## Top athletes honored

STOUFFVILLE — Awards for outstanding athletes were presented June 12 at the annual Stouffville Dist. Secondary School athletic banquet.

Because of the short season in some sports due to the teachers' strike, several trophies were not given this year. The awards represent recognition of an athlete's attitude as well as his athletic achievement.

## An exceptional day

# SDSS Grade 8's 3rd in big meet

STOUFFVILLE — Stouffville Dist. Secondary School grade 8 students had an exceptional day June 12 at the Nobleton Track Meet.

SDSS was second best girl athlete at the meet with three firsts and one second, while John Christie was second best boy athlete with the same combination of awards.

SDSS had the third best overall team score. They placed that well while competing in only two of the three divisions. While SDSS competitors were from grade 8 only, all other schools had competitors from grades 6 and 7 as well.

The SDSS intermediate boys team was first at the meet, and senior boys and girls teams were second in their divisions. The girls senior squad was fourth at the meet.

Cheryl Morrison placed first in the 50, 100, and 200 metre dashes. In the 400 metres she led for nearly the whole race but was beaten by a hair at the stretch.

John Christie gained first place ribbons in the 100 metres running long jump, and triple jump, and a second in the

## Peewee tourney Sports Day event

STOUFFVILLE — An eight-team all-star peewee softball tournament will take place Saturday, June 29, as part of the Sports Day festivities.

Twenty-three teams from all parts of Ontario applied to enter the competition, according to tournament chairman Peter Sanderson. The eight teams that will compete include Alderwood, Bridlewood and Willowdale from the Metro Toronto area; Owen Sound, Orangeville, Sarnia, Richmond Hill, and the local Birkett-Hassard squad.

Games will take place through the day at the Rupert and Main parks in Stouffville. The tournament should feature excellent softball since all teams ranked high in the OASA playdowns last year.

Watch next week's Tribune for a detailed schedule of playing times in the tournament.

Another outstanding performance came from Bobby Hughes in the intermediate 1500 metres. He ran in third position for the most of the race and finally passed the two leaders in the last 50 yards, winning by about three yards. Commented coach Connell: "He had everybody cheering; that was probably the closest

intermediate boys standing long jump. He won second place ribbons in the shot put and discus as well.

Ann Cort heaved the discus the farthest among intermediate girls, for first place and took second in intermediate and senior girls shot put.

Winner of the entire meet was Aurora Senior Public School. Other schools competing were: Nobleton Senior, Whitchurch Highlands, Aurora Senior, and King Senior.

## Swim pool programs

STOUFFVILLE — Registration and screening for July lessons at Stouffville Community Swimming Pool are July 2 and 3 between 9 a.m. and noon.

Rates are: moms & tots, \$5; children under 12, \$8; students, \$10; family, \$20. All Red Cross and Royal Life courses are offered. Call 640-4493 for information.

## Peewees stun Thornhill 23-1

STOUFFVILLE — The Birkett-Hassard peewees stunned Thornhill 23-1 here June 11. Winning pitcher was Jim Chilvers.

Their performance through the remainder of the week was "spotty."

At Unionville on June 13, the B-H boys committed a series of errors and were soundly thrashed, 13-0. Said coach Pete Sanderson, "That was a case of kind of us beating ourselves."

At a tournament Sunday in Woodstock, Stouffville whipped Woodstock 7-1 in the first game, then lost again by 13-0 — only this time to Sarnia.

That wasn't so bad, in coach Sanderson's view, since "the Sarnia team is probably the best peewee team I've ever seen in my life. They're just like a machine." Against Sarnia, the B-H's committed two strategic errors to contribute to their defeat.

## Novice girls down Claremont

STOUFFVILLE — The all-star novice girls team came out of their losing streak June 14 when they gave Claremont a 13-4 shellacking.

## Midgets blast Manhattan squad

STOUFFVILLE — The Manhattan Midgets were the visitors to the Stouffville Park June 12, but were no match for the Stouffville Travelways. The final score of a very one-sided game was 15-2 for the home team.

The visitors lacked strong pitching and the Stouffville team took advantage of that weakness early in the game. They scored 7 runs in the first inning and 3 runs in the second.

Jack Watson and Kevin Morley had very good games at bat for Stouffville.

On Wednesday June 26, Stouffville's home game has been cancelled due to Birchcliffe dropping out of the league.

## Good start for swim season

UNIONVILLE — The Unionville swim season is underway with Debbie Town as this year's director.

Miss Town has been an instructor for five years, teaching at the Ontario Hospital in Orillia and in the Simcoe recreation program. She is also a certified scuba diver and holds a Distinction and an Award of Merit.

Terese Temoin is the assistant director, having been with the swim club for four years, two as an instructor.

Other staff members include — Scott Watson, Jo-Ann Bray, Steve Pynn, Linda Dyson, Don Nicholson, Mike Pearce and Marg Nauta.

Registration is almost full, thus a good season is expected. The Swim club had a booth in the Unionville Festival, manned by Freda Bryan and her helpers.

Maple comes to Stouffville tonight at 8:30 p.m.

## House League action

## Al's outlasts Auxiliary

STOUFFVILLE — Al's Tack Shop defeated Ballantrae's Ladies Auxiliary 16-12 at Rupert

Park. Tack Shop scored its first win of the season, lead by the superb hitting of Lyn Sprague and

Norine Humphrey who brought in three runs each. Debbie Cooper stood out for the losers, pitching superbly and bringing in three runs.

In other peewee action, Pine Orchard defeated Ballantrae Erie 11-3 behind the superb pitching of Jean Greenwood.

## Vandorf B's win opening games

VANDORF — The Whomsley Vandorf B team has won six times in seven outings. The seventh game was called on account of rain.

Says coach Jack Palmer, "If it keeps going the way it has, we should do pretty good."

In their latest games, they defeated Port Perry 8-3, behind the pitching of

Ken May of Stouffville; Markham 4-2, with Norm Roberts pitching; Greenwood 5-1 with Ken May and Garry Gilroy sharing pitching duties; and Markham 5-1, again with Ken May pitching.

The only teams the Whomsley men haven't played yet are Whitby and Aurora. The team plays in the Southern Ontario Fastball League.

## Intermediate men suffer losses

STOUFFVILLE — Fortune of the intermediate men's team has turned in their most recent games. They conceded a loss to Mt. Albert June 12 at Stouffville park after the visitors has amassed an insurmountable lead.

The loss to Queensville on June 13 was a little easier to take, as the

Stouffville men kept within striking distance for nearly the whole game. Then a Queensville grand-slam home run clinched and contest for a 6-2 final score.

Tonight they play the Mt. Albert Mounties, away, at 8:30. Next home game is against Sharon June 25.

Bantam Boys Vandorf Hans Heyd bowed to Ballantrae York Sanitation 5-4 in a closely fought game, with much of Ballantrae's success credited to the steady pitching of Rick Sooley and superb fielding of Tony Arrigo.

Greig "Beaver" Roy's outstanding work on the mound led his Ballantrae Bantam 2 Team to victory over Stouffville 15-10. In addition Beaver hit a triple to bring in three runs for the winners.

Bantam Girls Stouffville Giles were at home to Ballantrae Erie under the new lights at Rupert Park, and it turned out to be a free
