

## Drama filmed in Unionville

UNIONVILLE — The Canadian Broadcasting Company filmed elements of a television drama in Unionville, Wednesday.

York Regional Council granted permission to the CBC to shoot elements of a series called, "Horse of Pride," on Kennedy Road between the hours of 8:00 a.m. and 1:30 p.m.

The shooting was done 100 yards north and south of Thomas Shear, Realtors Limited and permission was received to park two large trucks and assorted vehicles on the street.

This house on Stouffer Street has now been completely torn down in compliance with a request from the Town to Baycrest Homes to have the work in the Baycrest subdivision completed by June 15. The house was a sore point for the neighbors when it was standing and also when it was being torn down as the workmen had an unappreciated tendency to work until late at night and to start hammering and banging in the early hours and on weekends.
