**Bike safety course offered in Unionville**

UNIONVILLE — A bicycle safety course, first offered by the Unionville Ratepayers' Association last year, has been added to the curriculum of that community's four elementary schools.

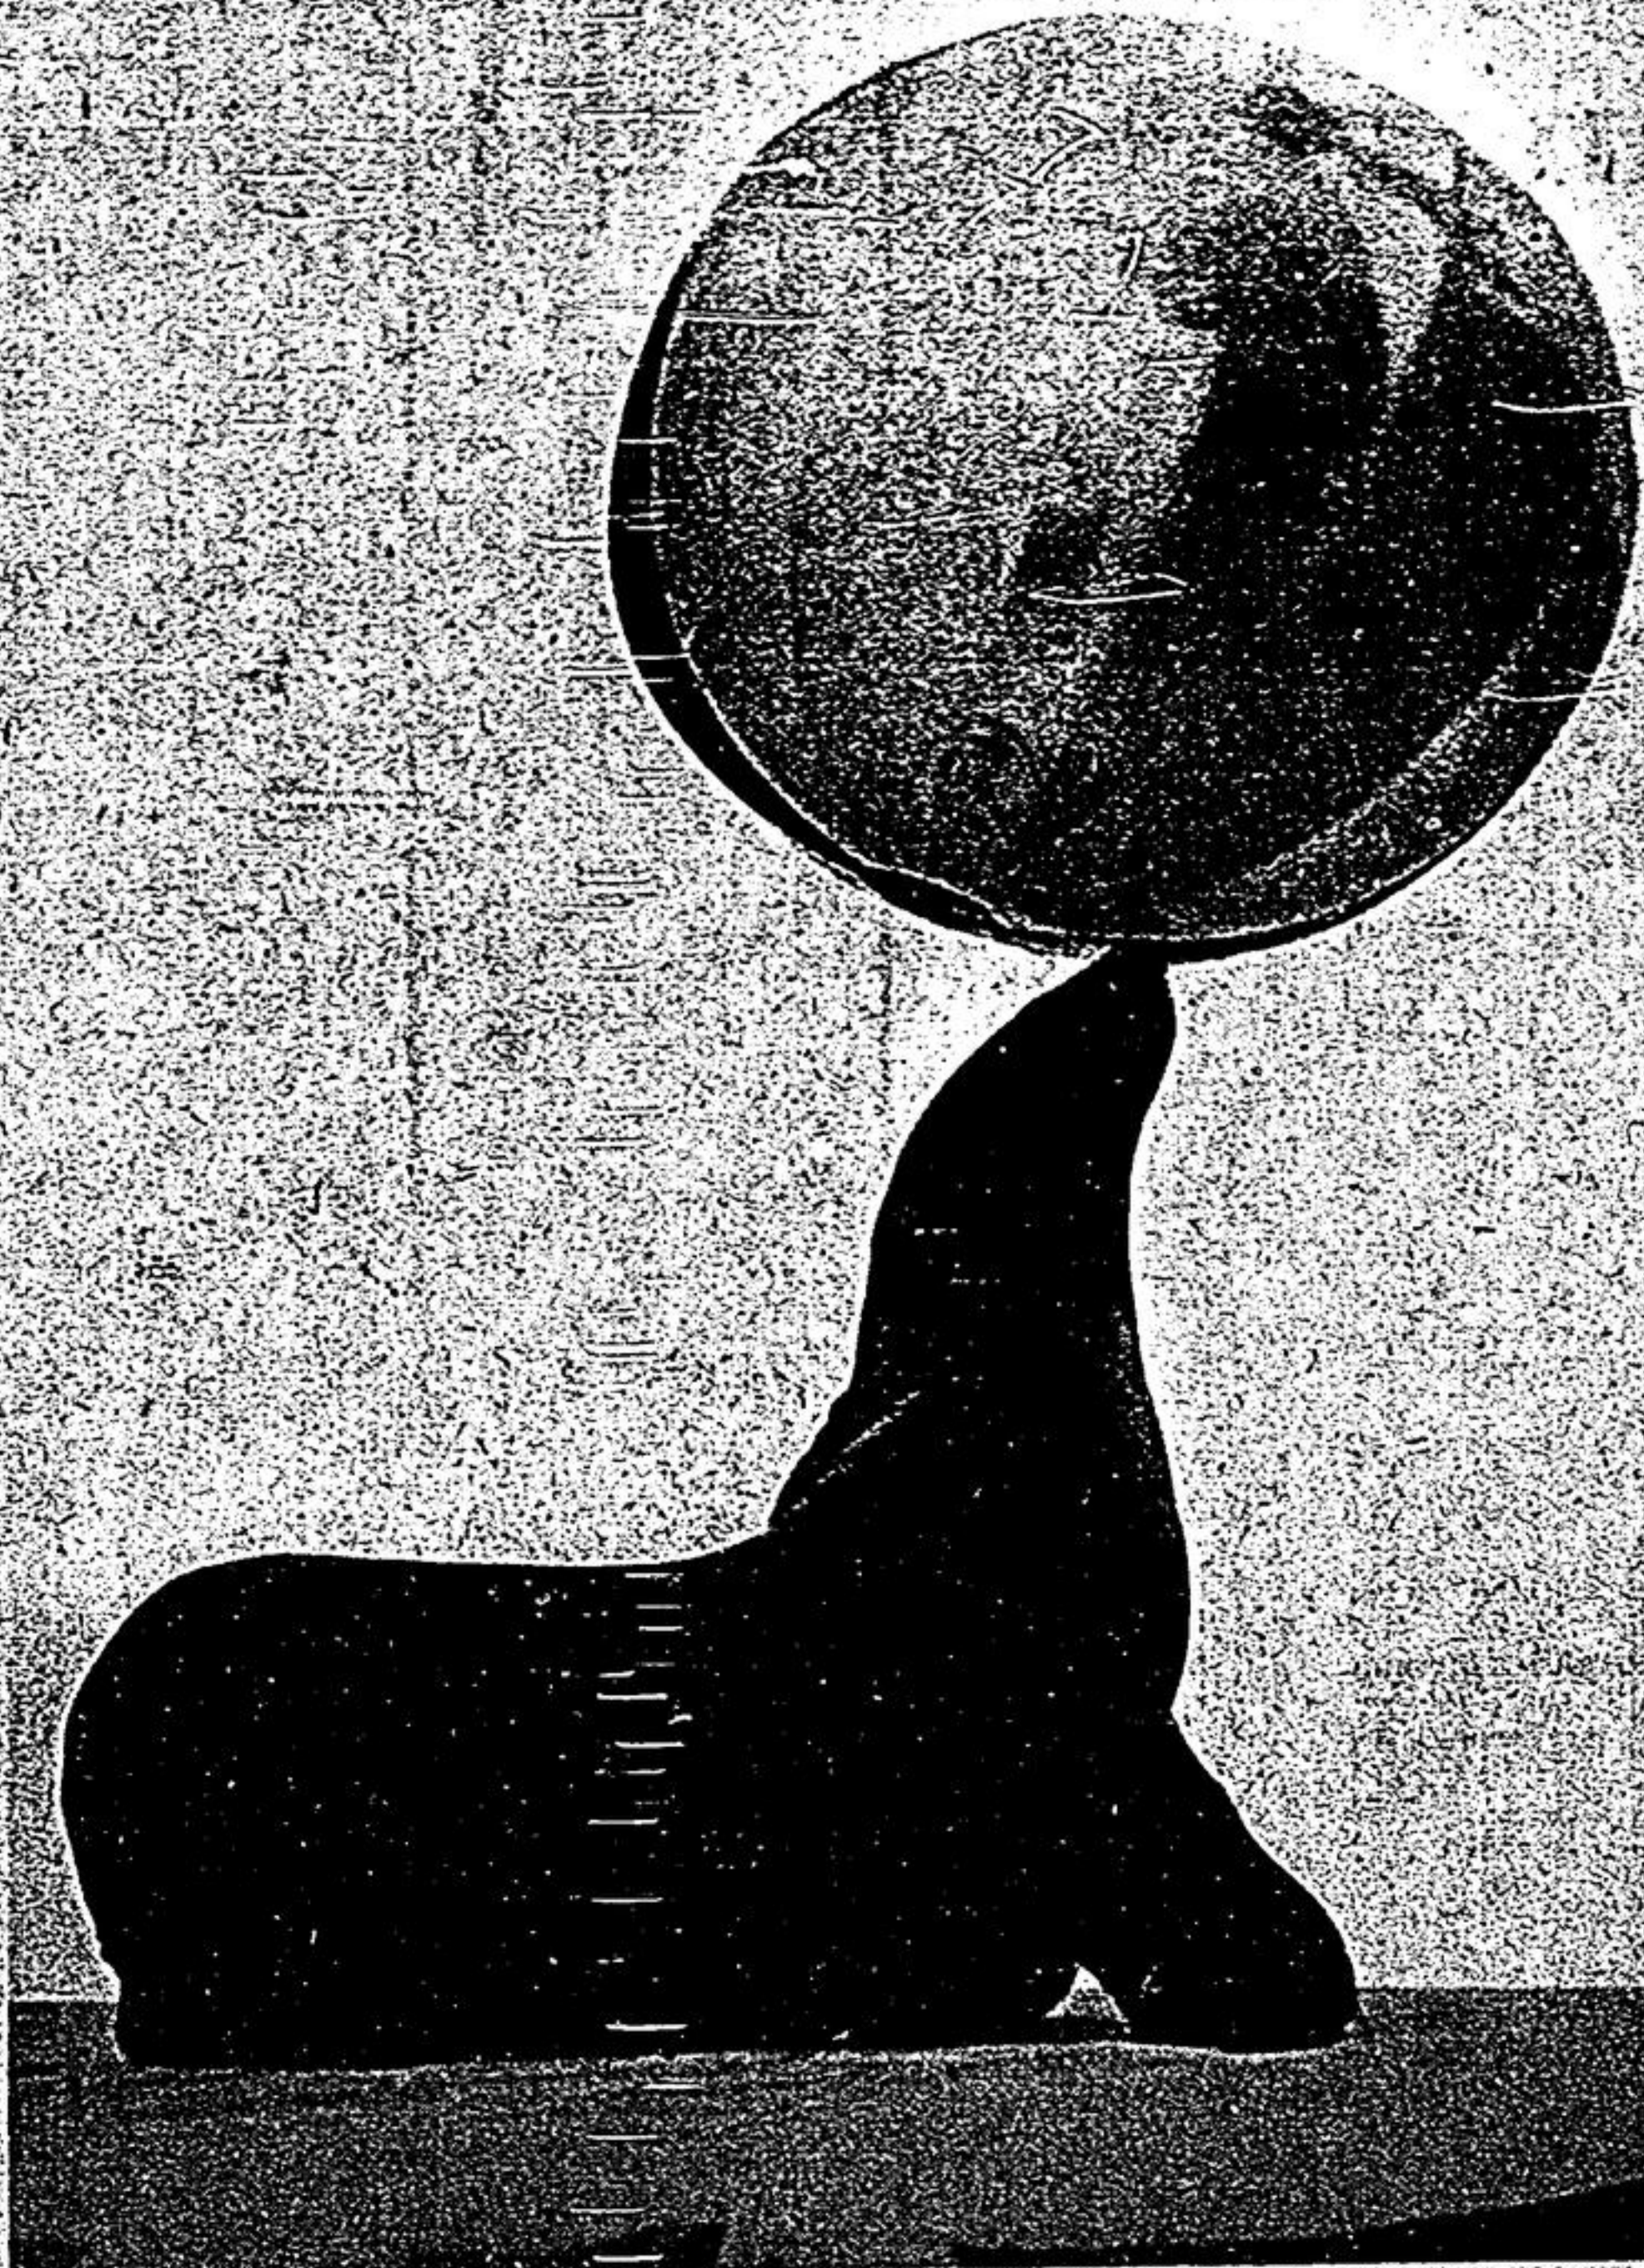

Last week, each of the schools was presented with teaching manual and set of charts used to teach the course.

