## PHILIPS MODULAR 4

Model C26P433

### THE HORIZON

The Horizon is characteristic of Philips craftsmanship, creating an elegant traditional style cabinet with simple lines, set on a down-to-the-floor pedestal base. The construction is of solid hardwood, with choice hardwood veneers finished in warm natural walnut. Perfectly tuned reception is guaranteed by the Philips Autocolor Button, five control settings in one operation. Cabinet dimensions: 33" W. x 28" H. x 23" D. (Including back cover).

Model R423

### THE BARCELONA

The Barcelona meets all the requirements that are so necessary in a fine piece of furniture. Finished in deep Mediterranean Oak and is constructed of hardwood solids, decorative non-wood materials with specially selected Oak veneers. The chassis is solid state with FM AM radio, FM stereo indicator, input and output jacks for tape recording and playback. The changer is automatic, three speeds with low mass tubular tone arm and full response, stereo ceramic cartridge.
