debating, astronomy, and cadet courses like hunter safety, driver education and outdoor survival, all help develop the student's awareness of doing, discovering and participating. Attendance at special productions in local theatres and regular social gatherings are additional features of our programme.

Bishop's is an independent boarding school for boys and girls in grades 7 to 12. Our 450-acre campus, near the town of Lennoxville, is about 90 minutes' drive from Montreal. If you would like more information, write to: The Headmaster, Bishop's College School, Lennoxville, Quebec, J0B 1Z0. Or better still, call us at 819-562-7683 and arrange to come and see us.