Dr. Ken Ackles said that the course involves eight hours of instruction and practical training. At its conclusion a bicycle rodeo is held to test the effectiveness of the course.

At Unionville Public School and Parkview, the course will be offered at the Grade 4 level, while at Mark II, Grade 7 students will use it as a review and reinforcement. Grades 4-6 at John XXIII will also be exposed to the course.

It includes a Bicyclist's Handbook that contains both traffic safety rules and specific suggestions on bicycle safety.

Last year, the ratepayers' group sponsored the course in the evenings at Parkview and persuaded the York County Board of Education to include it in the curriculum this year.

The circus is coming to Markham, May 21

The Garden Bros. circus is coming to Markham. The show, Tuesday, May 21, is in the new Centennial Centre, conc. 7, north of Hwy. 7. Two performances are planned, one at 4:15 p.m. and another at eight. The Markham Fire Department is sponsoring the event.

**Insurance available**

YORK REGION — Thinking about crop insurance?

Coverage for grain, corn and forage seedlings is available, through agents in York Region, reports Allan Wall, Agricultural Representative, Newmarket.

Details on such plans can be obtained from Allan Wideman, Stouffville; Harry Ferguson, Newmarket or Andy McClure, in Woodbridge.

**'Meals on Wheels' success**

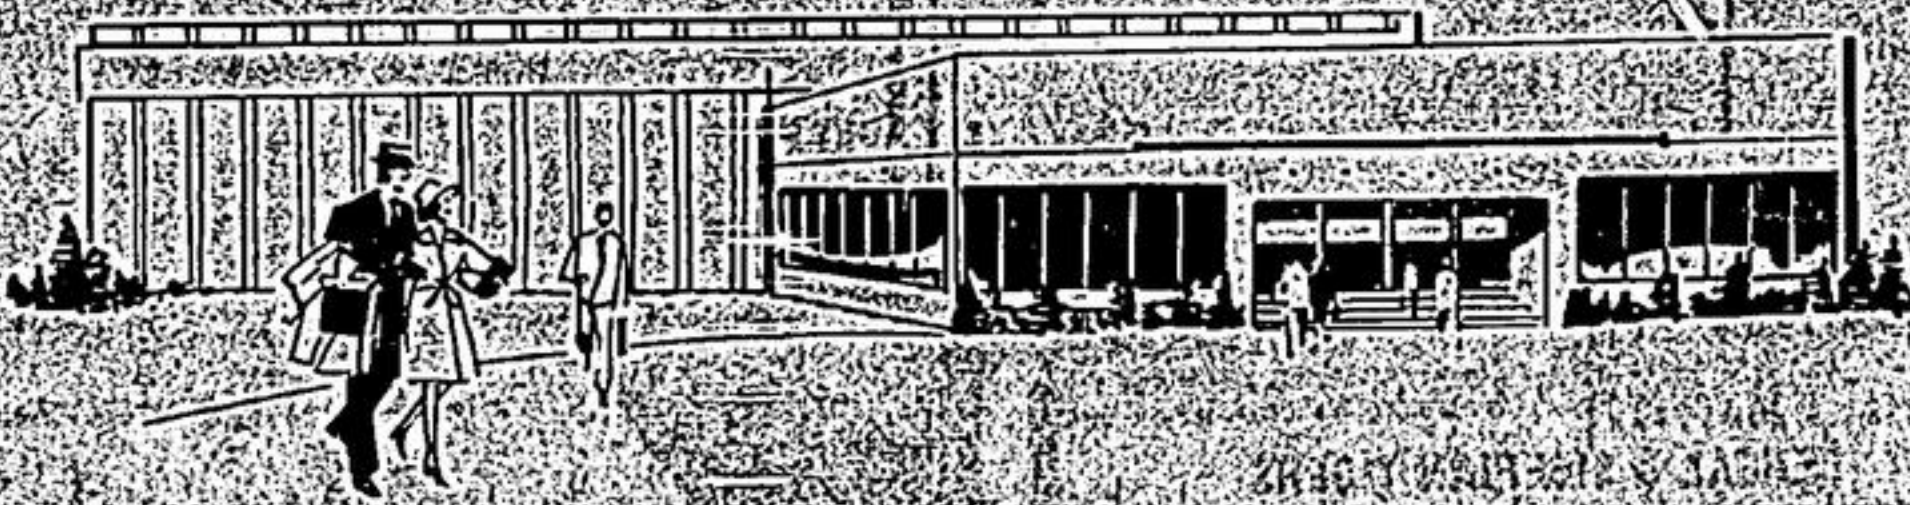

MARKHAM — This information was revealed April 17, when the executive held its annual meeting in Stouffville. The organization of Markham, Andrew's Presbyterian Church and Unionville.

A guest at the gathering was Mrs. Rosemary Miller of Unionville. Mrs. Miller re-affirmed her full support and co-operation.

Anyone requesting additional information on the program or utilization of the "Meals on Wheels" service, is asked to call Mrs. Gordon Marshall at 294-3696.

**Business development means more jobs and increased opportunities.**

This is what Ontario is doing to help businesses grow.

Suppose you operate a manufacturing company, or a firm that is a supplier to such a manufacturer. Suppose instead that you operate a tourist resort, or a tourist attraction that benefits local resorts.

Others depend on you for a living. So your Ontario government wants to help you help them — and yourself — through the Ontario Development Corporation (O.D.C.).

