Rock festival outdraws 20 churches

By HOWARD MINAKER
 Last week, someone suggested to me a reason for the increasing wickedness of our world. "Our communications are better and we know more that is going on." While it is true that our communication is better, it is absolutely false that this makes a comparatively good world look wicked. Last Sunday, probably the largest crowd in Ontario gathered for a rock festival—between thirty-five and forty-five thousand. I daresay this was considerably more than the combined attendance of the twenty largest churches of our province. What was originally set apart as a "day of worship", has become a day of pleasure and excess.

One of the first steps toward solving a problem is to recognize it. An increasing percentage of our problems today are spiritual. Natural food, or pleasures cannot satisfy the spiritual man.

The Christian life has been so misrepresented that the average person looks on it as an existence almost comparable to death itself. Jesus said, "I am come that they might have LIFE and have it more abundantly." Yes, the life of the true Christian is one of sacrifice and adventure, but also joy and peace.

Those who belong to Him have the comfort of the Eye that never slumbers; the Ear that always hears and the Arms that never fail.

'Whipper' says thankyou with a kiss

A cheque for \$1,250 deserves more than an appreciative handshake. That's what Whipper Billy Watson felt Saturday night, after receiving that amount of money from the Stouffville United Church Couples Club, proceeds from Music Mania '74. So Whipper said thank you with a kiss.

planted firmly on the forehead of a surprised show director, Norma Card. Bill Murphy attempts to keep his eye on the camera. The donation will be added to the fund for a new therapeutic pool at York County Hospital in Newmarket. — Jim Thomas.

Are Canadians eating enough to lose weight?

You can eat enough (even more than enough) if it's the right kind of nutrition. And you can still lose weight!

The Weight Watchers Program is a diet plan, not a diet. It's a plan and plenty of it! It's a plan you lose weight and keep it off for good!

That's why this national nutritional weight control programme has been so successful for so many thousands of Canadians.

Are you ready to start losing today? We're ready to help you. The "Weight Watchers" is the international programme that has the Canadian way of life.

For further information call or write: 466 BLOOR ST. WEST, Toronto, Ontario (416) 941-1246, and we'll have you on your way!

Parkview news Ukelele band performs

Thursday program May 23 was announced as a "surprise" when tacked on the bulletin board. A most enjoyable program followed with a meditative reading by auxiliary member, Ada Ramer, then Mr. Lorne Bowdway and his Ukelele Band from Summitview Public School. Mr. Bowdway played the cello and approximately 15 children played their ukeleles.

The Sunday evening worship service May 26 was conducted by Rev. Paul Martin of the Wideman Mennonite Church. Special music was by the 16-member male chorus.

Some visitors who have visited with Residents recently: Mr. and Mrs. E. K. Rattee of Brampton for Mrs. F. Rattee, Mr. and Mrs. W. Brand of Willowdale for Mrs. F. Broom; Mrs. Ruth Redmond for Mrs. L. This July can be important for your son or daughter.

A month at Bishop's College School Summer Programme could help them with:

- English as a second language
- French
- Reading and study skills
- Computer sciences
- Science
- Practical ecology
- Mathematics

Concentrating attention on the individual needs of each student, experienced teachers will provide the opportunity for enrichment in English, French, Science and Computer Science. Remedial instruction in these subjects will also be offered.

This year we are introducing a course in computer sciences, with our own computer. And, being in the country, we are ideally located for our new courses in practical ecology and astronomy (we have our own observatory with three telescopes).

Extensive recreational activities help to develop close personal relationships between student and teacher during the four weeks at Bishop's.

Individual programmes are designed to meet the needs of boys and girls aged 11 to 16. Detailed reports are prepared following the close of summer school which lasts from June 30th - July 26th.
