## Two girls Ontario Scholars

By Anne Loney  
**CLAREMONT** — Marion Britton and Susan Murray obtained over 80 percent in Grade 13 exams at Pickering High School. Both girls will receive Ontario Scholarships.

Congratulations to Mr. and Mrs. W. J. Briggs whose 59th Wedding Anniversary was Sunday, July 7. They had no special celebration this year but are looking forward to a big party on the Diamond Wedding Jubilee in 1975. Mr. and Mrs. Briggs were married in White Grove, a small settlement in Northern Ontario, in 1915. They moved to Toronto in 1942 and lived there until they came to Claremont 8 years ago.

A large number of people came to the Decoration Service at Claremont Union Cemetery on Sunday which was conducted by Rev. Tom Fleatham of Greenwood. The Claremont Band was in attendance with Bandmaster William Coates directing.

Funeral Services were held in Uxbridge Funeral Home for Harry Boose, formerly of Claremont, who was buried in Union Cemetery on Sunday.

Mr. and Mrs. Roy Timms, attended the wedding of Wendy Malby and Fred Chard at Erin, Ontario, on Saturday, June 29. Wendy is Mrs. Timms' niece.

The community is saddened by the sudden death of Tom Davis who died in his sleep Saturday morning, July 6. Our sympathy goes to Mrs. Davis, two daughters, Mrs. Sandra McKenzie of

Karen Ringley, coach of the Uxbridge Swim Team, accepts the Art Latham Trophy for the winning team in the Stouffville Invitational Swim meet Saturday. Rick Mann, a member of the Stouffville pool staff, presents the trophy.

—Don Bernard

Markham, Mrs. June Armour of Don Mills and to his six young grandchildren.

Erik Skjaveland of Milton, and formerly of Claremont, was renewing friendships over the weekend as the guest of Rodney Timms.

Sunday visitors at the home of Mr. and Mrs. Howard Hockley were their daughter and son-in-law, Mr. and Mrs. Bob Braithwaite of Ajax. Other visitors with the Hockleys last week were Mr. and Mrs. Don Hedges now living in

Ajax, but who are planning to return to the village to take up residence in their old home.

Mr. and Mrs. Murray Coppins and Janice and John spent the weekend at Luv and Fun Trailer Camp at Bobcaygeon.

Relatives and friends of Mrs. Eva Towner who had dinner with her on Sunday and attended the Decoration Service were Mrs. Ida Larkin, Mrs. K. Kennedy, Mrs. Kathleen Redmond, Mrs. Margaret Dale, Miss Myrtle Beechman and Mr. Wilson Redmond, all of Toronto.

# Town of Whitchurch-Stouffville NOTICE TO RESIDENTS

The extent of the area subject to the restrictions of the Minister's Zoning Order has recently been reduced as shown on the map below. Local zoning controls now apply to those lands excluded from the Zoning Order coverage.

Mayor and Council,  
 Town of Whitchurch-Stouffville.

Order made by the Minister under The Planning Act as revised on June 18, 1974.

Want to build or add to your Home or Cottage? You can't! Unless your project conforms to the new regulations governing home sewage treatment set down in the Environmental Protection Act. (April 15, 1974.)

The New Aquarobic Home Sewage Treatment System is Government Accepted.

Laws are made to protect. And the Environmental Protection Act is no exception. It's tough. It's been implemented to stop the pollution that comes from inadequate septic tank systems. You can complain about these regulations. But deep down you know they're right.

The revolutionary Aquarobic Home Sewage Treatment System is the first really efficient alternative to the septic tank. After five years of rigid field testing (including one year at the Ontario Research Foundation) Aquarobic is the only factory-built system in the country to receive Government acceptance. In short, it conforms to the new regulations.

Look at these other Outstanding Benefits:

1. Aquarobic is fully automatic... handles households of up to 10 persons per day with room to spare.
2. Normally fits into an area much smaller than a standard septic tank installation.
3. It's silent and odour-free.
4. It can be installed at any site, regardless of terrain or soil conditions.
5. In most cases more economical than septic tank systems. (\$2,000.00 plus installation).
6. It comes with a ten-year warranty on all parts and service.
7. Installed and serviced by a factory-trained representative in your local community.
8. Manufactured by Waltec Industries Limited, a 69-year-old Canadian company.

Because Aquarobic is factory-built, guaranteed and government-accepted, Waltec can and will obtain the necessary approval for installation at your home or cottage building site.

If you'd like to know more about this amazing system, write for your free copy of "The Aquarobic Story", a 16-page, full colour book containing detailed information.

Address your request to:  
 Aquarobic Division,  
 Waltec Industries Limited,  
 28 Main Street, P.O. Box 1150,