The O.D.C. was established by the government here in Ontario to provide financial assistance to businesses unable to obtain necessary funds from conventional lending institutions. These programs are designed to stimulate industrial growth, encourage economic development and increase employment opportunities in the central and southwestern areas of Ontario.

Similar programs exist to aid businesses in other parts of the Province. Briefly, O.D.C. Financial Assistance programs are divided into two categories — Incentive Loans and Term Loans.

In central and southwestern Ontario, Incentive Loans are provided to establish new manufacturing operations or service industries in support of manufacturing.

These loans may be interest-free or at a rate lower than the O.D.C.'s prevailing rate of interest. Commencement of repayment may be deferred until the company is established.

Term Loans are available to finance new products and processes, exports, pollution-control equipment, industrial buildings, tourist operations and the expansion of small businesses.

Your Ontario government has prepared a concise, easy-to-understand booklet explaining who may qualify for O.D.C. Financial Services.

If you would like a copy of the booklet or wish to make application for O.D.C. assistance, write to:

**Stiff tax increase predicted for 1974**

PICKERING — Homeowners could face tax increases of up to 50 per cent this year, even if the mill rate remains the same, a senior Town official said recently.

Noel Marshall said the reason for the hike is the loss of assessment due to regional government. West Rouge was added to Scarborough and Pickering Beach became part of Ajax.

He said that Pickering lost 25 per cent of its assessment. In 1973 assessment revenue brought in \$2,452,554 and this year will be \$1,529,981.

Mr. Marshall said tax increases might be softened by increased provincial grants. The Council has already spent several all-day sessions reviewing the departmental budgets.

Mr. Marshall said estimates are up almost \$300,000 over last year's budget of \$2,697,819.

**Giant auction helps send band to England**

PICKERING — a giant auction June 8 will help provide funds for the Pickering High School band concert tour of England. The event is part of the fund-drive.

The idea of the tour originated with Music Department head Virginia Sullivan. The 44 members of the band enthusiastically supported the idea.

To date, a white elephant sale has netted \$300 toward the trip, but the auction is the big event.

The band will play that day starting at 12 noon, then auctioneer Loyal Pogue will start the auction at 1 p.m. Included will be refreshment booth, home baking sale
