BUSINESS FOR SALE

We're sad to announce our business is for sale. It was established over four years ago. Exclusive rights for area for many good lines. New owner will have to plan on re-locating — not immediately, but possibly in not too distant future. However, we've taken this into consideration in our price. Serious inquiries please phone Mrs. Keller 294-4371 or 294-0669 to arrange appointment.

We have built up a faithful, delightful clientele and feel this business could thrive anywhere in Markham-Unionville area, and re-location would not disrupt business much at all. In fact, more spacious quarters would generate new business, as present location is very crowded. Because of personal commitments, we're anxious to sell quickly and will be glad to help new owner for awhile.

CANADA'S SHAME

THE SENSELESS SLAUGHTER of your BABY SEALS STARTS AGAIN THIS MARCH ...

A despicable international gang will be at it again this year butchering these defenseless little creatures.

Brian Davies, Director of the International Fund for Animal Welfare wrote of the 1966 Gull hunt, "The first thing we saw as we got off the government helicopter and onto the ice was a baby seal with a hunters knife in its belly. It raised its head and looked at us, quite obviously alive and fully conscious as it was being skinned. The look of terror in the eyes of that young mammal is with me still. We saw the evident distress of the mother seals as they nuzzled the warm carcasses of their dead babies."

Canadian citizens, the seals belong to you, they are part of your heritage, they are also your responsibility, if you have any heart defend them.

Demand that your government cease its cowardly complicity in this crime.

If you fail them, this innocent blood will once again redden the icy shores of our country.

PROTEST NOW! SPECIAL MESSAGE:
Letters, Wires and Telegrams are of great value, and may be sent directly to: Prime Minister Pierre Trudeau, House of Commons, Ottawa, Canada.

TO THE PRIME MINISTER OF CANADA
I Deeply Protest the Killing of Harp Seals by Norwegians & Canadians

Randy Timms and Ronnie Hodson on guitars; Jim Beelby and Rodney Timms on drums presented a stirring rendition of "Put Your Hand in the Hand of the Man from Galilee". Ronnie, accompanied by Terri Pilkey, sang the verses, with the choir joining in on the chorus. Members were pleased with the presentation and joined with the pastor in
